## MAXIMO BEARD

Novo dictionario da lingua portuguesa e ingleza, enriquecido com os termos technicos do commercio e da industria, das sciencias e das artes e da linguagem familiar McGill-Queen's Press - MQUP  
 Using the historical principles of the Oxford English Dictionary, Lise Winer presents the first scholarly dictionary of this unique language. The dictionary comprises over 12,200 entries, including over 4500 for flora and fauna alone, with numerous cross-references. Entries include definitions, alternative spellings, pronunciations, etymologies, grammatical information, and illustrative citations of usage. Winer draws from a wide range of sources - newspapers, literature, scientific reports, sound recordings of songs and interviews, spoken language - to provide a wealth and depth of language, clearly situated within a historical, cultural, and social context.  
 Polyantha medicinal. Noticias galenicis, e chymicas, repartidas en tres tratados ... Terceyra vez impressas, & augmentadas. [With "Manifesto que o doutor Joam Curvo Semmedo ... faz aos amantes

da saude, etc." With a portrait.] London : Printed for F. Wingrave  
 This work traces the etymologies of the entries to their earliest sources, shows their kinship to both Spanish and English, and organizes them into families of words in an Appendix of Indo-European roots. Entries are based on those of the Dictionario de la lengua espaola de la Real Academia Espaola.

 Es una novela emocionante de principio a fin. Describe las etapas de un divorcio de manera realista. Al conocerlas, el lector vislumbrará todas las implicaciones y contará con elementos de reflexión para valorar la conveniencia de llevarlo o no a cabo. Los principios de este libro pueden aplicarse también para salir adelante de quiebras, fallecimientos de seres queridos y cualquier otra situación crítica. Contraveneno contiene un mensaje de esperanza que debe ser leído por todas las personas.
