Farewell to a Ghost Penguin UK

Purushottam Dev, the Prince of Kalinga is a staunch devotee of Lord Jagannath of Puri. During a ride in a forest he meets and falls in love with Princess Padmavati of Kanchi. According to tradition, Purushottam Dev sweeps the chariot of Jagannath during the Car Festival. Padmavati's father is furious when he hears of this and refuses to marry his daughter to one who wields a broom. He humiliates Purushottam Dev who vows to take revenge despite his love for the princess. Padmavati despairs and is ready to end her life. But things suddenly take a turn for the better after Lord Jagannath himself assures Purushottam of his support.This Amar Chitra Katha is based on a legend from Orissa.

The Crocodiles Lady Prabhat Prakashan

The Remote Town Of Nijanpur Has Never Disclosed The Secret That Shrouds Its Past But This Novel Knows All That.

My Little India My City Links

This is a bunch of stories of eminent writer Prof. Manoj Das, falling into an odd category where he has taken advantage of the wide range of freedom and flexibility fantasy as a form allows, but that he has done only in order to present observations on mice and men that are aspects of probability and reality at different psychological and occult planes. Of the eleven stories (the twelfth is almost a novelette), seven are expansions of and development over tales from the Jatakas and the Panchatantra. The narration clearly indicates the point where the original version ended so far as the plot is concerned (even though that part too is retold by the author in his own way in keeping with the totality of the story), and then from where the author builds up or expands the narrative according to his own inspiration. To leave no scope for any ambiguity, readers the bare outlines of the original versions though they are widely known.

Village By The Sea In Orissa, The Reminiscences Are Imbued With A Childlike Sense Of Wonder. An Invaluable Record Of Village Life In Early Twentieth Century India.

Sakshi gopal Oxford University Press, USA

The second decade (2010-2019) of the new millennium was significant for India. Her rise in a multipolar world had its fitting moments. Powered by a rapidly expanding economy and a favorable demographic trend, India charted its own course to success with a few assertive steps for an optimistic future. Change was more glaring in India during this period when it came to politics. From several surprising debuts to quite a few shocking election wins, the last decade witnessed a massive change in the political situation. Prime Minister Narendra Modi came to power with a thumping victory in 2014 and was re-elected for a second term in 2019 with an even bigger margin. The Congress, on the other hand, was reduced to nothing. Whether it was the revocation of Article 370 or the Ram Mandir verdict, the politico-religious landscape changed a lot in these ten years. These mutable dynamics with shifting of the political narrative from liberal to the right meant one thing: the government would be decisive in action and would not hesitate from taking radical steps if something was in the national interest. Imposing the GST, demonetization were the radical steps taken which had its share of miseries as well. This book is a throwback to those episodic events – economic, social, political, and developmental plus a sundry lot.
