Macmillan

Japan, 1865, the women's palace in the great city of Edo. Bristling with intrigue and erotic rivalries, the palace is home to three thousand women and only one man - the young shogun. Sachi, a beautiful fifteen-year-old girl, is chosen to be his concubine. But Japan is changing, and as civil war erupts, Sachi flees for her life. Rescued by a rebel warrior, she finds unknown feelings stirring within her; but this is a world in which private passions have no place and there is not even a word for 'love'. Before she dare dream of a life with him, Sachi must uncover the secret of her own origins - a secret that encompasses a wrong so terrible that it threatens to destroy her ....

*The Courtesan and the Samurai*

Candlewick Press

Here are ten of the greatest and best-loved Greek legends retold with warmth and humour for young children and illustrated with bright, friendly artwork.

Meet Theseus and the Minotaur, Odysseus, Pandora, King Midas and a whole cast of larger-than-life characters in a series of extraordinary adventures. The perfect introduction to Greek Myths.

*The Last Concubine* University of Toronto Press

1868. In Japan's exotic pleasure quarters, sex is for sale and the only forbidden fruit is love ... Hana is just seventeen when her husband goes to war, leaving her alone and vulnerable. When enemy soldiers attack her house she flees across the shattered city of Tokyo and takes refuge in the Yoshiwara, its famous pleasure-quarters. There she

is forced to become a courtesan. Yozo, brave, loyal and a brilliant swordsman, is pledged to the embattled shogun. He sails to the frozen north to join his rebel comrades for a desperate last stand. Defeated, he makes his way south to the only place where a man is beyond the reach of the law - the Yoshiwara. There in the Nightless City where three thousand courtesans mingle with geishas and jesters, the battered fugitive meets the beautiful courtesan. But each has a secret so terrible that once revealed it will threaten their very lives ...

**Democracy in Europe** Olschki

Un bel mattino passeggiavo con mio padre, secondo il nostro costume; eravamo inseparabili; s'egli andava in un luogo senza di me, di là a un poco mi vedeano spuntare; pareva che sapessi di doverlo perdere così presto. Ero in su que' bei diciott'anni, e su que' bei colli veronesi. La strada che talora serviva di letto al torrente, serpeggiava profonda, sassosa, sdrucchiola, tutta segnata sulla creta, dalle unghie fesse delle pecore, e dalle scarpe ferrate dei montanari. Due file di càrpini e di querce scapitozzate con macchie di rovi legate insieme da volubili madriselve sorgevano ombrose sull'alto delle due ripe, più a guisa di parete che di siepe, lasciando cadere dai cigli corrosi le pendole barbe delle radici nude.

Or, Passages in the Life of an Italian

Routledge

On Tyranny is Leo Strauss's classic reading of Xenophon's dialogue, Hiero or Tyrannicus, in which the tyrant Hiero and the poet Simonides discuss the advantages and disadvantages of exercising tyranny. This edition includes a translation of the dialogue, a critique of the commentary by the French philosopher Alexandre Kojève, Strauss's

restatement of his position in light of Kojève's comments, and finally, the complete Strauss-Kojève correspondence. "Through [Strauss's] interpretation Xenophon appears to us as no longer the somewhat dull and flat author we know, but as a brilliant and subtle writer, an original and profound thinker. What is more, in interpreting this forgotten dialogue, Strauss lays bare great moral and political problems that are still ours." —Alexandre Kojève, Critique "On Tyranny is a complex and stimulating book with its 'parallel dialogue' made all the more striking since both participants take such unusual, highly provocative positions, and so force readers to face substantial problems in what are often wholly unfamiliar, even shocking ways." —Robert Pippin, History and Theory "Every political scientist who tries to disentangle himself from the contemporary confusion over the problems of tyranny will be much indebted to this study and inevitably use it as a starting point."—Eric Voegelin, The Review of Politics Leo Strauss (1899-1973) was the Robert Maynard Hutchins Distinguished Service Professor of Political Science at the University of Chicago.

### **The Greeks and Greek Civilization**

Penguin UK

In his Historical Essay on the Neapolitan Revolution of 1799, Cuoco synthesized the work of Machiavelli, Vico, and Enlightenment philosophers to offer an explanation for why and how revolutions succeed or fail.

On Tyranny Oxford University Press

After Sir Isaac Newton revealed his discovery that white light was compounded of more basic colored rays, he was hailed as a genius and became an instant international celebrity. An

interdisciplinary enthusiast and intellectual giant in a number of disciplines, Newton published revolutionary, field-defining works that reached across the scientific spectrum, including the Principia Mathematica and Opticks. His renown opened doors for him throughout his career, ushering him into prestigious positions at Cambridge, the Royal Mint, and the Royal Society. And yet, alongside his public success, Newton harbored religious beliefs that set him at odds with law and society, and, if revealed, threatened not just his livelihood but his life. Religion and faith dominated much of Newton's life and work. His papers, never made available to the public, were filled with biblical speculation and timelines along with passages that excoriated the early Church fathers. Indeed, his radical theological leanings rendered him a heretic, according to the doctrines of the Anglican Church. Newton believed that the central concept of the Trinity was a diabolical fraud and loathed the idolatry, cruelty, and persecution that had come to define religion in his time. Instead, he proposed a "simple Christianity"—a faith that would center on a few core beliefs and celebrate diversity in religious thinking and practice. An utterly original but obsessively private religious thinker, Newton composed several of the most daring works of any writer of the early modern period, works which he and his inheritors suppressed and which have been largely inaccessible for centuries. In Priest of Nature, historian Rob Iliffe introduces readers to Newton the religious animal, deepening our understanding of the relationship between faith and science at a formative moment in history and thought. Previous scholars and biographers have generally underestimated the range and

complexity of Newton's religious writings, but Iliffe shows how wide-ranging his observations and interests were, spanning the entirety of Christian history from Creation to the Apocalypse. Iliffe's book allows readers to fully engage in the theological discussion that dominated Newton's age. A vibrant biography of one of history's towering scientific figures, *Priest of Nature* is the definitive work on the spiritual views of the man who fundamentally changed how we look at the universe.

*The Orchard Book of First Greek Myths*

First Avenue Editions

Peppa fans will be royally pleased to discover this pop-up play set with press-out characters — presided over by Princess Peppa, of course! All hail Princess Peppa! There's so much to do at Peppa's royal residence. Children are invited to explore the castle's many majestic rooms with press-out figures of Princess Peppa, Prince George, and their family and friends. After entering through the working gate, they'll want to peek into Peppa's closet and read the mini storybook telling all about Peppa's day at the castle. It's a Peppa fairy tale come true!

Tony Lightspeed is always bringing home sick and injured animals, so when he turns up with an unconscious man dressed from head to toe in rather stinky bandages, his family aren't too surprised. But then they discover that the man is an ancient Egyptian pharaoh named Sennapod, who has been dead for over 4,000 years. Brought back to life by two dastardly grave robbers, Sennapod is on the run. Can he persuade the Lightspeeds to help him?

**Sparta e Atene, eterne rivali. Ediz. a colori** Ed. di Storia e Letteratura

Traditional folk stories, myths, and fables to encourage children to learn about different cultures.

*The Tragedies of Seneca* Penguin UK

This bestselling, seminal book - a general survey of Europe in the era of 'Renaissance and Reformation' - was originally published in Denys Hay's famous Series, 'A General History of Europe'. It looks at sixteenth-century Europe as a complex but interconnected whole, rather than as a mosaic of separate states. The authors explore its different aspects through the various political structures of the age - empires, monarchies, city-republics - and how they functioned and related to one another. A strength of the book remains the space it devotes to the growing importance of town-life in the sixteenth century, and to the economic background of political change.

**The First Book of Euclid's Elements**

Random House

A companion to the epic poem *Paradise Lost*, John Milton's *Paradise Regained* describes the temptation of Christ. After Adam and Eve are expelled from the Garden of Eden, Satan and the fallen angels stay on earth to lead people astray. But when God sends Jesus, the promised savior, to earth, Satan prepares himself for battle. As an adult, Jesus goes into the wilderness to gain strength and courage. He fasts for 40 days and nights, after which Satan tempts him with food, power, and riches. But Jesus refuses all these things, and Satan is defeated by the glory of God. This is an unabridged version of Milton's classic work, which was first published in England in 1671.

**The Indian Yearbook of Comparative Law 2016** Random House

A fable for children and adults: a story of life, death, and terrorism—in the grand

tradition of Exupéry's *The Little Prince*. When we first meet 93-year-old millionaire Baron Lamberto, he has been diagnosed with 24 life-threatening ailments—one for each of the 24 banks he owns. But when he takes the advice of an Egyptian mystic and hires servants to chant his name over and over again, he seems to not only get better, but younger. Except then a terrorist group lays siege to his island villa, his team of bank managers has to be bussed in to help with the ransom negotiations, and a media spectacle breaks out . . . A hilarious and strangely moving tale that seems ripped from the headlines—although actually written during the time the Red Brigades were terrorizing Italy—Gianni Rodari's *Lamberto, Lamberto, Lamberto* has become one of Italy's most beloved fables. Never before translated into English, the novel is a reminder, as Rodari writes, that "there are things that only happen in fairytales."

*Illustrated English Social History* Penguin  
This book is about the Renaissance revitalization of classical drama. Using a cultural and theatrical approach, it shows how Italian playwrights made ancient tragedy relevant to their audiences. The book challenges the traditional critical approach to the Italian Renaissance tragedy as a mere literary work, and calls attention to the complementary function of the theatrical text, which is 'reconstructed' from the stage directions embedded in the discourse of the characters.

*Paradise Regained* Candlewick  
Entertainment

This history traces the development of democracy in Europe from its origins in ancient Greece up to the present day. Considers all the major watersheds in the development of democracy in

modern Europe. Describes the rediscovery of Ancient Greek political ideals by intellectuals at the end of the eighteenth century. Examines the twenty-year crisis from 1789 to 1815, when the repercussions of revolution in France were felt across the European continent. Explains how events in France led to the explosion of democratic movements between 1830 and 1848. Compares the different manifestations of democracy within Eastern and Western Europe during the latter half of the nineteenth century. Considers fascism and its consequences for democracy in Europe during the twentieth century. Demonstrates how in the recent past democracy itself has become the object of ideological battles.

The State Che storia!

The landmark study of ancient Greek civilization by a renowned nineteenth-century scholar and historian sheds new light on Greek culture and its influence that rejects the long-held myth of the Greek democratic state. 25,000 first printing.

An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing

death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. *Confessions of an Italian*, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's *Deliver Us* and Ottavio Cappellani's *Sicilian Tragedy* and Sergio Luzzatto's *Padre Pio: Miracles and Politics in a Secular Age*. Lucy Riall is Professor of Comparative History at the European University Institute. Her many books include *Garibaldi. Invention of a Hero*. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo

really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so abundant in foreign literatures' - Italo Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnero 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - *The Literary Encyclopedia*

*A History of an Ideology* Usborne Pub Limited

National Book Award winner M. T. Anderson returns to future Earth in a sharply wrought satire of art and truth in the midst of colonization. When the vuvv first landed, it came as a surprise to aspiring artist Adam and the rest of planet Earth — but not necessarily an unwelcome one. Can it really be called an invasion when the vuvv generously offered free advanced technology and cures for every illness imaginable? As it turns out, yes. With his parents' jobs replaced by alien tech and no money for food, clean water, or the vuvv's miraculous medicine, Adam and his girlfriend, Chloe, have to get creative to survive. And since the vuvv crave anything they deem classic Earth culture (doo-wop music, still life paintings of fruit, true love), recording 1950s-style dates for the vuvv to watch in a pay-per-minute format seems like a brilliant idea. But it's hard for Adam and Chloe to sell true love when they hate each other more with every passing episode. Soon enough, Adam must decide how far he's willing to go — and what he's willing to sacrifice — to give the vuvv what they want.

**Pamphlet C.e** University of Chicago Press

This essay, clearly written and without technical scholarly apparatus, presents the heart of Casel's theology of mystery,

summing up his view that the encounter with the divine Mystery in liturgy is the most central and most essential action of the Christian religion.
