*The Biography of Nico Dell Poetic Song Verse: Blues-Based Popular Music and Poetry* invokes and critiques the relationship between blues-based popular music and poetry in the twentieth and twenty-first centuries. The volume is anchored in music from the 1960s, when a concentration of artists transformed modes of popular music from entertainment to art-that-entertains. Musician Mike Mattison and literary historian Ernest Suarez synthesize a wide range of writing about blues and rock—biographies, histories, articles in popular magazines, personal reminiscences, and a selective smattering of academic studies—to examine the development of a relatively new literary genre dubbed by the authors as “poetic song verse.” They argue that poetic song verse was nurtured in the fifties and early sixties by the blues and in Beat coffee houses, and matured in the mid-to-late sixties in the art of Bob Dylan, the Beatles,

the Rolling Stones, the Doors, Jimi Hendrix, Joni Mitchell, Leonard Cohen, Gil Scott-Heron, Van Morrison, and others who used voice, instrumentation, arrangement, and production to foreground semantically textured, often allusive, and evocative lyrics that resembled and engaged poetry. Among the questions asked in *Poetic Song Verse* are: What, exactly, is this new genre? What were its origins? And how has it developed? How do we study and assess it? To answer these questions, Mattison and Suarez engage in an extended discussion of the roots of the relationship between blues-based music and poetry and address how it developed into a distinct literary genre. Unlocking the combination of richly textured lyrics wedded to recorded music reveals a dynamism at the core of poetic song verse that can often go unrealized in what often has been considered merely popular entertainment. This volume balances historical details and analysis of particular songs with accessibility to create a lively, intelligent,

and cohesive narrative that provides scholars, teachers, students, music influencers, and devoted fans with an overarching perspective on the poetic power and blues roots of this new literary genre. *Blues-Based Popular Music and Poetry* Chicago Review Press  
Good girl Melody Merritt is ready to be bad. Fresh out of an unsatisfying ten-year engagement to the town golden boy, she's determined to make up for lost time. And who better to burn her sterling reputation to the ground than Bluelick's sinfully sexy new fire chief whose wicked gaze promises complete and utter domination? Yes, please. Corrupting the prim and proper Little Miss Bluelick is the most action Josh Bradley's seen since he transferred from Cincinnati to fast-track his career. He won't let anything or anyone—not even the delectable Melody Merritt—trap him in this Kentucky-fried Mayberry, but when their searing chemistry yields an unexpected result, he realizes he's started a blaze that's completely beyond his control... Each book in the Private Pleasures series is

 A fascinating exploration of the relationship between American culture and music as defined by musicians, scholars, and critics from around the world.

My Little Visits With God Corrected e-artnow sro  
 I don't do relationships. I've lived my life hiding my scars, revealing myself only the in the scripts I write and the characters I voice. Few people know the real me. I'm too careful. Too afraid of getting burned all over again. Enter Beverly Martin. A movie star. A woman so beautiful and caring she makes my heart ache. She says she wants me—and her touch almost makes me believe that a girl like her could love a man like me. But

being with her would mean letting the spotlight of fame shine on me, too. And I'm not sure I can do that—even if walking away means losing the woman I love. Who's Your Man of the Month? When a group of fiercely determined friends realize their beloved hang-out is in danger of closing, they take matters into their own hands to bring back customers lost to a competing bar. Fighting fire with a heat of their own, they double down with the broad shoulders, six-pack abs, and bare chests of dozens of hot, local guys who they cajole, prod, and coerce into auditioning for a Man of the Month calendar. But it's not just the fate of the bar that's at stake. Because as things heat up, each of the men meets his match in this sexy, flirty, and compelling binge-read romance series of twelve novels releasing every other week from New York Times bestselling author J. Kenner. "With each novel featuring a favorite romance trope—beauty and the beast, billionaire bad boys, friends to lovers, second chance romance, secret baby, and more—this series hits the heart and soul of romance." — New York

Times bestselling author Carly Phillips Each book is a STANDALONE romance with an HEA and an overarching story about the friends and the bar. Totally hot and utterly binge-worthy! The definitive biography of Ravi Shankar, one of the most influential musicians and composers of the twentieth century, told with the cooperation of his estate, family, and friends. For over eight decades, Ravi Shankar was India's greatest cultural ambassador. He was a groundbreaking performer and composer of Indian classical music, who brought the music and rich culture of India to the world's leading concert halls and festivals, charting the map for those who followed in his footsteps. Renowned for playing Monterey Pop, Woodstock, and the Concert for Bangladesh--and for teaching George Harrison of The Beatles how to play the sitar--Shankar reshaped the musical landscape of the 1960s across pop, jazz, and classical music, and composed unforgettable scores for movies like *Pather Panchali* and *Gandhi*. In *Indian Sun: The Life and Music of Ravi Shankar*, writer Oliver Craske presents readers with the first full portrait of this legendary figure, revealing the personal and professional story of a musician who influenced--and continues to influence--countless

artists. Craske paints a vivid picture of a captivating, restless workaholic--from his lonely and traumatic childhood in Varanasi to his youthful stardom in his brother's dance troupe, from his intensive study of the sitar to his revival of India's national music scene. Shankar's musical influence spread across both genres and generations, and he developed close friendships with John Coltrane, Philip Glass, Yehudi Menuhin, George Harrison, and Benjamin Britten, among many others. For ninety-two years, Shankar lived an endlessly colorful and creative life, a life defined by musical, emotional, and spiritual quests--and his legacy lives on. Benefiting from unprecedented access to Shankar's archives, and drawing on new interviews with over 130 subjects--including his second wife and both of his daughters, Norah Jones and Anoushka Shankar--*Indian Sun* gives readers unparalleled insight into a man who transformed modern music as we know it today.

**Light My Fire** Rowman & Littlefield  
(FAQ). The Beat

Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting-edge works that shaped this fascinating cultural and literary movement. Disillusioned with the repression and conformity encompassing post-World War II life in the United States, the Beat writers sought creative alternatives to the mind-numbing banality of modern culture. Beat Generation writers were no strangers to controversy: Both Allen Ginsberg's prophetic, William Blakean-style poem "Howl" (1956) and William S. Burroughs' groundbreaking novel *Naked Lunch* (1959) led to obscenity trials, while Jack Kerouac's highly influential novel *On the Road* (1957) was blamed by the establishment for corrupting the nation's youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle. The Beat writers shared a vision for a new type of literature, one that escaped the boundaries of academia and employed an organic use of language, inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism (Kerouac

coined this writing style "spontaneous prose"). In search of deeper meaning, Beat Generation writers experimented not only with language but also with spirituality, art, drugs, sexuality, and unconventional lifestyles. Although the movement as a whole flamed out quickly in the early 1960s, replaced by the onset of the hippie counterculture, the Beats made an indelible mark on the nation's consciousness and left a long-lasting influence on its art and culture. This book details the movement its works, creative forces, and its legacy.

**All That's Left to Know About the Kings of Acid Rock**

Sex. Rock. Mafia. "This work looks at how experimental art and the avant-garde artists' lifestyles have influenced the larger American culture since the mid-19th century. The study explores the many ways in which America's experimental artists have impacted upon, and at times transformed, the culture of a modern industrial nation"-- Provided by publisher.

The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the full range of popular music recordings with virtually unprecedented breadth and depth. In this 2-volume encyclopedia, Sullivan explores approximately 1,000 song recordings from 1889 to the present, telling the stories behind the songs, recordings, performers, and songwriters. From the Victorian parlor ballad and ragtime hit at the end of the 19th century to today's rock classics, the Encyclopedia progresses through a parade popular music styles, from jazz to blues to country Western, as well as the important but too often neglected genres of ethnic and world music, gospel, and traditional folk. This book is the ideal research tool for lovers of popular music in all its glorious variety.

The Popular Music Teaching Handbook

FrancoAngeli  
Popular music has long been a subject of academic inquiry, with

college courses taught on Elvis Presley, Bob Dylan, and the Beatles, along with more contemporary artists like Beyonce and Outkast. This collection of essays draws upon the knowledge and expertise of instructors from a variety of disciplines who have taught classes on popular music. Topics include: the analysis of music genres such as American folk, Latin American protest music, and Black music; exploring the musical catalog and socio-cultural relevance of specific artists; and discussing how popular music can be used to teach subjects such as history, identity, race, gender, and politics. Instructional strategies for educators are provided.

Take an up-front and behind-the-scenes look at The Doors. Although their career with their wild and unpredictable frontman lasted barely six years, The Doors are one of the most mind-blowing bands in rock history. Formed in Los Angeles in 1965 by UCLA film school acquaintances Jim Morrison and Ray Manzarek, the band became famous for a sound driven by powerful keyboards and haunting,

stream-of-consciousness lyrics. Rounded out by guitarist Robbie Krieger and drummer John Densmore, the quartet released a string of six highly successful studio albums. Jim Morrison's death at age 27 didn't stop him or the band from joining the rock world's pantheon. *The Doors: The Illustrated History* is an extensive, chronological examination of the band's career with Morrison - a period which, though brief, suffers no shortage of tales and anecdotes - as well as their short stint as a trio post-Morrison and their more recent collaborations with the likes of Ian Astbury, Perry Farrell, Scott Weiland, and Skrillex. Candid concert images, revealing offstage photographs, and images of memorabilia like picture sleeves, gig posters, ticket stubs, buttons, and more comprise over 250 illustrations. A roster of respected music journalists' insightful analyses of each of the band's studio releases completes this in-depth, up-close look at this intense group of musicians and the legendary music they created. No fan will want to miss it!

*America in the Great*

*Stoned Age, 1945-2000*  
ABC-CLIO

The year is 1863. Deep in the backwoods of Coker County, Tennessee, farmer Boone Dillard and his family live in ritualistic harmony with the earth and its seasons, content to eke out a living from the land, unaware even of the Civil War that engulfs the nation around them... that is, until Boone is seduced by a mysterious traveling peddler's dulcet promises of fame, fortune, and glory. As Boone and his hulking yet childlike brother-in-law Jebber set forth in search of their destiny, they set into motion a haunting and disturbing chain of events that threatens to tear the family apart, awaken restless ghosts, and alter the course of their lives forever. From rock and roll legend Ray Manzarek comes *Snake Moon*, a bewitching and ghostly Civil War-era parable of Eden. *Snake Moon* stunningly blends ancient myth and fable with the charm and voice of rustic Americana and exposes themes of violence, heroism, and the loss of innocence amid the horrors of war with captivating intensity that builds to a stunning and unforgettable climax.

Doors co-founder and

keyboardist Ray Manzarek is the author of the autobiography *Light My Fire: My Life with the Doors*, and the novel *Poet in Exile*. In recent years he and co-wrote and directed *Love Her Madly*, which premiered in February of 2001. He currently tours with Doors co-founder Bobby Krieger, and Cult singer Ian Astbury, as *Riders on the Storm*.

THE DOORS FAQ: ALL THAT'S LEFT TO KNOW ABOUT THE KINGS OF ACID ROCK

*Light My Fire* Penguin

From one of rock's greatest writers, *Love Becomes a Funeral Pyre* is the definitive biography of the Doors Spanning the entire history of the band, from the birth of its members to the deaths of those who have departed, this book will long remain the definitive history of a band that changed the history of popular music. The band that started out as the "American Rolling Stones," noted for their wildly unpredictable performances, their jazzy vibe, and the crazed monologues of their front man, ended as badly as did the '60s: abruptly, bloodily, cripplingly. Along

with evoking the cultural milieu of Los Angeles in the era, bestselling writer Mick Wall captures the true spirit of that tarnished age. From the release of their classic first album, *The Doors*, to their last with Jim Morrison, *L.A. Woman*, this band biography is a brilliantly penetrating and contemporary investigation into the real story of the Doors.

Light My Fire Entangled: Brazen

Celyn the Charming, ordered by the queen to protect Elina Shestakova of the Black Bear Riders of the Midnight, finally meets the one woman who is completely unimpressed by him and his world-renowned charms. Original.

*The Doors* Hachette Books

"Frank 'O' Blue Eyes'

Sinatra in the fifties and sixties is the explosive, explicitly profane story of one of the most venerated entertainers of our time.

The year 1950 is a time of extreme emotional turmoil for the beleaguered Sinatra. His plunge from the epitome of popularity is highly attributed to his clandestine affair with beautiful actress Ava Gardner. As a result, his TV show, personal appearances, recording

sessions and movie audience attendance suffer greatly. His highly publicized separation and eventual divorce from wife Nancy leads to a tempestuous two-year marriage to the ravishing Ava. While Frank is unable to solve Ava's quintessence, he can never get over his profound, unyielding love for her. She remains the girl of his dreams.

Following his motion picture Academy Award for Best Supporting Actor in the film "From Here To Eternity" in 1954, his career resurges to new and even greater heights. His ill-fated marriage to rising star Mia Farrow who is 30 years younger and is called a "hippie" and "flower girl" results in a roller coaster ride ending after only two tumultuous years. Join with Frank as he once again journeys to the top of the entertainment world, accompanied by the fabled "Rat Pack," consisting of Dean Martin, Sammy Davis Jr., Peter Lawford, Joey Bishop, Shirley MacLaine and several others. Frank is highly responsible for the election of President John Kennedy. This story is told in first person by Marty tanner - one of Frank Sinatra's close

associates.

*How to Ignite Passion and Excitement in the Woman You Love* Penguin

Aisling Grey is juggling being a demon lord, a Guardian, and a wyvern's mate, even though she's keeping her distance from said wyvern, Drake, these days. But her presence is still required at a meeting of the green dragons. Since several attempts have been made on her life, Drake is sure to get protective of her. Which might not be a bad thing when war breaks out and all hell breaks loose-literally.

Interdisciplinary insights from theoretical debate and field work

Comedian Robin Williams said that if you remember the '60s, you weren't there. This encyclopedia documents the people, places, movements, and culture of that memorable decade for those who lived it and those who came after. • Nearly 500 A-Z entries on the political, religious, artistic, and popular topics of the decade • A chronology of significant political and social events • 50 photographs and illustrations • Dozens of expert contributors from a variety of fields and academic disciplines • An extensive annotated
