figure it out pretty quickly. Play Piano by Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn classic hits by The Beatles, this book is for you.

PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano.
