10 reversible flippable crochet patterns included! Flip and turn each of these, inside out to get a totally different toy! Chicken/Egg Penguin/Egg Owl/Egg Eagle/Egg Boba Tea Caterpillar/Butterfly Tadpole/Frog Octopus Ghost Rabbit/Hat If you have never crocheted before, NO PROBLEM. Everyone has to start somewhere. In this book, we will be going step by step through ten cute little

amigurumi crochet patterns. Also included are basic stitch tutorials to help you along the way. What started as something to pass the time during quarantine has turned into so much more. These toys bring me joy when I make them and even more when I give them away. I hope that my creations will bring you and your lucky loved ones hours of happiness as well. When I first started, it took me a week just to figure out how to make a ball. It took even longer to get my fingers and hands used to holding a crochet hook. Crocheting can be frustrating at first but like with all things new, your body will develop

muscle memory and over time, you will find that it will get easier. Always remember that nothing is hard, only new. There is no right way or wrong way to crochet. Whatever works for you, your body, and your ability is the right way. Crochet is an art form and like all art forms, is open to personal interpretation. Crochet patterns function as guidelines only, and I encourage you to bring your own artistic flair to each pattern. Do not be afraid to use different hooks or types of yarn. Experiment by changing the colors. Add accessories, modify the body shape, and bring your own individual spice to each pattern. Sometimes it will work; most of the time, it will not, and that is perfectly fine because in the end, you will end up with something that is yours. Something that you created. Your

own little knotmonster.

Knotmonsters Fox Chapel Publishing
Make the cutest crochet animals ever! With some simple stitches and a little stuffing, amigurumi is a charming style of crochet that's great for beginners. An exciting project guide for any crafter of any skill level, *Anyone Can Make Amigurumi Animals* features 15 adorable crochet patterns, including a hippo, llama, unicorn, hedgehog, giraffe, and so many more. A complete illustrated guide to amigurumi wildlife from around the world. From head to tail, all patterns are unique. With detailed instructions for all techniques and patterns, any crocheter can begin crafting animals. Amigurumi tips let all skill levels create crochet art inspired by wildlife. Every pattern is broken down into its individual pieces, from ears to noses to feet. Pictures guide the way through all the necessary basic and complex techniques. The patterns and pictures are a starting point for creativity. With many suggestions for

customization and tips to adjust animal's shapes, it is easy to create any animal - real or imaginary.

Amigurumi Crochet: Farm and Forest Animals Blue Star Press

Crochet a cozy bunny and her adorable friends with these fun patterns and easy-to-use guides. Who could resist these loveable toys and their babies? De-stress by snuggling up with Mabel Bunny and her friends—oversized crocheted toys, perfect for giant cuddles and little hands. Not just for children, the soft, chunky yarn and floppy limbs will appeal to all, so make them for yourself or give as gifts (if you can bear to part with them). Mabel makes a great reading companion and at about 70 cm. tall (about 28 inches) from head to paws, the animals sit comfortably on a shelf or at the end

of your bed. As well as fifteen different animals to crochet and love, including a dragon, a polar bear, a red panda, and a pig, you can also make a mini Mabel, octopus, and koala, which are 30-40 cm. (about 11 to 16 inches) tall. The projects are pitched at beginners to improvers and are suitable for someone who has mastered the basics of crochet. So be inspired, choose a pattern to start and be prepared to fall in love with this collection of adorable toys.

Huggable Amigurumi David and Charles

enthusiast! What are you waiting for? Let's get crocheting!

Amigurumi Crochet Simplified Becker & Mayer

¡12 patrones de crochet incluidos! Si nunca antes ha tejido a ganchillo, NO HAY PROBLEMA. Todo el mundo tiene que empezar por algún lado. En este libro, vamos a ir paso a paso a través de diez lindos patrones de ganchillo amigurumi. También se incluyen tutoriales básicos de puntadas para ayudarlo en el camino. Patrones para muchas plantas de interior diferentes: Echeveria succulenta Sansevieria (planta de serpiente) Bambú de la suerte Aloe vera Palmera Venus atrapamoscas Árbol Sedum succulento Árbol bonsai Plantas colgantes x 3 Lo que comenzó como algo para pasar el tiempo durante la

cuarentena se ha convertido en mucho más. Estos juguetes me alegran cuando los hago y más aún cuando los regalo. Espero que mis creaciones les traigan a usted y a sus afortunados seres queridos horas de felicidad también. Cuando comencé, me tomó una semana descubrir cómo hacer una pelota. Me tomó aún más tiempo acostumbrar mis dedos y manos a sostener un ganchillo. Tejer a ganchillo puede ser frustrante al principio, pero al igual que con todas las cosas nuevas, su cuerpo desarrollará la memoria muscular y, con el tiempo, descubrirá que se volverá más fácil. Recuerda siempre que nada es difícil, solo nuevo. No existe una forma correcta o incorrecta de tejer a crochet. Todo lo que funcione para usted, su cuerpo y su capacidad es el camino correcto. El

crochet es una forma de arte y, como todas las formas de arte, está abierto a la interpretación personal. Los patrones de ganchillo funcionan solo como pautas, y te animo a que aportes tu propio estilo artístico a cada patrón. No tenga miedo de usar diferentes ganchos o tipos de hilo. Experimente cambiando los colores. Agregue accesorios, modifique la forma del cuerpo y agregue su propio sabor individual a cada patrón. A veces funcionará; la mayoría de las veces, no será así, y eso está perfectamente bien porque al final, terminarás con algo que es tuyo. Algo que creaste. Tu propio pequeño knotmonster.
