**Breakthrough Plus** Cambridge University Press

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Viewpoint is an innovative course that's based on extensive research into the Cambridge English Corpus, taking students to a higher level of proficiency to become effective communicators. Viewpoint Level 1 Workbook B provides follow-up exercises for Units 7 to 12 of the Level 1 Student's Book, providing additional practice of vocabulary, grammar, and conversation strategies, as well extra reading, writing and listening activities. (Viewpoint Level 1 Workbook A contains material for Units 1 to 6 and is available separately.)

**A Resource Book of Multi-Level Skills Activities** Cambridge University Press

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. As well as clear teaching notes, the updated Intermediate A and B Teacher's Pack (Teacher's Book with DVD-ROM) offers lots of extra ideas and activities to suit different classroom situations and teaching styles. The DVD-ROM provides a range of extra printable activities, a comprehensive testing and assessment program, extra literacy and handwriting activities for non-Roman alphabet users and clear mapping of the syllabus against the CEFR 'can do' statements. It also includes the videos from the Self-study Pack DVD-ROM for classroom use.

*Communication Skills in American English* Cambridge University Press

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

*Multi-level Activities for Natural English* Cambridge University Press

This book provides teachers with practical ideas to bring teaching materials to life and get lessons off the page. It covers all four language skills and the language systems. The book also supports teachers to develop awareness of the aims of activities,

and contains reflective tasks which consider how the activities enhance learning.

*Cambridge English Skills Real Listening and Speaking 4 without answers* CAMBRIDGE

This book provides original and stimulating listening practice across a range of levels and topics. The activities are designed around authentic scenarios and help students develop specific listening skills, such as listening for details, identifying emotions or listening for opinions. The book is suitable for A2-B2 level students and is an ideal supplement in mixed ability as well as mixed level classes. Spiral binding maximises the longevity of the book and accompanying Audio CDs include recordings for all listening tasks from the book. The recordings expose students to a variety of native and non-native accents and cover a range of genres from radio and television to academic lectures, presentations and conversational dialogues.
