CORDOVA BURCH

*Happy Thanksgiving,
Curious George Michele
Brouder*

Elemental witch, Pepper McKay and former Navy SEAL, Lathen Quartz have built Lobster Cove Wildlife Rescue and Rehabilitation Center on enchanted McKay land. During a romantic interlude on

Halloween night, Pepper happily agrees to become Lathen's wife. What better day than Winter Solstice for their wedding in a town that loves celebrations and Christmas. However,

planning a wedding and operating their wildlife center takes a toll on both Pepper and Lathen. When the couple takes a much-needed break for Thanksgiving with family in Colorado, a Maine snowstorm fills the center with injured wildlife. Lathen finds himself drawn into a covert military mission, while trying to deal with issues with friends and family. Pepper wants to cancel the wedding. Is she having second thoughts? Will the nosy McKay ghosts, Lathen's werewolf

pack, Pepper's parents, and her best friend help or hinder the wedding and holiday plans?

Business

Write your way into successful, lasting work relationships. Writing is the lifeblood of career success. This book shows you how to write with heart--to use language and messages that connect with others at work, building relationships that help you achieve your goals. You have coworkers,

clients, or customers you rely on to contribute to your success, and you may write to them more often than you talk or meet. Your written words must carry your messages, sometimes in tense and awkward situations. This book shows how to choose words that convey your meaning while developing and sustaining your relationships. If you are a leader, team member, sales or customer service rep, entrepreneur, or any professional who communicates in writing,

this book helps you support positive relationships in every message. Whether you write to the assistant in the next office or the partner on the other side of the globe, you can communicate in ways that build trust, respect, and solid connections with others. Find out how to: -- Make small changes in your emails to reinforce relationships rather than weaken them. --Share bad news, constructive feedback, apologies, and reminders in ways that reassure readers and

create goodwill. --Say no to requests clearly and firmly without alienating or embarrassing others. -- Respond to angry or tactless messages while preserving your reputation and the relationships that matter. --Communicate confidently even when the words don't come easily, using the model wording, letters, notes, and emails in this book.

The Happy Holidays Series: The Complete Collection Carson-Dellosa Publishing
In a perfect world, sales

professionals would have prime territories, unlimited budgets, and a high-powered marketing department generating qualified leads. In reality, most corporations expect sales reps to generate their own leads, find new business, and meet stiff quotas in a tight marketplace. *Selling Against the Goal* is the ultimate survival guide for sales executives, managers, and reps. Unlike other books on the subject, *Selling Against the Goal* places lead generation within a

strategic context and goes far beyond traditional techniques such as cold calling. Author Kendra Lee shows sales professionals in the business-to-business market how in just four hours they can create a customized, repeatable process for delivering the best leads with the highest rate of return. Specific chapters detail Lee's easy-to-use approach: formulating a strategy, creating a lead generation plan, and pulling it all together with actionable activities.

Designed for busy sales professionals, the book enables the reader to skip to the right actions for a particular situation. *Selling Against the Goal* asserts that 70 percent of leads are never used because they fail to reach the right people or organizations. With this book as a guide, sales reps will learn how to reach untapped leads and gain control of their prospecting activity; sales managers will help employees take personal responsibility for their successes. Highlights

- Essential tools that increase response rates and create name recognition
- Formulas for calculating a closing ratio and numbers of leads needed to meet quota
- Tips for targeting multiple levels of decision makers
- Ideas for hitting a prospect's "sweet spot" with direct mail, events, public relations, and referrals

Adult Thanksgiving Coloring Book: Happy Thanksgiving Simon and Schuster
Valentine's Day is a day of love. February 14 is a

special day to celebrate the people you care about, but how did we pick that day? In this interesting book, learn about the history and traditions of Valentine's Day around the world. From hearts and roses to eating lots of chocolate, there's plenty to learn about Valentine's Day. Through accessible text presented in both English and standard Latin-American Spanish, readers will fall in love with this great holiday! • Strong picture-text correlation aids in

comprehension • Reading level supports beginning readers • Picture glossary helps develop vocabulary skills

The Happy Holidays Box Set: Books 1-3 Happy Thanksgiving!

NEW YORK TIMES BESTSELLER • Christmas is the season of the heart, and #1 New York Times bestselling author Debbie Macomber is here to warm yours with a delightful holiday novel of first impressions and second chances. Merry Knight is pretty busy these days. She's taking

care of her family, baking cookies, decorating for the holidays, and hoping to stay out of the crosshairs of her stressed and by-the-book boss at the consulting firm where she temps. Her own social life is the last thing she has in mind, much less a man. Without her knowledge, Merry's well-meaning mom and brother create an online dating profile for her—minus her photo—and the matches start rolling in. Initially, Merry is incredulous, but she reluctantly decides to

give it a whirl. Soon Merry finds herself chatting with a charming stranger, a man with similar interests and an unmistakably kind soul. Their online exchanges become the brightest part of her day. But meeting face-to-face is altogether different, and her special friend is the last person Merry expects—or desires. Still, sometimes hearts can see what our eyes cannot. In this satisfying seasonal tale, unanticipated love is only a click away. Praise for Merry and Bright “Warm and sweet as

Christmas cookies, this new Debbie Macomber romance is sure to be a hit this holiday season.”—Bookreporter “Heartfelt, cheerful . . . Readers looking for a light and sweet holiday treat will find it here.”—Publishers Weekly
