WELCH SUTTON

Fluency Kit 1 McGraw-Hill
Education
This resource book is
designed to assist

teachers in implementing
California's history-social
science framework at the
10th grade level. The
models support
implementation at the
local level and may be
used to plan topics and
select resources for
professional development
and preservice education.

This document provides a
link between the
framework's course
descriptions and teachers'
lesson plans by
suggesting substantive
resources and
instructional strategies to
be used in conjunction
with textbooks and
supplementary materials.

The resource book is divided into eight units: (1) "Unresolved Problems of the Modern World"; (2) "Connecting with Past Learnings: The Rise of Democratic Ideas"; (3) "The Industrial Revolution"; (4) "The Rise of Imperialism and Colonialism: A Case Study of India"; (5) "World War I and Its Consequences"; (6) "Totalitarianism in the Modern World: Nazi Germany and Stalinist Russia"; (7) "World War II: Its Causes and Consequences"; and (8) "Nationalism in the

Contemporary World." Each unit contains references.
