 * The most authoritative annual guide to the very best Italian wines; more than 2,500 producers have been selected, and 22,536 wines* The awards honor ecologically aware wine producers who are working with the environment, bestowing 'Green' awards on those who create sustainable yields
 Italian Wines is the English-language version of Gambero Rosso's Vini d'Italia, the world's best-selling guide to Italian wine. It is the result of a year's work by over 60 tasters, coordinated by three curators. They travel around the entire country to taste 45,000 wines, only half of which make it into the guide. More than 2,500 producers have been selected. Each entry brings together useful information about the winery, including a description of its most important labels and price levels in Italian wine shops. Each wine is evaluated according to the Gambero Rosso bicchieri rating, with Tre Bicchieri awarded to the top labels. The guide is an essential tool for both wine professionals and passionate

amateurs around the globe: it provides the instruments for finding one's way in the complex panorama of Italy's wine world.

 This study looks at the sociocultural context of five Italian regions and at the situational context of restaurant encounters (a sub-type of service encounters) to examine address variation in spoken Italian—with a focus on singular address pronouns tu, voi and lei. It offers a thorough examination of distance and power dynamics between waiters and customers in a wide range of restaurant types. This book marks the introduction of Italian to the field of regional pragmatic variation and it will be of interest to linguists, Italianists and researchers more broadly working on service encounters. The author offers a new dimension to the understanding of social interaction and language use in contemporary Italy, uncovering cultural and linguistic differences between even adjacent geographical areas within a modern European nation state.

In recent years, a growing emphasis has been placed on tourism experiences and attractions related to food. In many cases eating out while on holiday includes the 'consumption' of a local

heritage, comparable to what is experienced when visiting historical sites and museums. Despite this increasing attention, however, systematic research on the subject has been nearly absent. *Tourism and Gastronomy* addresses this by drawing together a group of international experts in order to develop a better understanding of the role, development and future of gastronomy and culinary heritage in tourism. Students and researchers in the areas of tourism, heritage, hospitality, hotel management and catering will find this book an extremely valuable source of information.

On 1 January 2002, euro banknotes and coins were introduced in twelve EU Member States. Three more countries joined in the following years, and over 300 million people now use the euro in their daily transactions. The currency changeover was a technical success. From the very start, however, the vast majority of euro area citizens held the single currency responsible for a sharp rise in prices and a subsequent decline in their personal economic fortunes. This book puts forward convincing empirical evidence, primarily drawn from Italy's experience, to establish whether the introduction of the euro has had a major impact on prices, and if not, why so many people believe it has. Its significance lies not only in the documentation of a historic event, but also and more importantly, in the lessons it provides, which concern the public's understanding of inflation, the correct assessment of the effects of the single currency, and the need for appropriate measures when other countries adopt the euro.

A self-taught culinary virtuoso, Francesco Bracali is one of Italy's

top chefs. He and his brother, Luca, a sommelier, own the two-Michelin-stars restaurant Bracali in Massa Marittima, Tuscany. Once an unpretentious tavern run by their parents, the brothers turned it into a fine dining place where they revisited the region's rich gastronomic traditions in an innovative way. Their revolutionary approach—a novelty at first—today boasts international recognition. This book examines Tuscany's culinary history and analyzes the Bracali brothers' interpretation of traditional dishes and fine wine.

The New York Times Bestselling Book—Great gift for Foodies “The best, funniest, most revealing inside look at the restaurant biz since Anthony Bourdain's *Kitchen Confidential*.” —Jay McInerney
With a foreword by Mario Batali Joe Bastianich is unquestionably one of the most successful restaurateurs in America—if not the world. So how did a nice Italian boy from Queens turn his passion for food and wine into an empire? In *Restaurant Man*, Joe charts a remarkable journey that first began in his parents' neighborhood eatery. Along the way, he shares fascinating stories about his establishments and his superstar chef partners—his mother, Lidia Bastianich, and Mario Batali. Ever since Anthony Bourdain whet literary palates with *Kitchen Confidential*, restaurant memoirs have been mainstays of the bestseller lists. Serving up equal parts rock 'n' roll and hard-ass business reality, *Restaurant Man* is a compelling ragu-to-riches chronicle that foodies and aspiring restaurateurs alike will be hankering to read.

L'Osteria del Lupo Bianco John Benjamins Publishing Company
L'Osteria del Lupo Bianco è una storia raccontata in prima persona dall'autrice che, con occhi di bambina, osserva e

descrive non soltanto la storia di un'attività ristoratrice, ma le vicende della sua numerosa famiglia e degli affetti che lì vivono e crescono e di uno spaccato storico del nostro Paese che abbraccia un periodo che va dai primi decenni del '900 alla fine del secolo scorso. Rebecca farà la conoscenza di alcuni vecchi ospiti dell'osteria, come i veterani tedeschi e quelli americani tornati in Italia per un importante anniversario: la fine della Seconda Guerra Mondiale. Si entusiasmerà nel conoscere attori famosi come Liz Taylor e Richard Burton, che di passaggio a Roma, proprio durante gli anni della "Dolce Vita", si ritroveranno a mangiare per caso nello storico locale situato sulla via Casilina. E poi, gli originali parenti di Rebecca; tanti, troppi per lei, frutto di una nidiata di diciassette marmocchi, nata nei primi decenni del secolo scorso, dal ventre rigoglioso della sua bisnonna materna, Lina. Vivrà in prima persona, nel 1970, i festeggiamenti organizzati dal Presidente Saragat, in onore del centenario della sua bisnonna paterna Luisa che come amava sempre ricordare ai suoi nipoti e pronipoti, contribuì con un asino all'epopea garibaldina! Rebecca si ritroverà così adulta, imprenditrice dell'osteria costruita con tanto amore dai suoi nonni e migliorata negli anni dai suoi genitori. Un racconto scanzonato e pacato allo stesso tempo, sapori e profumi caserecci che accompagnano aneddoti dell'infanzia, pettegolezzi di quartiere, eventi storici cruciali. Simona Colantoni Gentili, laureata in lettere con indirizzo storico, programmista-regista per la Rai, autrice, giornalista, è al suo esordio letterario dopo aver maturato negli anni la convinzione di poter raccontare gli aneddoti e gli eventi più

curiosi della sua eccentrica famiglia districatasi magistralmente nelle vicende storiche della sua città, Roma e in fondo anche del suo Paese.
