A New Latin-English Dictionary

ABC-CLIO
You wanted the truth, you got the truth—the hottest book

in the world! Fueled by an explosive mix of makeup, costumes, and attitude, KISS burst onto the music scene thirty years ago and has become a rock institution. The band has sold more than eighty million records, has broken every concert attendance record set by Elvis Presley and the Beatles, stands behind the Beatles alone in number of gold records from any group in history, and

has spawned more than 2,500 licenses. There would have been no KISS without Gene Simmons, the outrageous star whose superlong tongue, legendary sexual exploits, and demonic makeup have made him a rock icon. KISS and Make-Up is the wild, shocking, unbelievable story, from the man himself, about how an immigrant boy from Israel studied to be a rabbi, was

saved by rock and roll, and became one of the most notorious rock stars the world has ever seen. Before Gene Simmons there was Chaim Witz, a boy from Haifa, Israel, who had no inkling of the life that lay ahead of him. In vivid detail Gene recounts his childhood growing up in Haifa under the watchful eye of his beloved, strong-willed mother, a concentration camp survivor; his adolescent

years attending a Jewish theological center for rabbinical studies in Brooklyn; his love of all things American, including comic books, superheroes, and cowboys; and his early fascination with girls and sex, which prompted him to start a rock band in school after he saw the Beatles on The Ed Sullivan Show. KISS and Make-Up is not just the classic story of achieving the American

dream through the eyes of an immigrant boy making good, but a juicy, rollicking rock and roll read that takes you along for the ride of your life with KISS, from the 1970s, when they were the biggest band in the world, through the '80s, when they took off their world-famous war paint, and into the '90s, when they came back bigger and badder than ever to become the number one touring band in the world.

In his own irreverent, unapologetic voice, Gene talks about the girls (4,600 of them and counting); his tight bond with KISS cofounder Paul Stanley; the struggles he and Paul had with Ace Frehley and Peter Criss and their departures from the group; the new band members and Eric Carr's untimely death; the enormous love and affection he has for the people who put him there

in the first place—the KISS Army and the ever-loyal KISS fans around the world; his love life, including stories about his relationships with Cher and Diana Ross and with Shannon Tweed, Playmate of the Year, mother of his son and daughter, and his companion of eighteen years; and much more. Full of dozens of photographs, many never-before-seen pictures from Gene's private

collection, KISS and Make-Up is a surprising, intimate look at the man behind the mask. For the first time Gene reveals all the facets of his complex personality—s on, rock star, actor, record producer, businessman, ladies' man, devoted father, and now author. *The Athenaeum* Ten Speed Press The G.A. Henty Megapack collects 20 classic adventure novels -- more

introduces a brand-new superhero with a colorful array of superpowers. Ashley Rayburn is an upbeat girl with a decidedly downbeat past. Her father is a known criminal who now sits in federal prison, but still casts a shadow over Ashley's life. Ashley has bounced from foster home to foster home and represents a real challenge to the social workers who try to help her-not

because she's inherently bad, but because trouble always seems to find her. Ashley's latest set of (presumably short-term) foster parents are Kitch and Yuka Nolan. Like Ashley, Kitch is an artist, while Yuka is a geneticist working for a very high-level tech company that's contracted out to work for the government and the military. And it's Yuka's latest top-secret project that has her concerned.

Developed for the military, it's a set of body paints that, when applied to the wearer, grant them a wide range of special powers. Fearful that this invention will be misused, Yuka sneaks the set of paints home. Ashley comes home from school one day with her new friend Luke and, thinking that the Nolans have purchased a surprise gift for her upcoming birthday, finds the set of

paints. It isn't long before she realizes that she's stumbled upon something much bigger...and a lot more dangerous. Although she uses her newly discovered powers for good, it's not long before the military becomes wise to what happened to their secret weapon. And this spells big trouble not only for Ashley, but for her newfound family and friends, as well.

its mixture of

tenderness

and rage." -

New York

Times Book

Review

Described by

the author as

his "best and

most literary

book." Puzo's classic story about the loves, crimes and struggles confronted by one family of New York City immigrants living in Hell's Kitchen. Fresh from the farms in Italy, Lucia Santa struggles to hold her family together in a strange land.

At turns poignant, comic and violent, *The Fortunate Pilgrim* is Italian-American fiction at its very best. The book's hero, Lucia Santa, is an incredibly

captivating character and based on Puzo's very own mother - he describes, "her wisdom, her ruthlessness, and her unconquerable love for her family and for life itself, qualities not valued in women at the time."

60 authors, representing the fields of archaeology, art history, epigraphy, geography, and ethnography, who explore cutting-edge research on every major facet of the ancient Maya and all sub-regions within the Maya world. The Maya world, which covers Guatemala, Belize, and parts of Mexico, Honduras, and El Salvador, contains over a hundred ancient sites that are open to tourism, eight of which are UNESCO World Heritage Sites, and many thousands more that have been dug or await investigation. In addition to captivating the lay public, the ancient Maya have attracted scores of major interdisciplinary research expeditions and hundreds of smaller projects going back to the 19th century, making them one of the best-known ancient cultures. The Maya World explores their renowned writing system, towering stone pyramids, exquisitely painted murals, and elaborate funerary tombs as well as their creative agricultural strategies, complex social, economic, and political relationships, widespread interactions with other societies, and remarkable cultural resilience in the face of historical ruptures. This

is an invaluable reference volume for scholars of the ancient Maya, including archaeologists, historians, and anthropologists.

Kodansha International (FAQ). The

Rocky Horror Picture Show FAQ is the in-depth story of not only the legendary stage show and movie but of a unique period in theatrical history in the movie's UK homeland as well as overseas. Rocky Horror has been performed worldwide for more than 40 years in over 30 countries and has been translated into more than 20 languages. Inside these pages, we see Rocky Horror as sexual cabaret and

political subversion, as modern mega-hit and Broadway disaster. At the movie house, we learn when to shout, what to throw and why people even do those things. Here is the full story of the play's original creation; its forebears and its influences are laid out in loving detail, together with both the triumphs and tragedies that attended it across the next 40 forty years. Packed with anecdotes,

The Rocky Horror Picture Show FAQ is the story of dozens of worldwide performances and the myriad stars who have been featured in them. From Tim Curry to Anthony Head, from Reg Livermore to Gary Glitter, from Daniel Abineri to Tom Hewitt, the lives and careers of the greatest ever Frank N. Furters stalk the pages, joined by the Riff-Raffs, Magentas, Columbias, and all. The book also

includes the largest and most in-depth Rocky Horror discography ever published, plus a unique timeline The Ultimate Rocky Horror Chronology detailing the who, what, where, and when of absolute pleasure. **Kiss and Make-Up** The Story of Ferdinand Ferdinand likes to sit quietly and smell the flowers, but one day he gets stung by a bee and his snorting and stomping convince

everyone that he is the fiercest of bulls. Classic Walks of the World Classic Rock How can so many people pledge allegiance to punk, something with no fixed identity? Depending on who and where you are, punk can be an outlet, excuse, lifestyle, escapism, conversation, community, ideology, sales category, social movement, punishable offense, badge of authenticity, reason to drink beer forever, or an aesthetic of belligerent incompetence. And if someone has a strong belief about what punk is, odds are they have even stronger feelings about what punk is not. Sam McPheeters championed many different versions. Over the course of two decades, he fronted Born Against, released dozens of records and fanzines, and toured seventeen times across the northern hemisphere. In this collection of essays, profiles, criticism, and personal history, he examines the diverse realms he intersected-- New York hardcore, Riot Grrrl, Gilman street, the hidden enclaves of Olympia, and New England, and downtown Los Angeles-- and the forces of mental illness and creative inspiration that drove him, and others, in the first place.
