### EMILIO RANDALL

Cold Justice Bianca Sommerland

On the long trip back to Toronto from an art show in Detroit, Shawna's bus makes an unexpected stop in the middle of nowhere. When the bus is evacuated, she ends up alone with a man who's just as dark and dominant as the heroes in her favorite books. Her desires tempt her to let her guard down—to take a chance that he might be everything she needs—but how far is she willing to go? She's afraid to find out . . . and even more afraid not to.

Dark Justice Simon and Schuster

From World Fantasy Lifetime Achievement Award winner Michael Moorcock comes the first book in his famous Elric of Melniboné series, brought to vivid new life with stunning illustrations. In one of the most well-known and well-loved fantasy epics of the 20th century, Elric is the brooding, albino emperor of the dying Kingdom of Melnibone. With Melnibone's years of grandeur and decadence long since passed, Elric's amoral cousin Yrkoon sets his eyes on the throne. Elric, realizing he is his country's best hope, must face his nefarious cousin in an epic battle for the right to rule. Elric of Melnibone is the first in Michael Moorcock's incredible series, which created fantasy archetypes that have echoed through the genre for generations. The beautiful, vivid illustrations bring new life to the story and are sure to captivate fans, new and old.

**Deadly Captive: The Trilogy** Off the Page Productions, LLC

Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

**Overtime** Bianca Sommerland

Braxton Richards has always seen the goal clearly, knows the steps to take to reach it, except when it comes to relationships. But that kind of distraction can mess up his game if he's not careful. And he's got a very bad habit he needs to find a way to kick. Falling for the wrong man. Self-discipline isn't usually a problem for Detective Ryan Hamilton. When he indulges in something for his own pleasure, he has no trouble walking away. Hell, he managed to walk away from Braxton once. But he couldn't forget him. One night of temptation leads to another, until both men are in too deep to care about the risks. The only problem is they can't be ignored for long. If what they have is worth keeping, they have to face off against the

challenges that spill over into both their lives. Finally take that chance... Of coming out with a win.

**Stolen Justice** Bianca Sommerland

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

**Line Brawl** Bianca Sommerland

Breaking a few rules didn't seem like a huge deal. With his name on several government assassination lists, Wren Gibson's prison sentence might've been the shortest in hacker history, until an unlikely rescue lands him behind the sturdy brick walls of The Asylum Fight Club. Where everyone can game the rules, yet he's forbidden from even placing his piece on the board. But one Dom tempts him to gamble everything. The Asylum's resident, on-call medic, Jared "Doc" McCleod is familiar with the histories of every man who crosses the club's threshold. Their pain, their fear... Of them all, only Wren has held on to his secrets, a fascinating contrast with how completely he gives up control. As the general on the front lines of The Asylum's internal and external battles, it's Jared's duty to make certain the quiet sub with soulful brown eyes doesn't fly under his radar for long. Showing his hand could cost them both. When Jared takes on the task of helping Wren recover from an unexpected injury, Wren begins to wonder. While the Dom is tending to everyone else, who is there for him? To show Jared he can be the sub he needs, he would willingly light himself on fire. For an ex-con with a target on his back, risking that kind of notice is a dangerous strategy, but... Sometimes, getting what you want requires going all in.

**Street Smarts** Bianca Sommerland

Silver Delgado has gained control of The Dartmouth Cobras—and lost control of her life. Hockey might be the family business, but it's never interested Silver. Until her father's health decline thrusts responsibility for the team he owns straight into her hands. Now she has to find a way to get the team more fans, and establish herself as the new owner. Which means standing up to Dean Richter, the general manager and the advisor her father has forced on her. The fact that their 'business relationship' started with her over his lap at his BDSM club shouldn't be too much of a problem. Their hot one night stand meant nothing! But how can she earn his respect when he sees her as submissive? Can they separate work and the lifestyle she's curious to explore? Balancing her new life away from Hollywood, living among people who see her as the selfish Delgado princess, has her feeling lost and alone until Landon Bower, the Cobras new Goalie slips into her life and becomes her best—and only—friend. The time they spend together makes everything else bearable, but before long his eyes meet hers with more than friendship, reflecting what she feels. Which could ruin everything. Two Dominant men who see past her pretty mask and the shallow image she portrayed to the flashing cameras. A gentle attack from both sides that she can't hope to block unless she learns how to play. But she's getting the hang of the game.

**Breaking Dawn** Little, Brown Books for Young Readers

As fast-paced and engrossing as any hockey game, Game Misconduct sizzles hot enough to melt ice. Bianca Sommerland definitely scores with this captivating, erotic read.~ Cherise Sinclair Author of Club Shadowlands and Queen of BDSM Romance Night owl Reviews TOP PICK!- Game Misconduct was an amazing read. I absolutely loved it. I fell in love with the characters from the very beginning.~Tigger9 Give me more Bianca any day! And I will buy her books till I go into the poor house. Expertly executed BDSM play! And you will not be disappointed as a hockey fan, or a BDSM aficionado.~ Sir's Kitten-Kinky Book Reviews Ms. Sommerland is an amazing writer, immersing you into a dark and dangerous world and making you completely emotionally attached to the characters. With a delicious storyline and kinky characters outside of the norm, Game Misconduct pushes you outside of your comfort zone and rewards your submission with phenomenally erotic sex. If you're a fan of hardcore BDSM, then this book is going to top your list of must reads!~ Silla Beaumont-Just Erotic Romance This book is packed with lots of steamy scenes, some edgy BDSM play and several menage encounters. The relationship between Oriana and her men goes beyond casual play partners to something deeper. While I'm not a polyamory fan myself, I think Ms. Sommerland handled the outcome of this unique situation very well. GAME MISCONDUCT is a fabulous start to The Dartmouth Cobras series!~Diana-The Forbidden Bookshelves Ms Sommerland takes us on an extremely incredible journey as we watch Oriana's master her own sexuality. She comes to realize that there is more out there that she craves and desires, than she has ever realized.~ Rhayne-Guilty Pleasures The game has always cast a shadow over Oriana Delgado's life. She should hate the game. But she doesn't. The passion and the energy of the sport is part of her. But so is the urge to drop the role of the Dartmouth Cobra owner's 'good daughter' and find a less...conventional one. Playmaker, Max Perron, never expected a woman to accept him and his twisted desires. Oriana came close, but he wasn't surprised when she walked away. A girl like her needs normal. Which he can't give her. He's too much of a team player, and not just on the ice. But then Oriana's father goes too far in trying to control her and she decides to use exposure as blackmail. Just the implication of her spending the night with the Cobra's finest should get her father to back off. Turns out a team player is exactly what she needs.

**Blind Pass** Bianca Sommerland

Survival is Deadly. From entertaining a bloodthirsty crowd to a brief taste of freedom, Lydia struggles to escape the only life she remembers. A life of being little more than a plaything to Cyrus. His obsession, his manipulations, never let her stray too far. But in making her strong enough to endure his games, he's created the one thing that will bring them all to an end. Read the trilogy too dark to be called romance, a love story rife with sacrifice, heartache, and bonds beyond the basic need to survive. There will be no trigger warnings. The book is the warning.

**The Dartmouth Cobras Volume 2** Bianca Sommerland

Nothing could stop Tim Rowe, the assistant coach of the Dartmouth Cobras, from falling in love with Madeline, but love alone can't satisfy every need. Sometimes, to reach the goal, you have to take the chance with a . . . Blind Pass. \*Previously released as part of the anthology Seduced by The Game **Rosemary Entwined** Off the Page Productions, LLC  
Gage Tackett comes off as a bad boy—detached and maybe a little dangerous. Definitely not Vet Sciences Professor Derek Paulson's type. When Gage arrives at Derek's veterinary clinic with a frostbitten stray dog, Derek realizes his most difficult student has a few things to teach him. Things he's more than willing to learn.

**Flawed Justice** Bianca Sommerland

A 2020 Newbery Honor Recipient! Christian McKay Heidicker, author of the Thieves of Weirdwood trilogy, draws inspiration from Bram Stoker, H. P. Lovecraft and Edgar Allan Poe for his debut middle-grade novel, a thrilling portrait of survival and an unforgettable tale of friendship. "Clever and harrowing." —The Wall Street Journal "Into the finest tradition of storytelling steps Christian McKay Heidicker with these highly original, bone-chilling, and ultimately heart-warming stories. All that's needed is a blazing campfire and a delicious plate of peaches and centipedes." —Kathi Appelt, Newbery Award honoree and National Book Award finalist The haunted season has arrived in the Antler Wood. No fox kit is safe. When Mia and Uly are separated from their litters, they discover a dangerous world full of monsters. In order to find a den to call home, they must venture through field and forest, facing unspeakable things that dwell in the darkness: a zombie who hungers for their flesh, a witch who tries to steal their skins, a ghost who hunts them through the snow . . . and other things too scary to mention. Featuring eight interconnected stories and sixteen hauntingly beautiful illustrations, Scary Stories for Young Foxes contains the kinds of adventures and thrills you love to listen to beside a campfire in the dark of night. Fans of Neil Gaiman, Jonathan Auxier, and R. L. Stine have found their next favorite book. A Booklist 2019 Editors' Choice Selection

**Deserted Justice** Intl Food Policy Res Inst

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

**Structural change, fundamentals, and growth : a framework and case studies** Off the Page Productions, LLC

Based on Evan Wright's National Magazine Award-winning story in Rolling Stone, this is the raw, firsthand account of the 2003 Iraq invasion that inspired the HBO® original mini-series. Within hours of 9/11, America's war on terrorism fell to those like the twenty-three Marines of the First Recon Battalion, the first generation dispatched into open-ended combat since Vietnam. They were a new pop-culture breed of American warrior unrecognizable to their forebears—soldiers raised on hip hop, video games and The Real World. Cocky, brave, headstrong, wary and mostly unprepared for the physical, emotional and moral horrors ahead, the “First Suicide Battalion” would spearhead the blitzkrieg on Iraq, and fight against the hardest resistance Saddam had to offer. Hailed as “one of the best books to come out of the Iraq war”(Financial Times), Generation Kill is the funny, frightening, and profane firsthand account of these remarkable men, of the personal toll of victory, and of the randomness, brutality and camaraderie of a new American War.

**Neutral Zone Trap** Amagi

Hardcore Training leads to a winning team. Why should parenting be any different? Luke Carter has messed up a lot of things in the past, but being a dad and a husband? He's gonna get that right. Practice should help, except there are strategies on the ice that work with unexpected scenarios that come up with a baby. Or...two. But if this family can figure out how to juggle diaper changes, bottles, and alternating naps, maybe they can manage the next step. Making it down the aisle.

**Defensive Zone** Henry Holt and Company

If there were an emergency number for adulthood, Matt Kincaid would have dialed it months ago. Raising his kid brother alone is already an uphill battle, never mind when an ugly gang initiation lands the teen in lockup. Again. Only, this time for a hate crime against a local fight club, where settling debts isn't taken lightly. When the club offers to let Matt risk everything in a long-shot match with a man who's as brutally handsome as he is tough, he jumps at the chance. If Matt wins, all will be forgiven. If not? Well, he might as well move in, because 'The Law' will own his ass...for a very long time. There are no limits to what Lawson 'The Law' Gaumond will do to protect the club he and his former lovers built. An inner-city sanctuary where Anniston Falls' gay leather culture thrives, The Asylum Fight Club isn't an easy place, but it's home. Taking on a local hothead whose younger brother vandalized the space isn't high on his priority list, but there's something about Matt that cries out for a firm hand. Lawson's never backed down from a fight, and he's not about to start when there's no way he can lose. When renewed gang violence erupts, spilling blood over The Asylum, Lawson and Matt must confront their pasts to find a way forward. Gunshots and knives should be harder to survive than this rough love, but coming to the ring armed with nothing but the truth is their greatest challenge of all.

**Goal Line** Off the Page Productions, LLC

Creating The Roughhouse Cafe is Matt Kincaid's dream come true. Even when the local gang gets too close for comfort. Or when a 'helpful' popstar's promo efforts have customers lining up around the block. Matt's totally got this. Maybe. The Asylum subs come to the rescue, breaking a few rules in the process. And there's no keeping secrets from the Doms for long. Kink and coffee apparently go together real well. Both best when served up hot.

WBCN and the American Revolution Grand Central Publishing

Learn to play the game. Knights of ice and Masters in the bedroom, The Dartmouth Cobras struggle to save their franchise while losing their hearts to the only women who can handle how hard and fast they live. Between corrupt owners, pressure from fans and the media, and desires beyond the norm, they have to fight to make their mark as a hockey team. All the men share a common goal. Giving their all on the ice. And in love. GAME MISCONDUCT (The Dartmouth Cobras #1) DEFENSIVE ZONE (The Dartmouth Cobras #2) BREAKAWAY (The Dartmouth Cobras #3) You can also pick up Volume 2 (books 4-6)

Solid Education Bianca Sommerland

The goal doesn't count until it crosses the line. Captain of the Dartmouth Cobras hockey team, Dominik Mason, believes his team can make a damn good playoff run. He and his men won't stop fighting until they win the ultimate prize. There's no doubt when it comes to The Game. Off the ice, there's nothing but uncertainty. His life has been in a holding pattern and it's time to move on. Which might be easier without the lifestyle that has lost its appeal. As much as he loved training subs, he's tired of giving his all only to go home alone. Tragedy once brought him closer to Sahara Dionne, the exquisite, yet fragile Ice Girl, but when her abusive-ex darkens her path once again, Dominik can't help but wonder if his friendship might not be the best thing for her. But she craves his touch, his dominance, and his possession. Everything he desires is finally within his reach. All he has to do is take the shot.

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately.
