International GCSE (IGCSE) Mathematics

June 2020 Potential Papers Edexcel

GCSE Maths 2015

This volume meets all the assessment requirements of the Edexcel specification, however, it is also suitable for students following other specifications.

Introduction to Number Theory Letts and Lonsdale

SHP Advanced History Core Texts offer: - clear and penetrating narrative - comprehensively explaining the content required for examination success - thought provoking and relevant activities that explore the content and help students think analytically about the subject - thorough exam preparation through carefully designed tasks - a wide range of revision strategies including structured content summaries Additional features include: - A focus route pathway for independent learners - Learning Trouble Spots - which address common

misunderstandings - diagrammatic summaries of key areas of content and historical issues - accessible summaries of recent historical debates. Weimar and Nazi Germany is a comprehensive core text investigating the history of Germany from the foundation of the Weimar Republic in 1918 to the collapse of the Nazi regime in 1945. It covers all the exam modules on twentieth-century Germany and is ideal for students studying AS or A level or equivalent for any examination board.

exams \*Hints provide support and guidance to access questions and address common misconceptions \*Organised by strand for easy integration into any teaching programme.

Edexcel GCSE Mathematics Nelson Thornes

Test questions are provided for each chapter of this textbook, together with detailed mark schemes to make assessment easy. Two versions of each question are provided. One allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order.

Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organized by unit/chapter is also included in this resource.

### **Key Maths GCSE** Heinemann

Our revision resources are the smart choice for those revising for the GCSE (9-1) Maths exams.
