novels that brim with real heart and humor. A story sure to delight all lovers of contemporary women's fiction—especially fans of Sofia Kinsella, Emily Giffin, and *Sex and the City*—*I Heart Paris* is a love letter to the most romantic metropolis in the world. Lindsey Kelk brings all the excitement and *joie de vivre* of Paris, France, to breathtaking life, as Angela, seduced by the fabled Parisian allure, struggles to

keep her own love relationship, and her career, from falling apart.

 In Marry Him and Be Submissive, Costanza Miriano dishes on all the hurdles and difficulties that real women face in dating, marriage, and

motherhood. **Judith** Cate Lawley A perennial bestseller in the wizarding world and one of the most popular books in the Hogwarts School library, Quidditch Through the Ages contains all you will ever need to know about the history, the rules - and the breaking of the rules - of the noble sport of Quidditch. Packed with fascinating facts, this definitive guide by the esteemed Quidditch

writer Kennilworthy Whisp charts the game's history from its early origins in the medieval mists on Queerditch Marsh, through to the modern-day sport loved by so many wizard and Muggle families around the world. With comprehensive coverage of famous Quidditch teams, the commonest fouls, the development of racing brooms, and much more, this is a must-

have sporting bible for all Harry Potter fans, Quidditch lovers and players, whether the weekend amateur or the seasoned Chudley Cannons season-ticket holder. This brand new edition of the most famous sports book in the wizarding world pairs J.K. Rowling's original text, with gorgeous jacket art by Jonny Duddle and line illustrations throughout by Tomislav Tomic. A contribution

from the sale of each book will go to Comic Relief. Marry Him and Be Submissive Open Court "The meaning of life is the most urgent of questions," said the existentialist thinker Albert Camus. And no less a philosopher than Woody Allen has wondered: "How is it possible to find meaning in a finite world, given my waist and shirt size?" "Movies and the Meaning of Life" looks at popular and cult movies,

examining their assumptions and insights on meaning-of-life questions: What is reality and how can I know it? (The Truman Show, Contact, Waking Life); How do I find myself and my true identity? (Fight Club, Being John Malkovich, Boys Don't Cry, Memento); How do I find meaning from my interactions with others? (Pulp Fiction, Shadowlands, Chasing Amy); What is the chief purpose

<p>in life? (American Beauty, Life is Beautiful, The Shawshank Redemption); and How ought I live my life? (Pleasantville, Spiderman, Minority Report, Groundhog Day). <u>The Hobbit</u> HarperCollins UK "... The author continues his association with Hamlet by taking the most famous and best loved lines from Shakespeare's play and condensing them into a hilarious thirteen</p>	<p>minute version. This miraculous feat is followed by an encore which consists of a two-minute version of the play! The vast multitude of characters are played by six actors with hectic doubling, and the action takes place at a shortened version of Elshore Castle."-- Publisher description. <i>No Ordinary Billionaire</i> Random House A shoemaker's apprentice runs away from his</p>	<p>unreasonable master and embarks on a week's adventures with a dog and an orphan girl. <u>The Five Laws of Library Science</u> Bloomsbury Children's Books Set in the town of Travnik, Bosnian Chronicle presents the struggle for supremacy in a region that stubbornly refuses to submit to any outsider. scope and psychological subtlety, Tolstoyan. In its portrayal of conflict and fierce ethnic loyalties, the story is also eerily relevant. Ottoman viziers, French consuls, and Austrian plenipotentiaries are consumed by an endless game of diplomacy and double-dealing: expansive and courtly face-to-face, brooding and scheming behind closed doors. As they have for centuries, the Bosnians themselves observe and endure the machinations of greater powers that vie, futilely, to absorb them. Ivo Andric's masterwork is imbued with the richness and complexity of a region that has brought so much tragedy to our century and known so little peace. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. Walck, Incorporated What is history? From Thucydides to Toynbee historians and nonhistorians alike have wondered how to answer this question. A New Philosophy of History</p>	<p>reflects on developments over the last two decades in historical writing, not least the renewed interest in the status of narrative itself and the presence of the authorial "voice."</p> <p>Subjects include the problems of Grand Narrative, multiple voices and the personal presence of the historian in his text, the ambitions of the French Annales school and the so-called "Grand</p>	<p>Chronicler," and the relevance of non-literary models—muse um presentations and picturings—re garding historical discourse. Thea, a captive from Judaea, is a clever and determined survivor hiding behind a slave's docile mask.

Purchased as a toy for the spoiled heiress Lepida Pollia, Thea evades her mistress's spite and hones a secret passion for music. But when Thea wins the love of Rome's newest and most savage gladiator and dares to dream of a better life, the jealous Lepida tears the lovers apart and casts Thea out. Croatian Tales of Long Ago
 Saint Benedict Press
 From the preeminent writer of Taiwanese nativist fiction

and the leading translator of Chinese literature come these poignant accounts of everyday life in rural and small-town Taiwan. Huang is frequently cited as one of the most original and gifted storytellers in the Chinese language, and these selections reveal his genius. In "The Two Sign Painters," TV reporters ambush two young workers from the country taking

a break atop a twenty-four-story building. "His Son's Big Doll" introduces the tortured soul inside a walking advertisement, and in "Xiaoqi's Cap" a dissatisfied pressure-cooker salesman is fascinated by a young schoolgirl. Huang's characters—generally the uneducated and disadvantaged who must cope with assaults on their traditionalism, hostility from their urban

brethren and, of course, the debilitating effects of poverty—come to life in all their human uniqueness, free from idealization. Little Men University of Chicago Press A scholarly lord falls for an enemy spy in this Regency romance series finale “with plenty of red-hot lust and chilling danger” (Publishers Weekly). Lord Drake Byron has no time to worry about taking a wife. He is fully devoted to

helping defeat Napoleon’s forces with the unbreakable code he developed. Little does he know that their irresistibly lovely new housekeeper he’s hired is really a French secret agent. Sebastianne Dumont is not at all who she seems to be. Forced to spy in order to save her family, she reluctantly embarks on her mission. And that mission becomes even more

dangerous when she falls in love with the devilishly desirable man she must ultimately betray. *The Parasite* Createspace Independent Publishing Platform March 24. The spring is fairly with us now.
