 Welcome to the X-Wing Miniatures: Second Edition Wiki
 X-Wing Miniatures is a tactical table-top game where players fly Star Wars ships against each other, including X-Wings, TIE Fighters, the Millennium Falcon, TIE Defenders, and many others. Combat is very focused on planning and positioning, as well as building a great squadron in advance.
 X-Wing Miniatures: Second Edition Wiki | Fandom
 With refined gameplay that focuses on the physical act of flying starships, X-Wing Second Edition lets you create your own Star Wars space battles right on your tabletop. Intuitive mechanics create the tense atmosphere of a firefight while beautifully pre-painted miniatures draw you deeper into the action.

Exceptions to this rule of thumb include denominating as a "second edition" a new textbook that has a different format, title, and/or author(s) because a previous textbook that shares only the same subject matter as the "second edition" is considered the first edition. The reason for this stretch of the definition is often for the short-term marketing advantage of the new textbook, because, although first editions are often considered more valuable than later editions to book collectors ...
