Studyguide for Sociology: a Brief Introduction by Richard T. Schaefer, ISBN 9780077554217 McGraw-Hill Education
The ninth edition of Richard T. Schaefer's *Sociology: A Brief Introduction* provides students with a comprehensive, up-to-date presentation of sociology. Students learn to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, examples that students can relate to, and abundant learning aids and exercises, the new edition continues to encourage the development of sociological imagination. New to the edition is the inclusion of an adaptive diagnostic tool and interactivities to help students master key concepts.
Racial and Ethnic Diversity in the USA Cram101
Extraordinary Groups has had a storied history of excellence over multiple editions. Now available from Waveland

Press at the start of its fifth decade of availability, its interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences, including anthropology, religion, history, and psychology. Written by sociologists, using and illustrating sociological principles, the book is appealing because it is descriptive and explanatory rather than analytical. Descriptions of the groups are interwoven with basic sociological concepts, but systematic analysis and inductive reasoning are left to the discretion of the instructor. *Extraordinary Groups* is a compelling overview of the broad tapestry of social life that constitutes the United States. The illustrated, full-featured Ninth Edition includes a glossary and end-of-chapter key terms, sources on the Web, and selected readings.

NOTE: You are purchasing a standalone product; MySocLab® does not come packaged with this content. If you would like to purchase both the physical text and MySocLab, search for ISBN-10: 0134126963 / ISBN-13: 9780134126968. That package includes ISBN-10: 0133770990 / ISBN-13: 9780133770995 and ISBN-10: 0133842983 / ISBN-13: 9780133842982. MySocLab should only be purchased when required by an instructor. For courses in Race and Ethnic Relations Understand the changing dynamics of the U.S. population Understanding race and ethnic relations is essential to understanding the United States - where

we've been as well as where we're going. Throughout the fourteenth edition of *Racial and Ethnic Groups*, author Richard T. Schaefer helps students view race and ethnic relations in a socio-historical context, so they can understand the past and best shape the future. The text's student-friendly framework is packed with engaging first-person accounts that illuminate the changing dynamics of the U.S. population, and reveal the stories behind these changes. Incorporating the latest statistics and data, *Racial and Ethnic Groups* enables educators to stay current in this ever-changing area of study. Also available with MySocLab, MySocLab for the Race and Ethnicity course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an eText. *Racial and Ethnic Groups, Fourteenth Edition* is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. The comprehensive program allows instructors to choose the content they'd like to present and introduce it in a layout that students can manage. Connect, the proven online experience, adapts to student's learning needs, enhancing the understanding of topics

and developing their sociological imagination.

A Brief Introduction Sociology Matters This is an introduction to sociological theory and research.

Sociology McGraw-Hill Humanities, Social Sciences & World Languages

Like its predecessors, the tenth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. An optional package combines Schaefer, *Sociology*, with PowerWeb, Tenth Edition and Reel Society Interactive Movie 2.0 CD-ROM at nominal extra cost. "The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and privacy and censorship in an electronic age." - Richard T. Schaefer *The New Chicago Cram101*

For generations, visitors, journalists, and social scientists alike have asserted that Chicago is the quintessentially American city. Indeed, the introduction to "The New Chicago" reminds us that to know America, you must know Chicago. The contributors boldly announce the demise of the city of broad shoulders and the

transformation of its physical, social, cultural, and economic institutions into a new Chicago. In this wide-ranging book, twenty scholars, journalists, and activists, relying on data from the 2000 census and many years of direct experience with the city, identify five converging forces in American urbanization which are reshaping this storied metropolis. The twenty-six essays included here analyze Chicago by way of globalization and its impact on the contemporary city; economic restructuring; the evolution of machine-style politics into managerial politics; physical transformations of the central city and its suburbs; and race relations in a multicultural era. In elaborating on the effects of these broad forces, contributors detail the role of eight significant racial, ethnic, and immigrant communities in shaping the character of the new Chicago and present ten case studies of innovative governmental, grassroots, and civic action. Multifaceted and authoritative, "The New Chicago" offers an important and unique portrait of an emergent and new Windy City.

Studyguide for Sociology: a Brief Introduction by Richard T. Schaefer, ISBN 9780078026720 Pearson College Division

Schaefer, *Sociology: A Brief Introduction*, 7th Canadian Edition provides students with the tools they need to successfully navigate in today's social world. The new edition offers a Canadian perspective within a global context, allowing students to examine the place of themselves and others in society. The new edition has been completely updated with the Canadian student in mind. Students will engage with content that features relevant social topics, diverse examples, and the latest Canadian statistics, research and data. This resource is ideal for degree and diploma level Introductory Sociology courses, or for any learner eager to explore the study of social worlds.

A Brief Introduction by Richard T. Schaefer, ISBN Cram101

This three volume reference set offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives. General readers, students, and scholars alike will appreciate the informative coverage of intergroup relations in the United States and the comparative examination of race and ethnicity worldwide. These volumes offer a foundation to understanding as well as researching racial and ethnic diversity from a multidisciplinary perspective. Over a hundred racial and ethnic groups are described, with additional thematic essays offering insight into broad topics that cut across group boundaries and

which impact on society. The encyclopedia has alphabetically arranged author-signed essays with references to guide further reading. Numerous cross-references aid the reader to explore beyond specific entries, reflecting the interdependent nature of race and ethnicity operating in society. The text is supplemented by photographs, tables, figures and custom-designed maps to provide an engaging visual look at race and ethnicity. An easy-to-use statistical appendix offers

the latest data with carefully selected historical comparisons to aid study and research in the area
