"The author was one of the founders of modern-day witchcraft. This is her 'Book of Shadows,' what they used to call a grimoire, or 'Book of Spells.' It presents her personal approach to witchcraft, what she learned over her many decades of practicing magic, including: how to invoke the deities or spirit powers, the

gods and goddesses that inhabit our world; the pagan holidays, what they mean and how to honor them; working with moon power throughout its phases; a witch's toolkit of spells and rituals for contacting one's ancestors, seeking protection from malevolent forces, and advanced manifestation practices; and an exploration of the principles of self-realization through witchcraft" [Witchy Wisdom at Your Fingertips](#) AuthorHouse

★★Buy the Paperback version of this Book and get the Kindle Book version for FREE ★★ Do you wish to harness the powers of the universe to change your life? Do you want to start practicing magic? Through this book, Luna Lovegood, takes you through the world of wiccan practices and has tried to provide an unbiased approach, though undoubtedly her own experiences as a practicing wiccan might have influenced certain sections of this book. Just like a practitioner of meditation, yoga, or physical exercise, who changes the inner workings of their mind and body through regular practice, so does a witch align themselves with the natural world around them. Such is the nature of Pagan religions, including Wicca. The world of magic is full of immeasurable potential. There are thousands of spells in existence, for every purpose you could possibly imagine. In this book, you will find spells and other magical workings that can bring positive experiences into your life. Each spell contains clear instructions, but you can personalize the work as you see fit, using your own sensibility. Since time immemorial, hopeful lovers have tried spells and potions of all sorts in order to bring them their one true love. In this book you'll find spells for attracting romantic love into your life, but also workings related to friendship and family relationships, which are equally important

sources of love in a balanced life. Witches know that we can attract money from unforeseen places into our lives through the use of focused intention, and you'll find spellwork here for doing just that. But cash is not the only form of abundance. Opportunities for growing future wealth are also important, as are an abundance of friends, pleasurable activities, and healthy options for nourishing our bodies. To that end, you'll find spells for increasing business success, abundance in the garden, and even a spell for landing an important job, in addition to money-specific workings. Although it can be difficult to maintain a healthy and positive state of well-being in our fast-paced world, it's relatively easy to balance your own personal energy through spellwork that promotes motivation and endurance. In this section you'll find a range of approaches to reducing stress and increasing your access to the reservoir of positive energy available to you in your daily life. The energy of your environment is also crucial to your quality of life, so you'll find a few protection spells to enhance your physical and social environments and keep out unwanted energy. There are also some miscellaneous spells focused around tools sourced directly from nature, new ways to request information from the Universe, recipes for creating your own oil blends, and a set of magical workings based on the Moon's cycles. However, nothing in this inspiring, fascinating religion is set in stone. The great thing about Wicca is that you are free to come up with your own belief system. Start this journey with Luna, let her be the guide that will inspire you in the search for your own path. Don't Delay - Scroll up and click the BUY button!

The Shadow Witch A wonderful story that takes place inside a fireplace. Fanciful and descriptive. Long ago, in the Land of Shadows, lived the Shadow Witch, the one beautiful and loving creature in all that dim and darksome land that lies away from the Land of Fire, and between it and the Chimney Back. Close to her domain is the great Plain of Ash, where the giant, Curling Smoke, rises, where the crafty Ash Goblin lurks, where the boisterous Wind in the Chimney swoops down from out the Chimney Mouth. Here, I will tell you the story of how the Shadow Witch came to leave that grim land with its evil fairies, and why it is that she now dances with happiness amid the good fairies of the Fire, in the Land of Glowing Embers.
