Fairy tales were never this tough. Men in Tights never looked so good. At least that's Pepper Marsh's first impression when she attends the International Jousting Competition at London, Ontario's Renaissance Faire. An unemployed and unattached software engineer, Pepper has had enough of the computer geeks in her dating pool.

She yearns for a man of yore. A man not afraid to stare death in the face and laugh at it. A man with a big lance....

Pepper's cousin promised to find her a knight in shining armor, on the condition that Pepper walk around in wench get-up. With her mind on her embarrassingly revealing bustier, Pepper promptly steps into the path of an oncoming steed...and is rescued by sexy Englishman Walker McPhail. Once the wild man of jousting, Walker has let a brush with death

keep him out of the ring. Though his emotions are clad in an almost impenetrable armor, Pepper finds Walker infuriatingly sexy—and is about to go medieval on his heart...

The one you love... Robert Selby is determined to

see his sister make an advantageous match. But he has two problems: the Selbys have no connections or money and Robert is really a housemaid named Charity Church. She's enjoyed every minute of her masquerade over the past six years, but she knows her pretense is nearing an end. Charity needs to see her beloved friend married well and then Robert Selby will disappear...forever. May not be who you think... Alistair, Marquess of Pembroke, has spent

years repairing the estate ruined by his wastrel father, and nothing is more important than protecting his fortune and name. He shouldn't be so beguiled by the charming young man who shows up on his doorstep asking for favors. And he certainly shouldn't be thinking of all the disreputable things he'd like to do to the impertinent scamp. But is who you need... When Charity's true nature is revealed, Alistair knows he can't marry a scandalous woman in breeches, and Charity

isn't about to lace herself into a corset and play a respectable miss. Can these stubborn souls learn to sacrifice what they've always wanted for a love that is more than they could have imagined? *Real Vampires Have Curves* Penguin
This Game Girl has wreaked havoc on the high seas—but the tide is about to turn... In the Internet virtual reality game *Buckling Swashes*, Earless Erika and Black Corbin are two of the most deadly pirates to sail the online seas. And now

they've met their matches: each other. But fearless Earless Erika is really just Amy—a financial analyst with little time in her life for anything but work. And Corbin is none other than the man behind the game—the programmer and owner of the company. He's intrigued by Amy, the only buccaneer to best him in this test of digital testosterone, while she just wants to take his arrogance down a peg. But soon the two find themselves comrades in

arms against a merciless rival bent on Corbin's destruction—both on the virtual high seas and in real life. Only by setting aside their differences can they locate the actual people behind the swaggering swashbucklers—and along the way find that love can tame even the most fearsome of pirates. wonderfully winning Dark Ones series—a perfect blend of sexy and fun that every devoted fan of Lynsay Sand's popular Argeneau vampire books will want to sink their teeth into. Joy Randall's Top 5 Tips for Vampire Hunters: Location, location, location. Vampires won't be caught dead (ha!) in places like discos, ten-minute lube shops, or Switzerland. Remember, if you wouldn't be there, neither would a bloodsucker. Trust your eyes. You know the handsome, annoyingly

arrogant, self-assured man in the shadows with long hair and a cleft in his chin? He's your vampire. No matter how tempting it might be, do not "accidentally" acquire a paper cut on your finger and suggest your vampire kiss it to make it better. Play it cool. Don't offer to accompany your prince of the night on the talk-show circuit, and whatever you do, don't offer him your heart! Most of all, remember: being a vampire is nothing to laugh about. The story of a desperate ghost hunter

who stumbles across a dashing bloodsucker who's looking for eternal love, *A Girl's Guide to Vampires* is funny, steamy, sensuous, and surprising—everything anyone could want from a paranormal romance.
