Pass the Cisco CCNA exam with help from a Study Blast!! This
book is for the 200-120 exam. So what is a Study Blast? A "Study
Blast" is a book of facts and items listed out for you to read, learn
and memorize before taking a test. What can you do with the
book? Try making flashcards from the items that give you
difficulty. Read through before taking a practice test. Review
after your practice tests. Read this book the night before the
exam.. Make your own quizzes and tests.. Use this book for group
studies.. All that and more... We review all the latest data and
present it here. And by all means we are not a replacement for
the "Official Study Guide" but we are an add on for every test
taker to benefit from in helping them pass an exam. Please check
