Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

For some of us being a Christian is harder than it should be. Discouraged, anxious, worn down, we wonder what happened to the power and the joy that Jesus promised. Jim Cymbala believes that many of us are missing something vital. Christianity, he says, for even the best-intentioned person or church, is impossible without the Holy Spirit. You can have regular devotions, great preaching, a strong emphasis on the Bible, a great worship team, and a

congregation that is trying, but if you aren't vitally in touch with God's Spirit, you are missing out on the life God has for you. The Holy Spirit, he points out, is God's agent on earth. Yet he is the least understood, least preached about, and least discussed member of the Trinity. That is sad, because without him, our spiritual lives will always become dry, mechanical, and a struggle. Too often, the body of Christ is divided into two sides. One side stresses the Word of God, separating itself from what it views as the emotional fanaticism often linked to those emphasizing the Holy Spirit. The other side is sometimes known for drifting into unbiblical manifestations and unorthodox teaching while attributing it all to the Spirit of God. But the Christianity we see in Scripture is both grounded in the Word and full of the Spirit. With stunning stories of how God is working in the lives of people and churches today and biblical teaching about the Holy Spirit, Jim Cymbala invites you to experience God in a fresh and vital way. Nothing else will change our prayer life, our study of God's word, and our worship more than opening our hearts to the Spirit. If we want power, confidence, joy, peace, and more love in our lives, then we need a better understanding of how and why the Spirit moves so we can join him there.

God Is Searching for People to Bless  
Jim Cymbala believes that God plays "favorites"—that certain people experience his blessings more abundantly than others. Have these people learned a formula or a simple technique that will guarantee his blessing? Or is there something more profound at work in their lives? In *The Life God Blesses*, Jim Cymbala points out that God is constantly searching for people to bless. He's not looking for men and women with special talents or unusual intelligence or great strength but for those who possess a certain kind of heart. Find out how to have a heart that God cannot resist and you will become a channel of his blessing for your family, your church, and your world.

An intimate, revealing portrait of Frank Sinatra—from the man closest to the famous singer during the last decade of his life. More than a hundred books have been written about legendary crooner and actor Frank Sinatra. Every detail of his life seems to captivate: his career, his romantic relationships, his personality, his businesses, his style. But a hard-to-pin-down quality has always clung to him—a certain elusiveness that emerges again

and again in retrospective depictions. Until now. From Sinatra's closest confidant and an eventual member of his management team, Tony Oppedisano, comes an extraordinarily intimate look at the singing idol. Deep into the night, for more than two thousand nights, Frank and Tony would converse—about music, family, friends, great loves, achievements and successes, failures and disappointments, the lives they'd led, the lives they wished they'd led. In these full-disclosure conversations, Sinatra spoke of his close yet complex relationship with his father, his conflicts with record companies, his carousing in Vegas, his love affairs with some of the most beautiful women of his era, his triumphs on some of the world's biggest stages, his complicated relationships with his talented children, and, most important, his dedication to his craft. Toward the end, no one was closer to the singer than Oppedisano, who kept his own rooms at the Sinatra residences for many years, often brokered difficult conversations between family members, and held the superstar entertainer's hand when he drew his last breath. Featuring never-before-seen photos and offering startlingly fresh anecdotes and new revelations that center on some of the most famous people of the past fifty years—including Jackie Kennedy, Marilyn Monroe, Sam Giancana, Madonna, and Bono—*Sinatra and Me* pulls back the curtain to reveal a man whom history has, in many ways, gotten wrong.

God Is Looking For A Church To Bless God wants to transform his church into a people of power, joy, and peace Jim Cymbala reminds us that Christianity is only as strong as the local church and that God wants to bless our churches in ways we can't possibly imagine. It doesn't matter whether a church is alive and growing or barely surviving on life support. God has a plan for it. It doesn't matter whether a church is facing financial challenges, internal divisions, or strife among its leaders. God has a plan for it. God is able to deal with any problem a

church will ever face--as long as his people earnestly seek him. As the pastor of The Brooklyn Tabernacle, Cymbala knows that God's blessing and grace is available to us today just as much as it was in the early church, when thousands of people became believers despite the fact that the church lacked everything we consider vital: church buildings, seminaries, printed materials, sound systems, choirs, and money. None of these things mattered. What mattered was that God's hand was on the church, working through his people to build the kingdom. Then, as now, God chose the church to manifest his presence to the world. In this companion book to *The Life God Blesses*, Cymbala describes the kind of church God wants to bless and use. Based on the Word of God and personal experience, *The Church God Blesses* describes the key elements found in a vitally alive church and offers church leaders and individual Christians a fresh and invigorating look at what God intends the church to be. The church God blesses is not necessarily the largest, newest, or loudest church in town. Instead, it's a place where believers: \* Receive solid spiritual nourishment \* Can trust in God's protection \* Engage in vital praise and worship \* Become effective in ministry \* Learn that confession of sin is the channel to God's power

DIV Through his travels, Alvin Slaughter has seen a pervasive weariness and discouragement in the body of Christ. He knows the signs because he has been there himself. Despite being in church all of his life, knowing every song and countless scriptures, Slaughter struggled with fear, depression, financial failure, and marital strife. Today, he is on the other side of the failures and self-doubts. He's come to know that the life of faith is real, and he wants others to learn from his experiences. In *Reinvent Your Life*, he uses his story as a backdrop to give you the tools you need to overcome whatever troubles they are going through. His casual storytelling and captivating humor allow him to transcend barriers of every kind and speak to the challenges of life that are common to all. /div

Locked in to an impossible life, Chrissy found release from a surprising direction. *Girl in the Song* tells the gripping, true story of a young woman whose choices led her to despair and incredible triumph. Biblical stories of eighteen New Testament women who Jesus encouraged, empowered and loved. How could a Man who had no wife, no children, no home, no job, no money and wandered the hills of Judea with twelve men relate to women He knew, much less women in the 21st century? That's the question that led author Dorothy Valcarcel to search for biblical women whose lives intersected with Jesus and as she discovered every woman Jesus met, faced many of the same challenges women encounter today. In *The Man Who Loved Women* you'll meet Mary, trying to raise a perfect child in an imperfect world...Joanna, whose "Mr. Right" and his money could not buy her health or happiness...Martha, whose busywork distracted her from life's most meaningful moments...and many more.

**The Faith Once for All** Charisma Media  
Carol Cymbala's ministry in a tough inner-city neighborhood in New York can be summed up in one word: unlikely. She is the director and songwriter for a Grammy Award-winning choir—yet she doesn't read

music. She is the pastor's wife in a 6,000-member congregation filled with people of color—and she is white. A shy girl who struggled to get through school, she is the last person you'd expect to stand before a packed house at Radio City Music Hall, confidently directing The Brooklyn Tabernacle Choir. But Carol's God is the God of the unlikely. *He's Been Faithful* tells the story of the way God works despite—or maybe because of—our many inadequacies. Because of how God has worked in her own life and in The Brooklyn Tabernacle and its world-famous choir, she knows how crucial it is to remember our desperate need for God. But Carol's faith hasn't always come easily. There have been times of wavering and challenge, like the time a man walked down the aisle of the church pointing a gun at her husband, Jim. Or like the time she was assaulted outside the church. Or like the time she wanted to pack up her children and run away from the city for good because of what was happening to her family. *He's Been Faithful* is an honest story about the struggles we all face and the power of God to help us. It is told through Carol's eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways. Through them, we learn that our longings for God will never be satisfied by worship that is showy or performance-based. Instead, God will meet us when we come to him simply, seeking his glory rather than ours, telling him and the world around us about the great things he has done. Whether you are a pastor, a choir director, or someone who is seeking a deeper experience of

God, *He's Been Faithful* will renew your faith and increase your understanding that only Jesus can fill that deep, deep longing we all have for something more in life.

The Church today is in the middle of a powerful storm, the intensity of which is likely to increase in the future. Many Christians are bewildered and concerned by what they see—a culture that's become increasingly hostile to biblical Christianity and a church whose vital signs are quickly waning. In *Strong through the Storm*, pastor and bestselling author Jim Cymbala speaks to every Christian who is concerned about the challenges the church is facing in America today. Using powerful stories of people who have been transformed by Christ, Cymbala offers hope, helping Christians to understand that a life surrendered to Christ will not be easily defeated, even in the midst of growing hostility toward Christians. No matter how much spiritual darkness encompasses the world, the light of the gospel cannot be suppressed. Some churches are coming at the storm with harsh legalism, but Cymbala explains that the message needs to be grace. We need to understand the spiritual battle we are in and use the right weapons against it, says Cymbala. We are not struggling against the leaders of this world or the people in the battle, we are struggling against our spiritual enemy, and we need to fight with the Word of God, prayer, and the Holy Spirit. We don't need more church growth programs to turn the church around. What's needed is a transformation so that the gospel is preached, the Holy Spirit is allowed to lead, and lives are changed.
