SHELTON MAXIMO

The Son Crown

"In 1881 'Big Jim' Durham, an English soldier of fortune and profiteer, ruthlessly creates for Elianne Desmarais, his young French wife, the finest of the great sugar mills of the Southern Queensland cane fields, and names it in her honour. The massive estate becomes a self-sufficient fortress, a cane-consuming monster and home to hundreds of workers, but 'Elianne' and its masters, the Durham Family, have dark and distant secrets; secrets that surface in the wildest and most inflammatory of times, the 1960s. For Kate Durham and her brothers Neil and Alan, freedom is the catchword of the decade. Young Australians leap to the barricades of the social revolution. Rock'n' roll, the Pill, the Vietnam War, the rise of Feminism, Asian immigration and the Freedom Ride join forces to rattle the chains of traditional values. The workers leave the great sugar estates as mechanisation lessens the need for labour. And the Durham family, its secrets exposed, begins its fall from grace ..."--Back cover.

Peter Lang

Is passion dangerous and to be avoided? Can we really be fulfilled without love, and can a broken heart ever be repaired? Is friendship still possible once desire has diminished or gone? Can mean and vicious people be happy? Is ambition overrated and only for losers? Are possessions and great wealth a guarantee of happiness, or an obstacle to it? Should we care about our reputations or what others say about us? Does it matter what we

leave behind us for future generations? Can women be as fulfilled as men, or vice versa?Madame du Ch^otelet addresses these and other perennial questions in a style of prose that is at once warm, engaging, and uniquely her own. Drawing freely from her own joys, disappointments and present state of anguish, she encourages the reader to learn from experience and inevitable mistakes, and to confront the gifts and blows of life fearlessly, at every age. Though she writes in the mid-18th century, and in circumstances of relative comfort, her private reflections have a timeless and universal quality. She seems to light a path towards the many sources and forms of happiness and fulfilment that are within reach, not just of paragons of virtue, but of mere humans with all their flaws and frailties. In the midst of her own despondency, she inspires us with her wisdom, her discernment, and a 'gourmandise' that, just for a change, is not bad for our health.Madame du Ch^otelet is the author of these Reflections on Happiness, which she wrote in a state of despondency as her close relationship with the great writer and philosopher, Voltaire, was approaching its end. Nevertheless, Voltaire remained a good friend, right up to her death, in her early forties, a few weeks after the birth of her daughter, who also died a few months' later.Sheila Oakley, who has a doctorate in French 18th century history, has translated this Discourse on Happiness from French into English. She has also written the preface to this translation, and has added a short chronology of the author's life, and supplementary notes to explain certain contemporary allusions and references. She would be delighted to hear from readers who wish to give their impressions of the book, after reading it. She can be contacted at: sheila.oakley@eui.eu- or readers may prefer to write a review of the book by clicking on the appropriate rubric at the top of this web page.

The Art of Happiness Random House Australia

Réunis dans leur résidence estivale de l'île d'Orléans, non loin de Québec, les Miller et leurs six enfants offrent l'image de l'harmonie et de l'aisance. La crise des années trente les a épargnés. Chez eux, le goût du bonheur l'emporte sur les conventions et les préjugés d'une société paroissiale et étouffante. Comblée par un mari intelligent et sensuel, Gabrielle aspire à encore plus de liberté, prête à la révolte. La tendre et violente Adélaïde, sa fille, est déchirée entre sa tendresse pour le jeune Florent et sa passion pour l'Irlandais Nic McNally. Partout, alors que la rumeur de la guerre enfle en Europe, s'annoncent des orages du cœur, des menaces, des trahisons, la maladie. Mais rien ne semble pouvoir briser le courage et l'énergie vitale des Miller.

Suzanne Harvard University Press

Anaïs Barbeau-Lavalette never knew her grandmother Suzanne, an artist who abandoned her husband and children in her youth and never looked back. The *Escape Artist* is a fictionalized account of Suzanne's life over 85 years, taking readers through Québec's Quiet Revolution and the American civil rights movement, offering a portrait of a volatile woman on the margins of history.

The Light Years Ekstasis Editions

In this New York Times bestseller, two women in different eras face similar life-altering decisions, the politics of exclusion, the terrible choices we face in wartime, and the redemptive power of love. In 1945, Elsie Schmidt is a naive teenager, as eager for her first sip of champagne as she is for her first kiss. She and her family have been protected from the worst of the terror and desperation overtaking her country by a high-ranking Nazi who wishes to marry her. So when an escaped Jewish boy arrives on Elsie's doorstep on Christmas Eve, Elsie understands that opening the door would put all she loves in danger. Sixty years later, in El Paso, Texas, Reba Adams is trying to file a feel-good Christmas piece for the local magazine, and she sits down with the owner of Elsie's German Bakery for what she expects will be an easy interview. But Reba finds herself returning to the bakery again and again, anxious to find the heart of the story—a story that resonates with her own turbulent past. For Elsie, Reba's questions are a stinging reminder of that last bleak year of World War II. As the two women's lives become intertwined, both are forced to confront the uncomfortable truths of the past and seek out the courage to forgive.

Elianne Stoddart Kids

This "dazzling" novel follows a family of English aristocrats as their country teeters on the brink of World War II (Penelope Fitzgerald). As war clouds gather on the distant horizon, Hugh, Edward, and Rupert Cazalet, along with their wives, children, and loyal servants, prepare to leave London for their annual pilgrimage to the family's Sussex estate. There, they will join their parents, William and Kitty, and sister, Rachel, at Home Place, the sprawling retreat where the three brothers hope to spend an idyllic summer of years gone by. But the First World War has left indelible scars. Hugh, the eldest of his siblings, was wounded in France and is haunted both by recurring nightmares of battle and the prospect of another war. Edward adores his wife, Villy, a former dancer searching for meaning in life, yet he's incapable of remaining faithful to her. Rupert desires only to fulfill his potential as a painter, but finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys—and limitations—of intimacy with another woman. A candid portrait of British life in the late 1930s and a sweeping depiction of a world on the brink of war, *The Light Years* is a must-read for fans of *Downton Abbey*. Three generations of the Cazalet family come to unforgettable dramatic life in this saga about England during the last century—and the long-held values and cherished traditions that would soon disappear forever.

The purpose of this study is to present two different but complementary readings of the novel and to offer the reader some sources and origins for what was later to develop into the novel. Chapter One, -Mythic Dimensions-, presents a -vertical- approach, in that it examines Alexandre's revelation, his encounter with a divine presence and a transcendent reality. Chapter Two of this volume, -Morality-, is an analysis of the text from a humanist viewpoint, primarily taking into account Alexandre's relationship with his fellow man, what might be termed a -horizontal- study. The novel sustains both levels of interpretation, and others, and proves in the process that it is perhaps Gabrielle Roy's most profound work."

Myth and Morality in "Alexandre Chenevert" by Gabrielle Roy University of Alberta

A handbook for French bookplate collectors. Also contains historical notes about French bookplates.

Le goût du bonheur: Adélaïde New Canadian Library

Fortysomething mother of two Josephine Cortes is at a crossroads. She has just moved to a posh new apartment in Paris after the success of the historical novel she ghost-wrote for her sister, Iris. Still struggling with her divorce she is now entangled too in a messy lie orchestrated by her sister. And just when things seem they can't get any more complicated, people start turning up dead in her neighbourhood. As Josephine struggles to find her voice and her confidence amidst a messy web of relationships and a string of murders, she and those around her must learn to find strength.

Maina Dominique Demers School of Life

In Alexandre Chenevert, the Montreal bank teller trapped by his narrow environment and acutely aware of his loneliness, Gabrielle Roy has created a vivid and poignant portrait of an ordinary man and his attempts to transcend his circumstances and his fate. Set in 1947 amid the crumbled dreams of the post-War world, and drawing on modern themes of personal alienation and of the restorative force of nature, *The Cashier* is a tour de force of characterization and empathy by a literary virtuoso.

A Tale of Monstrous Extravagance New Canadian Library

Sheridan presents a literary biography of one of the most important writers of the 20th century—an intimate portrait of the reluctantly public man, whose work was deeply and inextricably entangled with his life. 35 halftones.

Le Theatre Penguin

Résumé : Avec ce sixième roman, l'auteure nous entraîne dans la vaste saga familiale dont elle rêvait depuis plusieurs années. Il s'agit d'une trilogie qui prend racine dans une famille de la ville de Québec, au début des années 1930, vaste fresque sociale qui doit mener le lecteur jusqu'en 1967. Gabrielle, son mari Edward et leurs enfants sont au cœur de ce premier volet qui montre le destin d'êtres forts et généreux - en particulier certains personnages féminins - aux prises avec une société étouffante et pudibonde qui bride leurs aspirations les plus chères. Le volume se termine avec les débuts de la Seconde Guerre mondiale.

The Day Nina Simone Stopped Singing Orenda Books

C'est sous l'ombre tutélaire de bien des fantômes--Nick, mais aussi Gabrielle, Théodore--que se termine la saga de la famille Miller, dans ce troisième volume qui va de 1949 à 1967. Adélaïde et Florent, qui sont au centre du récit, auront besoin de bien des années pour se remettre du drame qui les a cruellement frappés. Mais avec son cortège de joies et de malheurs, la vie continue et c'est une nouvelle génération, autour des enfants d'Adélaïde, qui peu à peu prend la place et s'impose au lecteur. A tel point que l'on se prend à rêver une suite à cette fresque, empreinte d'émotion, de sensualité et de générosité, qui est aussi, sans y toucher, le récit de l'éveil d'une société à la modernité.

François-Louis Schmied p. 51-67.

Nikolski Associated University Presse

The Homeland actress's "recollections of her unconventional youth in war-torn Beirut are heartbreaking yet humorous . . . in this unique" memoir (Publishers Weekly). Raised in 1970s Lebanon on Charles Baudelaire, *A Clockwork Orange*, and fine Bordeaux, Darina Al-Joundi was encouraged by her unconventional father to defy all taboos. She spent her adolescence defying death in Beirut nightclubs as bombs fell across the city. The more oppressive the country became, the more drugs and anonymous sex she had, fueling the resentment directed at her daily by the same men who would spend the night with her. As the war dies down, she begins to incur the consequences of her lifestyle. On his deathbed, her father's last wish is for his favorite song, "Sinnerman" by Nina Simone, to be played at his funeral instead of the traditional suras of the Koran. When she does just that, the final act of defiance elicits a catastrophic response from her surviving family members. In this dramatic true story, Darina Al-Joundi is defiantly passionate about living her life as a liberated woman, even if it means leaving everyone and everything behind in this "beautifully taut and relentlessly unemotional" memoir (Kirkus).

Le Gout Du Bonheur Tome 1: Gabrielle Edizioni Pendragon

Coco Chanel invited Paul Morand to visit her in St Moritz at the end of the Second World War when he was given the opportunity to write her memoirs; his notes of their conversations were put away in a drawer and only came to light one year after Chanel's death. Through Morand's transcription of their conversations, Chanel tells us about her friendship with Misia Sert, the men in her life - Boy Capel, the Duke of Westminster, artists such as Diaghilev, her philosophy of fashion and the story behind the legendary Number 5 perfume...The memories of Chanel told in her own words provide vivid sketches and portray the strength of Coco's character, leaving us with an extraordinary insight into Chanel the woman and the woman who created Chanel.

"Children experience all sorts of emotions: sometimes going through several very different ones before breakfast. Yet they can struggle to put these feelings into words. An inability to understand and communicate their moods can lead to bad behaviour, deep frustration and a whole host of difficulties further down the line. An Emotional Menagerie is an emotional glossary for children. A book of 26 rhyming poems, arranged alphabetically, that bring our feelings to life - Anger, Boredom, Curiosity, Dreaminess, Embarrassment, Fear, Guilt, and more. Filled with wise, therapeutic advice, brought to life through musical language and beautiful illustrations, An Emotional Menagerie is an imaginative and universally appealing way of increasing emotional literacy"--Back cover.
