"Vampires going to high school, but make it queer. Sterling delivers a fresh, thoughtful take on beloved paranormal tropes with a delightfully bloody romance." —Mara Fitzgerald, author of *Beyond the Ruby Veil* From the author of *These Witches Don't Burn* comes another paranormal romance for fans of Richelle Mead and Stephenie Meyer. Elise Beaumont is cursed. With every touch, she experiences exactly how her loved ones will die. And after her brother's death—a death she predicted but was unable to prevent—Elise is desperate to get rid of her terrible gift, no matter the cost. Claire Montgomery also has a unique relationship with death, mostly because she's already dead. Technically, anyway. Claire is a vampire, and she's been assigned by the Veil to help Elise master her rare Death Oracle powers. At first, Elise is reluctant to work with a vampire, but when she predicts a teacher's imminent murder, she's determined to stop the violent death, even if it means sacrificing her own future to secure Claire's help. The trouble is, Claire and Elise aren't the only paranormals in town—a killer is stalking the streets, and Claire can't seem to shake the pull she feels toward Elise, a romance that could upend the Veil's mission. But as Elise and Claire grow closer, Elise begins to wonder—can she really trust someone tasked with securing her loyalty? Someone who could so easily kill her? Someone who might hold the key to unraveling her brother's mysterious death?

Happy Death W. W. Norton & Company

In recent years there has been a massive upsurge in academic, professional and lay interest in mortality. This is reflected in academic and professional literature, in the popular media and in

the proliferation of professional roles and training courses associated with aspects of death and dying. Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns. There has been an urgent need for an authoritative but accessible reference work reflecting the multidisciplinary nature of the field. This Encyclopedia answers that need. The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date. The phenomena of death and dying and its related concepts are explored and explained in depth, from the approaches of varied disciplines and related professions in the arts, social sciences, humanities, medicine and the sciences. In addition to scholars and students in the field—from anthropologists and sociologists to art and social historians - the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying, dead and bereaved people. It will be welcomed as the definitive death and dying reference source, and an essential tool for teaching, research and independent study.

A beached sailboat. A missing man. A distraught woman staggering ashore. There to greet her—Garrison Gage, full-time curmudgeon and part-time private investigator, who quickly finds himself thrust into his familiar role of crusader for the desperate and downtrodden. The woman claims to have no memory, but is she lying? When a body later washes ashore, the mystery deepens and the stakes ratchet up another notch. Dark money and even darker intentions. Violence both threatened and real. The woman may be at the heart of it all, or merely an innocent interloper who chose the wrong boat at the wrong time. Only Gage can discover the truth. The Garrison Gage Mysteries (in chronological order): *A Plunder By Pilgrims* (short story prequel) *The Gray and Guilty Sea* *A Desperate Place for Dying* *The Lovely Wicked Rain* *A Shroud of Tattered Sails* Keywords: Keywords: Mystery, Garrison Gage, Private Investigator, Oregon, Oregon coast, Hard boiled, Travis McGee, Spenser, crime fiction, mystery series

Three years ago, David Hunter moved to rural Norfolk to escape his life in London, his gritty work in forensics, and a tragedy that nearly destroyed him. Working as a simple country doctor, seeing his lost wife and daughter only in his dreams, David struggles to remain uninvolved when the corpse of a woman is found in the woods, a macabre sign from her killer decorating her body. In one horrifying instant, the quiet summer countryside that had been David's refuge has turned malevolent—and suddenly there is no place to hide. The village of Manham is tight-knit, far from the beaten path. As a newcomer, Dr. Hunter is immediately a suspect. Once an expert in analyzing human remains, he reluctantly joins the police investigation—and when another woman disappears, it soon becomes personal. Because this time she is someone David knows, someone who has managed to penetrate the icy barrier around his heart. With a killer's bizarre and twisted methods screaming out to him, with a brooding countryside beset with suspicion, David can feel the darkness gathering around him. For as the clock ticks down on a young woman's life, David must follow a macabre trail of clues—all the way to its final, horrifying conclusion.

She Wanted the Truth - They Wanted Her Dead HarperCollins

From a beloved master of crime fiction, *A Purple Place for Dying* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Travis McGee's taking his retirement in installments while he's still young enough to enjoy it. But sooner or later, his money runs out and he has to work. This time McGee's lured out West to a strangely secretive meeting with a woman in trouble, in a place whose beauty hides some ugly, dangerous secrets. "John D. MacDonald created a staggering quantity of wonderful books, each rich with characterization, suspense, and an almost intoxicating sense of place."—Jonathan Kellerman *Mona* is in love with a poor, young college professor and married to a wealthy man whom she is convinced is stealing from her trust fund. So she does what any self-respecting girl would do: She hires someone to steal her money back so she can run away with the love of her life. Travis isn't sure he wants to help out until he sees *Mona* getting shot

and killed out on the cliffs near her cabin. Now he's a lead suspect in a plot to help her escape, and to clear his name, he needs to get to the bottom of things. But the murders just keep mounting, and for Travis, even working with Mona's husband doesn't seem to help matters. Will he be able to uncover the complex plot in time to save his own skin? Features a new Introduction by Lee Child

Life, as we know it, will end. It's not a thought that tends to occupy our minds when we are young and in full health and vigor. We take risks, some foolhardy. We live as though we were immortal. And then when we have our own children we are renewed and life is good. But we can't look in the mirror every day without noticing subtle signs of change. We can't lose a loved one without reflecting on the passage of time and being nagged by the question, "What is it in life that I have yet to accomplish?" Then it's not a giant leap from asking that question about ourselves to wanting to know "What happens when I die?" Brian Stiller, author of *When Life Hurts* took on the task of answering this challenging question. Where is the proof that anything is going to happen after death? Why not just live life for the day, because that may be all there is? *What Happens When I Die?* is a journey toward understanding the nature of life after death, one that leads ultimately to the Scriptures and the promise given by God. It is a promise rooted in faith and joy. It is a promise that has everything to do with what we make of our life here on earth. *What Happens When I Die?* is not just about death, but about living a fulfilled, loving and caring life. The choice is ultimately ours to seek and God's gift—or not. But the way had been prepared as this insightful and thought-provoking book affirms *A Novel* Flying Raven Press

Fifteen-year-old Jem knows when she looks at someone the exact date they will die, so she avoids relationships and tries to keep out of the way, but when she meets a boy named Spider and they plan a day out together, they become more involved than either of them had planned.

A good death was as central to Methodism as conversion and holiness. Based on an analysis of 1,200 obituaries, this book contributes to an understanding not only of death but of the history of Methodist and evangelical Nonconformist piety, theology, social background and literary expression in mid-nineteenth-century England, and focuses on the tension in Nonconformist allegiance to both worldly and spiritual matters.

"What a box of tricks! This full-throttle thriller, dark and driving, rivals Agatha Christie for sheer ingenuity and James Patterson for flat-out speed. Swift, sharp, and relentless." — A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* A brilliant, edgy thriller about four strangers, a blizzard, a kidnapped child, and a determined young woman desperate to unmask and outwit a vicious psychopath. A kidnapped little girl locked in a stranger's van. No help for miles. What would you do? On her way to Utah to see her dying mother, college student Darby Thorne gets caught in a fierce blizzard in the mountains of Colorado. With the roads impassable, she's forced to wait out the storm at a remote highway rest stop. Inside are some vending machines, a coffee maker, and four complete strangers. Desperate to find a signal to call home, Darby goes back out into the storm . . . and makes a horrifying discovery. In the back of the van parked next to her car, a little girl is locked in an animal crate. Who is the child? Why has she been taken? And how can Darby save her? There is no cell phone reception, no telephone, and no way out. One of her fellow travelers is a kidnapper. But which one? Trapped in an increasingly dangerous situation, with a child's life and her own on the line, Darby must find a way to break the girl out of the van and escape. But who can she trust? With exquisitely controlled pacing, Taylor Adams diabolically ratchets up the tension with every page. Full of terrifying twists and hairpin turns, *No Exit* will have you on the edge of your seat and leave you breathless.

A searing novel about memory, abandonment, and betrayal from the acclaimed and bestselling Russell Banks At the center of *Foregone* is famed Canadian American leftist documentary filmmaker Leonard Fife, one of sixty thousand draft evaders and deserters who fled to Canada to avoid serving in Vietnam. Fife, now in his late seventies, is dying of cancer in Montreal and has agreed to a final interview in which he is determined to bare all his secrets at last, to demythologize his mythologized life. The interview is filmed by his acolyte and ex-star student, Malcolm MacLeod, in the presence of Fife's wife and alongside Malcolm's producer, cinematographer, and sound technician, all of whom have long admired Fife but who must now absorb the meaning of his astonishing, dark confession. Imaginatively structured around Fife's secret memories and alternating between the experiences of the characters who are filming his confession, the novel challenges our assumptions and understanding about a significant lost chapter in American history and the nature of memory itself. Russell Banks gives us a daring and resonant work about the scope of one man's mysterious life, revealed through the fragments of his recovered past.

An old flame. A killer on the loose. A crazy cult on the rise. Nearly

a year has passed since Garrison Gage became the reluctant guardian of a troubled teenage girl, but neither fatherhood nor the intervening months has improved his mood. His right knee is still mostly worthless. He still prefers to drink his bourbon alone. And even with a certain blonde bombshell a persistent part of his life, he still can't be bothered to buy a cell phone. Or any phone, for that matter. Why? Then somebody might call him. But grumpy as Gage can be, he still finds that life on the Oregon Coast has settled into a comfortable if not happy routine - until the man who murdered his wife shows up in town. That's just for starters. A desperate plea from an old flame - his first love, in fact - soon entangles Gage in a high profile case involving a famous and brazenly outspoken lecturer on evolution and atheism, a crazy fundamentalist cult that uses all means necessary to silence its critics, and a brutal local murder of a far more personal nature. Before the mystery can be unraveled, Gage's abilities and beliefs will be put to the ultimate test. And the man who claims he doesn't need anyone will discover he may just lose everything.

"Roxane is a wonderfully complex character...This is a remarkably accomplished debut mystery, with sensitive character development and a heart-stopping denouement. Let's hope there are more Roxane Weary novels on the way."—Booklist (starred review) 2018 Shamus Award Winner and Best First Novel Nominee for the Anthony and Macavity Awards, *The Last Place You Look* is a head-on collision between an allegedly closed case and a tenacious, troubled private investigator who doesn't know when to quit. Nobody knows what happened to Sarah Cook. The beautiful blonde teenager disappeared fifteen years ago, the same night her parents were brutally murdered in their suburban Ohio home. Her boyfriend Brad Stockton—black and from the wrong side of the tracks—was convicted of the murders and is now on death row. Though he's maintained his innocence all along, the clock is running out. His execution is only weeks away when his devoted sister insists she spied Sarah at an area gas station. Willing to try anything, she hires PI Roxane Weary to look at the case and see if she can locate Sarah. Brad might be in a bad way, but private investigator Roxane Weary isn't doing so hot herself. Still reeling from the recent death of her cop father in the line of duty, her main way of dealing with her grief has been working as little and drinking as much as possible. But Roxane

finds herself drawn in to the story of Sarah's vanishing act, especially when she links the disappearance to one of her father's unsolved murder cases involving another teen girl. The stakes get higher as Roxane discovers that the two girls may not be the only beautiful blonde teenagers who've turned up missing or dead. As her investigation gets darker and darker, Roxane will have to risk everything to find the truth. Lives depend on her cracking this case—hers included.
