PATIENCE SAVAGE

God the Son Incarnate
Drama
Based on Sam Raimi's
80s cult classic films,
EVIL DEAD tells the
tale of 5 college kids
who travel to a cabin in
the woods and
accidentally unleash an
evil force. And
although it may sound
like a horror, it's not!
The songs are

hilariously campy and
the show is bursting
with more farce than a
Monty Python skit. EVIL
DEAD: THE MUSICAL
unearths the old
familiar story: boy and
friends take a weekend
getaway at abandoned
cabin, boy expects to
get lucky, boy
unleashes ancient evil
spirit, friends turn into
Candarian Demons,
boy fights until dawn to
survive. As musical
mayhem descends
upon this sleepover in

the woods, ¿camp¿ takes on a whole new meaning with uproarious numbers like ¿All the Men in my Life Keep Getting Killed by Candarian Demons,¿ ¿Look Who¿s Evil Now¿ and ¿Do the Necronomicon.¿ *The Gospel According to Matthew* Rowman & Littlefield
As the composer/lyricist for Godspell, Pippin, Wicked, and other musicals, Stephen Schwartz has enjoyed one of the most significant careers in American musical theater for more than four decades. Schwartz has also achieved success on the big screen, contributing to such films as Enchanted, The Prince of Egypt, and Pocahontas. For his work, he has received

six Tony nominations, three Grammys, and three Academy Awards. The Musical Theater of Stephen Schwartz: From Godspell to Wicked and Beyond is a detailed examination of Schwartz's various projects throughout his career. Musicologist Paul R. Laird discusses at length Schwartz's major shows and also considers his other ventures, such as the music and lyrics for animated features from Disney and Dreamworks. The book focuses on two major aspects of Schwartz's creations: the process of collaboration resulting in a project's completion and a descriptive analysis of his music and lyrics. Laird also describes each show's critical reception and its place

in the larger history of musical theater. Based on extensive interviews with Schwartz and a number of his major collaborators, this book provides a rare look into the creation of the composer and lyricist's shows and films. The Musical Theater of Stephen Schwartz is intended for fans as well as students and professional researchers in music, theater, and the musical theater.

Be More Chill Book Tree

Although consistently overlooked or dismissed, John 8.6, 8 in the "Pericope Adulterae" is the only place in canonical or non-canonical Jesus tradition that portrays Jesus as writing. After establishing that John 8.6, 8 is indeed a claim

that Jesus could write, this book offers a new interpretation and transmission history of the "Pericope Adulterae." Not only did the pericope's interpolator place the story in John's Gospel in order to highlight the claim that Jesus could write, but he did so at John 7.53-8.11 as a result of carefully reading the Johannine narrative. The final chapter of the book proposes a plausible socio-historical context for the insertion of the story.

Over the Moon Oxford University Press

All of the greatest creators, from Beethoven to Edison, had something in common. They didn't just create stuff. They created a ton of stuff. That's why I'm a big believer that producers

should produce more, directors should direct more, and, of course, writers should write more. The funny thing is, too many writers I know just can't finish a script. Maybe they have ideas, and maybe they write a few scenes, but they don't get to the end. Or maybe they've never written anything and are too afraid to start! That's why I wrote this book, which guarantees you'll have a finished script, whether or not you've ever written anything before! That's right. In only one month, you can go from a blank page to a completed script, ready to be staged. Just imagine . . . you'll have a full script in your hands (or a Producer's hands) by the end of this month if you start today! So

what are you waiting for?

Defying Gravity Hal Leonard Publishing Corporation

Hollywood's conversion to sound in the 1920s created an early peak in the film musical, following the immense success of *The Jazz Singer*. The opportunity to synchronize moving pictures with a soundtrack suited the

musical in particular, since the heightened experience of song and dance drew attention to the novelty of the technological development. Until the near-collapse of the genre in the 1960s, the film musical enjoyed around thirty years of development, as landmarks such as *The Wizard of Oz*, *Meet Me in St Louis*, *Singin' in the Rain*, and *Gigi* showed the exciting possibilities of putting musicals on the silver screen. *The Oxford Handbook of Musical Theatre Screen Adaptations* traces how the genre of the stage-to-screen musical has evolved, starting with screen adaptations of operettas such as *The Desert Song* and *Rio Rita*, and looks at how the Hollywood studios in the 1930s exploited

the publication of sheet music as part of their income. Numerous chapters examine specific screen adaptations in depth, including not only favorites such as *Annie* and *Kiss Me, Kate* but also some of the lesser-known titles like *Li'l Abner* and *Roberta* and problematic adaptations such as *Carousel* and *Paint Your Wagon*. Together, the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies.

At the beginning of the 20th century, Judas was characterised in film as the epitome of evil: the villainous Jew. Film-makers cast Judas in this way because this was the Judas that audiences had come to recognize and even expect. But in the following three decades, film-makers - as a result of critical biblical study - were more circumspect about accepting the alleged historicity of the Gospel accounts. Carol A. Hebron examines the figure of Judas across film history to show how the portrayal becomes more nuanced and

more significant, even to the point where Judas becomes the protagonist with a role in the film equal in importance to that of Jesus'. Hebron examines how, in these films, we begin to see a rehabilitation of the Judas character and a restoration of Judaism. Hebron reveals two distinct theologies: 'rejection' and 'acceptance'. The Nazi Holocaust and the exposure of the horrors of genocide at the end of World War II influenced how Judaism, Jews, and Judas, were to be portrayed in film. Rehabilitating the Judas character and the Jews was necessary, and film was deemed an appropriate medium in which to begin that process.

Jesus films arose with cinema itself. Richard Walsh and Jeffrey L.

Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars, stretching from *La vie du Christ* (1906) to *Mary Magdalene* (2018). The introduction to each film includes discussion of plot, characters, visuals, appeal to authority, and cultural location as well as consideration of the director's (and/or other filmmakers') achievements and style. Several film chapters end with reflections on problematic issues bedeviling the tradition, such as cultural imperialism and patriarchy. To assist teachers and researchers, each chapter includes a

listing of DVD chapters and the approximate "time" (for both DVDs and streaming platforms) at which key film moments occur. The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films. Extensive endnotes point readers to other important work on the tradition and specific films. While the authors strive to set the Jesus film tradition within cinema and its interpretation, the DVD/streaming listing and the Gospels Harmony facilitate the comparison of these films to gospel interpretation and the Jesus tradition.

Jerry. George. Elaine. Kramer. We've followed their misadventures for nearly ten years on Thursday nights. Here, finally, are the scripts of the first two seasons that will take you back to the beginning of Seinfeld. Featuring the first 17 episodes ever aired, *The Seinfeld Scripts* contains all the

great lines that have kept us laughing for years: the pilot episode, "The Seinfeld Chronicles," where it all began; George introduces his importer/exporter alter ego Art Vanderlay in "The Stakeout"; Kramer becomes obsessed with cantaloupe in "The Ex-Girlfriend"; Jerry and George meet Elaine's dad in "The Jacket"; is Jerry responsible for a poor Polish woman's death when he makes "The Pony Remark"?; Jerry and Elaine decide to become intimate again in "The Deal"; what will George do when he is banned from the executive bathroom in "The Revenge"?; and Jerry, George, and Elaine wait for a table in "The Chinese Restaurant." It's all here: the award-

winning writing of Seinfeld, "the defining sitcom of our age". Created by Larry David and Jerry Seinfeld. Elaine: My roommate has Lyme disease. Jerry: Lyme disease? I thought she had Epstein-Barr syndrome? Elaine: She has this in addition to Epstein-Barr. It's like Epstein-Barr with a twist of Lyme disease. George: She calls me up at my office she says, "We have to talk." Jerry: The four worst words in the English language. Kramer: What a body. Yeeaaaah...that's for me. Jerry: Yeah and you're just what she's looking for, too--a stranger, leering through a pair of binoculars ten floors up. **Evil Dead** Samuel French, Inc.

As a young schoolboy, David Essex dreamed of becoming a professional footballer, and was signed up by his beloved West Ham United, but as a teenager he developed a passion for music which set him on a very different path, and ultimately led to superstardom. It wasn't, however, an easy start. Scraping a living on the edges of show business was a hard slog, and he endured many disappointments. Then aged 23, he went along to an audition for a new musical called *Godspell* and won the role of Jesus that was to shoot him to fame. Within a year he was starring in the smash hit film, *That'll Be the Day*, and had written and recorded his first number one single

'Rock On'. It was the start of Essex Mania, and a long journey of undreamt of adventure. From *Godspell* to *EastEnders* it's been an amazing life. And here is David's full incredible story - in his own words.

It all starts with the release of fidgety, suspicious Percy Talbott from state prison after serving a five-year sentence. We don't know why, only that she's released and on her way to Gilead and its "colors of paradise." But when she arrives it is February and bitter cold, and the only one around to meet her is restless Sheriff Joe Turner, who takes her to the Spitfire Grill to help the aging Hannah Ferguson run the diner. All is gray, dismal and listless around them, and the characters are in the "winter of their lives" emotionally and spiritually.
