A Perfect 10, Book 4, is a collection of solos designed to promote musical excellence for the intermediate-level pianist. Melody has chosen a favorite teaching piece from the four stylistic periods---Baroque, Classical, Romantic, and Contemporary---and written six original pieces in jazz, blues, ragtime, Latin, ballad, and showstopper styles. These 10 solos provide students with technical challenges as well as expressive opportunities for musical growth in mood, rhythm, melody, harmony, form, articulation, and dynamics. Students do not have to be an Olympic hopeful to achieve a perfect "10," but they might feel like one as they practice and perform these selections! In this day, when rock and rap reign supreme, the world takes notice when a beautiful ballad comes along. This gorgeous melody gained exposure and fame as part of the soundtrack to the television mini-series *The Civil War* and its popularity has continued. In the hands of the talented arranger Bob Cerulli, Ashokan Farewell fits the orchestra genre perfectly, whether string orchestra or full orchestra with the optional winds and percussion parts. This will be a most effective concert work. (3: 24)

The Big Book of Hymns Hal Leonard Corporation

For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid

picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.
