Don Miguel Ruiz es el autor de Los cuatro

acuerdos (The Four Agreements). El maestro de sabiduría espiritual y autor del extraordinario best seller internacional del New York Times Los cuatro acuerdos lleva a los lectores en un místico viaje personal inspirado en los Toltecas, abordando un nivel más profundo de doctrina espiritual y conciencia. En este libro, don Miguel Ruiz describe el viaje espiritual más profundo de su vida. Ese viaje es en realidad un vistazo a la vida de don Miguel, un profundo encuentro místico con las personas, las circunstancias y las ideas que lo hicieron quien es, tal como él lo experimentó en un sueño durante las nueve semanas que duró el coma en el que estuvo tras un ataque al corazón que sufrió en febrero de 2002. La narración a través de la cual imparte sabiduría sobre lo material y lo inmaterial está revestida de fantasía descriptiva. Asimismo, el lenguaje es rico en alegorías y simbología

de las cosas que se valoran y que nos aferran a la vida y a otros. Esta obra es lo que él ha denominado su legado, el compendio de las experiencias de su vida y la sabiduría que ha adquirido, pues, como él dice, «un legado es todo lo que somos, la totalidad de nosotros mismos». «A aquellos que deseen aprender de mis palabras, les ofrezco las experiencias de mi vida», dice don Miguel. «Escuchen, vean, atrevanse a cambiar su propio mundo, un mundo hecho de pensamientos y de respuestas automáticas. Permitan que los acontecimientos de mi vida les inspiren nuevas percepciones sobre su propio sueño y sus desafíos actuales», desafía a los lectores. The Actor Hierophant Publishing

The ancient Toltecs believed that life as we perceive it is a dream. We each live in our own personal dream, and all of our dreams come together to make the Dream of the Planet. Problems arise when we forget that the dream is just a dream and fall victim to believing that we have no control over it. "The Mastery of Self" takes the Toltec philosophy of the Dream of the Planet and the personal dream and explains how a person can: Wake up, Liberate themselves from illusory beliefs and stories, Live with authenticity. Once released, we can live as our true, authentic, loving self, not only in solitude and meditation, but in any place--at the grocery store, stuck in traffic, etc.--and in any situation or scenario that confronts us. The Ruiz family has an enormous following, and this new book from don Miguel, Jr. will be greeted with enthusiasm by fans around the world. The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller *The Four Agreements* with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In *The Four Agreements*, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these

questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz's transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.

In *The Voice of Knowledge*, Miguel Ruiz reminds us of a profound and simple truth: The only way to end our emotional suffering and restore our joy in living is to stop believing in lies — mainly about ourselves. Based on ancient Toltec wisdom, this breakthrough book shows us how to recover our faith in the truth and return to our own common sense. Ruiz changes the way we perceive ourselves, and the way we perceive other people.

Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. "We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection." — don Miguel Ruiz • From the international bestselling author of *The Four Agreements* • A New York Times bestseller • Over 300,000 copies sold in the U.S.

• The secret sexual energy practices of Toltec-Mayan shamans revealed at last. • The author studied with don Juan Matus and the same circle of Nagual sorcerers who taught Carlos Castaneda. • Offers specific step-by-step instructions for mastering the ancient sexual techniques that lead to spiritual transformation. Readers of Carlos Castaneda have often complained that his work in ancient Mesoamerican shamanism never covered sexual practices beyond celibacy. With his death in 1998 it seemed that these practices might never be revealed, but fortunately Marilyn Tunneshende has stepped in. Set against the backdrop of the golden deserts of Sonora, Mexico, Don Juan and the Art of Sexual Energy recounts Tunneshende's initiation into the ancient sexual energy practices of the Toltec-Mayan tradition. Under the tutelage of don Juan Matus, Chon Yakil (whom Castaneda referred to as Don Genaro), and dona Celestina de la Soledad, she learns to reclaim her feminine power and balance the masculine and feminine forces within herself. At the heart of the book is the mythical Rainbow Serpent: the phallic energy within women, the creative power within men. Each chapter focuses on a particular technique for awakening the serpent and connecting with its energy. Twenty-two sequential practices are covered, providing a powerful program for serious spiritual transformation.

A Practical Guide to the Art of Relationship Harper Collins

We all think we know what love is. We know it from the songs, romantic comedies and stories that we have been told since childhood. But what if love is not what we have been taught to believe? How can we transcend the idea of love that has been instilled in us, and how can we overcome the habits of a lifetime and discover a pure, unconditional love? Don Miguel Ruiz and Barbara Emrys show us that it is possible to love others and ourselves much more authentically and generously. One by one, Don pulls back the veils that prevent us from glimpsing the true nature of love so that we can transcend the idea that has been programmed into us. Through the transformative power of awareness and attention, we will learn to see beyond our stories about love—those that we are told, but also those that we tell ourselves—so that we can change the way we think and react. Once you set the illusions aside, you can see yourself as pure energy and also decide where to direct that energy. And when the energy of love rules your existence, amazing transformations are possible in every moment...

For generation after generation, Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life.

In *The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life*, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of "witch doctor," the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.
