To the deep disappointment of her large family, PR princess Theresa Falconetti never dates Italians, men from her old Brooklyn neighborhood, or professional athletes. Michael Dante, winger for the Stanley Cup champion New York Blades, is all three--and he is head over heels for her. So when Theresa finds herself a buttoned-up lawyer, Michael is forced to take his game to the next level.

Fair Play for Cuba  
Committee Penguin  
This game's going into overtime. Janna MacNeil is a publicist on a mission—to change the image of the bad boys of hockey: the Stanley Cup Champion New York Blades. Ty Gallagher is a captain on a mission—to get his team to win the Cup again...at any cost. His determination is legendary, as well as his unwillingness to toe the corporate line. When the persistent publicist and the stubborn captain butt heads, it's hard enough to crack the ice. But they may end up melting it instead...

The “riveting” true story of one of the greatest racehorses who ever lived, “researched meticulously and told brilliantly” (Laura Hillenbrand, New York Times–bestselling author of *Seabiscuit*). His trainer said that managing him was like holding a tiger by the tail. His owner compared him to “chain lightning.” His jockeys found their lives transformed by him, in triumphant and distressing ways. Born in 1917, Man o' War grew from a rebellious youngster into perhaps the greatest racehorse of all time. He set such astonishing speed records that the New York Times called him a “Speed Miracle.” Often he won with so much energy in reserve that experts wondered how much faster he could have gone. Over the years, this and other mysteries would envelop the great Man o' War. The truth

remained problematic. Even as Man o' War—known as “Big Red”—came to power, attracting record crowds and rave publicity, the colorful sport of Thoroughbred racing struggled for integrity. His lone defeat, suffered a few weeks before gamblers fixed the 1919 World Series, spawned lasting rumors that he, too, had been the victim of a fix. Tackling old beliefs with newly uncovered evidence, *Man o' War: A Legend Like Lightning* shows how human pressures collided with a natural phenomenon and brings new life to an American icon. The genuine courage of Man o' War, tribulations of his archrival, Sir Barton (America's first Triple Crown winner), and temptations of their Hall of Fame jockeys and trainers reveal a long-hidden tale of grace,

disgrace, and elusive redemption. “Uncovers the true reasons for Man o' War's early retirement . . . this is must reading for racing fans, and it will reward anyone with an interest in the history of American sport.”

“A masterpiece of historical research.”
