(Berklee Guide). This book by Berklee bass prof Anthony Vitti will help you make your bass lines more creative, unique and memorable. Tap into the groove and evolve your bass lines by using fills. This book brings you beyond the basics and helps you incorporate figures into your lines that are natural to the groove, and applicable to many styles. The play-along recordings let you hear the fills in context, then practice them with a rhythm section. *Intermediate Electric Bass* Alfred Music Publishing (Book). The Bass Book offers a complete illustrated history of bass guitars from Fender's first in the 1950s through the models of the next 40 years that formed the foundation for modern music. The bass guitar is undoubtedly one of the most significant instruments of this century, yet this book is the first to study its history. Features original interviews with bass makers past and present, dozens of unusual, specially commissioned color photos, and a reference section that provides a wealth of information on every major manufacturer.

Classic Funk and R&B Grooves for Bass Mel Bay Publications Bill "The Buddha" Dickens is a phenomenal bass talent whose reputation has reached legendary cult status as one of the top session bassists in the world. Bill Dickens teaches all of his amazing funk grooves and patented slap, pop, and percussive techniques in this must-have book. Everything is demonstrated slowly on the included CD and all the music is written in standard notation and TAB.
