Uncovering the Practices Harming Our Children's Health . . . and What We Can Do About It

Simon and
Schuster

My name is Roman
Cavanaugh and I'm kind
of an asshole. Running a
company isn't easy,
especially when everyone

expects you to fail, so
being a jerk? It comes
with the territory. I don't
have time to mess
around, and I sure as hell
didn't see her coming.
Cara Hamilton—she was
supposed to be off
limits...a temporary
employee brought in
during my assistant's
maternity leave. But, in
the blink of an eye, she
became so much more.
An obsession I couldn't
shake. So yeah, I may be

an asshole, but now, I
finally had a purpose, and
soon, she would be mine.
All's fair in love and war...
***Behind Closed Doors is
a spin-off of the Walls
Duet and can be read as a
standalone.***
Behind Closed Doors
Hodder & Stoughton
A compelling story about
a loveless marriage, an
abandoned child, and a
mother and daughter's
fight for survival.

Valerie O'Connor comes from a large, close-knit, working class family in Vermont. At the age of eighteen, she marries twenty-five-year-old Jack Marsh. He is a handsome, dashing Korean War veteran, but he is also a damaged man who cannot keep himself from taking his fears and insecurities out on his wife and his five children.

To make matters worse, Jack takes Valerie away from her family, and all the way across the country, isolating her from the very people who know her and care about her the most. Too proud to ask for help or admit her failure as a wife and mother, Valerie is unable to protect either herself or the children. One by one, pushed to the extreme, the children escape, in one fashion or another, until they are all gone, even Ricky, the youngest and perhaps the most troubled, and there is only

Jack left, and Valerie must face the reality of her marriage and her life. And then, as if out of the ashes, another generation begins. Will history repeat itself? The answer is a message for us all. Visit the author's website on www.sloanbooks.com

 Josie has a secret: her

mother is a hoarder.
 Tasha has a secret, too:
 her mother's new
 boyfriend keeps trying to
 sneak into her room and
 seduce her. The two 16-
 year-olds don't get along
 at school, but one night
 Tasha bolts from her
 dangerous home and
 finds herself at Josie's
 door. Josie's mother is in
 jail for debt, and the girls
 are alone in the cramped,
 crowded, bursting home.
 Slowly, they begin to talk
 about the challenges they
 face, a process of sharing
 that lessens their shame,
 guilt and fear. With each

other's support, they may even find a way to save themselves from their parents' demons. Behind Closed Doors is an unflinching examination of the stigmas surrounding mental illness, abuse and poverty, and an affirming portrayal of the power of female friendships and the power of honesty to heal.

From a young age, Dena recognized that God plays a part in our lives. Little did she know how big a part he would play in hers. Life changed forever the day Dena and her husband decided to follow their hearts, leave behind the only lifestyle

they knew, and be shunned by family and friends. DENA SCHROCK was born into the Swartzentruber Amish community. Four children by her father. Thirty years of horrific sexual abuse. Now updated with a new epilogue, detailing Katherine's brave stand at the Royal Commission In March 2009, Joseph Fritzl was sentenced to life in jail for the systematic imprisonment, torture and rape of his daughter Elisabeth over 24 years, fathering seven children. The case shocked the world. But just a month before, the story of Australia's own house of horrors was emerging in a Victorian country town.

Under a blanket of suppression orders, a man in his late sixties was quietly arrested, charged – and later convicted – for the systematic rape, abuse and imprisonment of his only daughter, ‘Katherine’, which spanned decades. He fathered four of her

children. Until recently, this shocking story had been buried under a complex legal web and Katherine’s insistence on silence so that she could rebuild her shattered life and protect her children. In *Behind Closed Doors*, Katherine speaks out and tells the story of how she survived – and how such

degrading abuse went unnoticed for so long. Now, a new epilogue reveals the evidence Katherine gave at the Royal Commission into Institutional Responses to Child Sexual Abuse, detailing the betrayal she felt at having been ignored for so long.
