Return to Dreagan for a special Valentine's story featuring Constantine, the King of Dragon Kings, and his mate... He's loved her for eons, wanted her forever, and a day never passes without her at the forefront of his mind. The only way Con could pass the time as his fellow Dragon Kings slept away the centuries was to record his thoughts in journals: one for his responsibilities as King of Dragon Kings, and another for the object of his desire. Now that she's finally back in his life and

his arms, it's time she learns the truth. He played a part all those eons—maybe a little too well—but he never stopped loving her, and his journal will show her just how much. But Con is the one in for a surprise as his mate turns the tables on him and leads him on a merry chase. If he can find her, he knows he's in for something special. But then again, every day is extraordinary with his love by his side. And, thankfully, their future has never looked brighter.

There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you...

When Erith directs me to infiltrate the enemy and topple them from within, I immediately accept the challenge. I figure it'll be easy until a stunning warrior goddess crosses my path and diverts my attention. The problem? She's in league with those I was sent to take down. However, I soon discover there is more to her than meets the eye and quickly find my mission divided: disband this new group of Fae Others and save the gorgeous Light from her family—and herself. All it takes is one look, one conversation to know that she's mine, and I will chance Death's displeasure to make it so. But the risks are great. Because when you fall in love with the enemy,

more than your heart is on the line.

**Dark Alpha's Passion** DL Grant, LLC  
New York Times bestselling author Donna Grant brings you the first of a thrilling time-travel adventure. Earth is about to be annihilated by creatures spoken of only in myths and legends. The fabled race of the Fae has gathered together a group of warriors highly skilled and trained to defeat these creatures. These men come from different times and realms, giving their lives, if necessary, to end the

destruction of our world. Dear Reader – Have you ever wanted to travel through time with weapons crafted by the Fae themselves? To experience adventure so thrilling and dangerous you don't know if you will live to see tomorrow? Now my men and I are faced with fighting creatures only thought to live in legend but which have been brought to Earth by evil bent on annihilating all the realms. That is my life – and I love it. At least I did until I found myself staring into the angelic, innocent face of Lady Mina of Stone Crest. In all the time I have led the Shields I have trusted my instinct to keep us alive, yet now I don't know what to believe. Everything points to Mina as the evil summoning the creatures, but she proclaims her innocence. I should be able to see through her lies, if she is indeed lying, but my attraction to her blinds me to even that. The last time I found myself so lured to a woman, it nearly cost me the lives of my men. I cannot allow that to happen again. I won't allow that to happen again. Yet every time she looks at me, begging me with those blue-green eyes to believe her, I find myself sinking further under her spell. Her mouth is a temptation

mortal men will never know and her love will either bring me the peace I thought I'd never find – or the death I've managed, thus far, to avoid. Hugh the Righteous *Handbook of Toxicology, Second Edition* DL Grant, LLC

me and trained me in weaponry and battle until I became a warrior to be feared. When the same evil that destroyed my realm threatened Earth and the Fae, I was the first to volunteer for the Shields. With my immortality the only link I have to my past, I take what comfort I can in the arms of women.
