Kafka on the Shore Simon and Schuster
Merlyn Britannicus and Uther Pendragon---
the Silver Bear and the Red Dragon---are
the leaders of the Colony, lifeblood to the
community from which will come the
fabled Camulod. But soon their tranquility
is in ruins, Uther lies dead from treachery,
and all that is left of the dream is the
orphaned babe Arthur. Heir to the Colony
of Camulod, born with Roman heritage as

well as the blood of the Hibernians and the
Celts, Arthur is the living incarnation of the
sacred dream of his ancestors:
independent survival in Britain amidst the
ruins of the Roman Empire. When Arthur is
adopted by Merlyn Britannicus, an
enormous responsibility is placed on
Merlyn's shoulders. Now he must prepare
young Arthur to unify the clans of Britain
and guard the mighty sword Excalibur.
And, above all, Merlyn must see that
Arthur survives to achieve the rest of his
ancestors' dreams, in spite of the deadly
threats rumbling from the Saxon Shore.

"Of the scores of novels based on
Arthurian legend, Whyte's Camulod series
is distinctive, particularly in the rendering
of its leading players and the residual
Roman influences that survived in Britain
during the Dark Ages."--The Washington
Post At the Publisher's request, this title is
being sold without Digital Rights
Management Software (DRM) applied.
Blue Mind G K Hall & Company
In *The Jersey Shore*, Dominick Mazzagetti
provides a modern re-telling of the history,
culture, and landscapes of this famous
region, from the 1600s to the present. The

Shore, from Sandy Hook to Cape May, became a national resort in the late 1800s and contributes enormously to New Jersey's economy today. The devastation of Hurricane Sandy in 2012 underscored the area's central place in the state's identity and the rebuilding efforts after the storm restored its economic health. Divided into chronological and thematic sections, this book will attract general readers interested in the history of the Shore: how it appeared to early European explorers; how the earliest settlers came to the beaches for the whaling trade; the first attractions for tourists in the nineteenth century; and how the coming of railroads, and ultimately automobiles, transformed the Shore into a major vacation destination over a century later. Mazzagetti also explores how the impact of changing national mores on development, race relations, and the environment, impacted the Shore in recent decades and will into the future. Ultimately, this book is an enthusiastic and comprehensive portrait by a native son, whose passion for the region is shared by millions of beachgoers throughout the Northeast.

Rising Harvard University Press
A wildly entertaining and occasionally heartbreaking story of frustrated longing, and the lengths we will go for those we love—even if they don't love us in return. An Ocean Without a Shore, from the bestselling, critically acclaimed author of *Endless Love* and *Man in the Woods*, is a beautifully rendered exploration of that most timeless of human dilemmas: the one in which your love is left unreturned. Since their college days, Kip Woods has been infatuated with Thaddeus Kaufman, who, years later, is a married father of two children and desperately trying to revive a failing career. Kip's devotion to Thaddeus has been life-defining and destiny-altering, but it has been one that Thaddeus has either failed to notice or refused to acknowledge. But over the course of this heated and mesmerizing novel, set against a background of privilege and affluence in Manhattan and the Hudson Valley, Kip will be forced to reckon with the prison of his own making and decide how much he is willing to sacrifice for a love that may never be shared. Picking up where his most recent novel, *River Under the Road*, left off, but writing squarely in

the vein of *Endless Love*, his classic novel of passion and obsession, Scott Spencer gives us an intimate, immersive, and unsettling portrait of the devastation we will wreak in the name of love, and the bitterness of a friendship ravaged by fathomless yearning.

Dispatches from the New American Shore SUNY Press

Winner of the 1921 Pulitzer Prize, *The Age of Innocence* is an elegant, masterful portrait of desire and betrayal in old New York—now with a new introduction from acclaimed author Colm Tóibín for the novel's centennial. With vivid power, Wharton evokes a time of gaslit streets, formal dances held in the ballrooms of stately brownstones, and society people "who dreaded scandal more than disease." This is Newland Archer's world as he prepares to marry the docile May Welland. Then, suddenly, the mysterious, intensely nonconformist Countess Ellen Olenska returns to New York after a long absence, turning Archer's world upside down. This classic Wharton tale of thwarted love is an exuberantly comic and profoundly moving look at the passions of the human heart, as well as a literary achievement of the

highest order.

The Murder Room Random House

When the prince of Enlad declares the wizards have forgotten their spells, Ged sets out to test the ancient prophecies of Earthsea.

The Jersey Shore LSU Press

North Jersey Shore towns such as Long Branch, Ocean Grove, Red Bank and Atlantic Highlands began as quiet retreats for pious New Yorkers wishing to escape the vice and crime of the city. However, with the passage of Prohibition in 1919, the region became a haven for criminals who began smuggling liquor through the serene seaside. Speakeasies sprang up on virtually every corner, as gangsters like Vito Genovese, Charles Luciano and Meyer Lansky ruled this brutal underworld, taking advantage of the criminal opportunity of a lifetime. The police and politicians were in their pockets, while civilians were caught in the crossfire of gun battles between rival syndicates. Discover the true drama that captured the Jersey Shore during Prohibition.

The Shore Bloomsbury Publishing USA

Thrilling, true tales from the Vidocq Society, a team of the world's finest

forensic investigators whose monthly gourmet lunches lead to justice in ice-cold murders Three of the greatest detectives in the world--a renowned FBI agent turned private eye, a sculptor and lothario who speaks to the dead, and an eccentric profiler known as "the living Sherlock Holmes"-were heartsick over the growing tide of unsolved murders. Good friends and sometime rivals William Fleisher, Frank Bender, and Richard Walter decided one day over lunch that something had to be done, and pledged themselves to a grand quest for justice. The three men invited the greatest collection of forensic investigators ever assembled, drawn from five continents, to the Downtown Club in Philadelphia to begin an audacious quest: to bring the coldest killers in the world to an accounting. Named for the first modern detective, the Parisian eugène François Vidocq-the flamboyant Napoleonic real-life sleuth who inspired Sherlock Holmes-the Vidocq Society meets monthly in its secretive chambers to solve a cold murder over a gourmet lunch. *The Murder Room* draws the reader into a chilling, darkly humorous, awe-inspiring world as the three partners travel far from their

Victorian dining room to hunt the ruthless killers of a millionaire's son, a serial killer who carves off faces, and a child killer enjoying fifty years of freedom and dark fantasy. Acclaimed bestselling author Michael Capuzzo's brilliant storytelling brings true crime to life more realistically and vividly than it has ever been portrayed before. It is a world of dazzlingly bright forensic science; true evil as old as the Bible and dark as the pages of Dostoevsky; and a group of flawed, passionate men and women, inspired by their own wounded hearts to make a stand for truth, goodness, and justice in a world gone mad.

*Close to Shore*A True Story of Terror in an Age of InnocenceG K Hall & Company
A Natural History of Minnesota's Superior Coast *Close to Shore*A True Story of Terror in an Age of Innocence

Describes how, in the summer of 1916, a lone great white shark headed for the New Jersey shoreline and a farming community eleven miles inland, attacking five people and igniting the most extensive shark hunt in history.

Blunder Simon and Schuster

An Ocean Without Shore is a study of Ibn Arabi, known in Islam as al-Shaykh al-Akbar, the Greatest Spiritual Master. In the introduction, Chodkiewicz provides a good deal of documentation for the often heard claim that Ibn Arabi has been the most influential thinker in Islam over the past seven hundred years. He shows that this has been true, not only among the intellectual elite, but also among the common believers. He explains why a few Muslims have considered Ibn al-Arabi the greatest heretic of Islam, while for many others he is Islam's greatest spiritual teacher. In the main body of the book, Chodkiewicz demonstrates that Ibn Arabi's writings are firmly grounded in the Koran. In doing this he also shows that Ibn Arabi's Koranic roots run far deeper than has heretofore been imagined. He explains that principles of Ibn Arabi's Koranic hermeneutics with unprecedented clarity, and in bringing out the primary importance of the Shaykh's magnum opus, *The Futuhat Makkiyya*, he solves a good number of riddles about the text that have puzzled modern readers. Chodkiewicz's work shows how, for Ibn Arabi, the initiatory voyage is a voyage in the divine word

itself.

The Eastern Shore Penguin

In this joyful and impactful picture book, a transgender boy prepares for the first day of school and introduces himself to his family and friends for the first time. Calvin has always been a boy, even if the world sees him as a girl. He knows who he is in his heart and in his mind but he hasn't yet told his family. Finally, he can wait no longer: "I'm not a girl," he tells his family. "I'm a boy--a boy in my heart and in my brain." Quick to support him, his loving family takes Calvin shopping for the swim trunks he's always wanted and back-to-school clothes and a new haircut that helps him look and feel like the boy he's always known himself to be. As the first day of school approaches, he's nervous and the "what-ifs" gather up inside him. But as his friends and teachers rally around him and he tells them his name, all his "what-ifs" begin to melt away. Inspired by the authors' own transgender child and accompanied by warm and triumphant illustrations, this authentic and personal text promotes kindness and empathy, offering a poignant and inclusive back-to-school message: all should feel safe,

respected, and welcomed.

Jaws Simon and Schuster

A GQ Best Book of the Month • A New York Post Must-Read Book • A Flavorwire Book of the Week • A New York Daily News Can't-Put-Down Novel "[Parish] has got chops, and a feel for dialogue, and is a talent in the making." —Bill Buford, *The Wall Street Journal* "Read this book in a beach chair. . . . [A] worldly and propulsive debut."—GQ An exhilarating novel of reinvention, friendship, and ambition—from the Jersey Shore to St. Andrews in Scotland Tom Alison has it all within his reach. He's smart, handsome, and about to graduate from a prestigious East Coast boarding school. After that it's off to the Ivy League and then a job on Wall Street, alongside the power brokers he's been watching from a distance as the working-class son of a single mom. And then the very life his mother worked so hard to escape catches up with him when he gets busted selling drugs. Lucky for Tom, there are places for boys and girls with ruined reputations. First, he returns to his roots on the Jersey Shore, reconnecting with a hard-living crew and cementing a bond with his new friend Clare

Savage—the son of a recently disgraced financier. The two boys spend their summer surfing and partying. When fall arrives, they head to St. Andrews University in Scotland, a haven for Americans in need of a second chance and a favorite of the British ruling class. Tom and Clare escape to Scotland together, but it's Tom who discovers a world shaped by even more powerful forces of greed and ambition than the one he left behind. Sucked into a maelstrom of sex, drugs, and status, Tom learns what it takes to break the rules—and how we can be broken by them. Driven by a cast of young men and women living in an age of riotous prosperity, *Down the Shore* is an unflinching and unforgettable story of youth steeped in excess. Stan Parish has crafted a gripping novel that masterfully captures the lives of fallen financiers and the people they bring down with them—and reminds us that not even an ocean can separate us from our family, our friends, or our past.

The Road Milkweed Editions

A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell

you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast *Call Your Girlfriend*, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls.

Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And

that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, Big Friendship will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.

Ibn Arabi, the Book, and the Law Rowman & Littlefield

"A novel set on a remote Australian island, where a childless couple live quietly running a lighthouse, until a boat carrying a baby washes ashore"--

A Shore Thing Harmony

For anyone whose best-laid plans have been foiled by faulty thinking, *Blunder* reveals how understanding seven simple traps—Exposure Anxiety, Causefusion, Flat View, Cure-Allism, Infomania, Mirror Imaging, Static Cling—can make us all less apt to err in our daily lives.

The Lynching of Matthew Williams and the Politics of Racism in the Free State
Penguin

Vinny Guadagnino, star of Jersey Shore, discusses his lifelong struggle to control the effects of social anxiety and stress, and teaches readers the tools and techniques he's used to stay calm and maintain his sanity in all types of crazy situations--both on and off the show. For more than a decade Vinny has been keeping a secret from his family, his friends, his castmates, and his fans: the fact that he's not as carefree and stress-free as he appears. Vinny suffers from panic attacks that strike without warning. They plagued him throughout his teens, forced him to move home from college, and tormented him during the first season of Jersey Shore. After fleeing the set during the filming of the fifth season of the show, Vinny realized he could no longer keep his problems to himself. It was time to speak out. In this book, Vinny discusses how he's confronted his demons head on, and he gives readers the tools to do so themselves. For the millions of his fans who are also feeling overwhelmed with the world around them and by their own thoughts, Vinny offers a practical plan for taking control of your life, your body, and your mind.

A Novel Little, Brown
NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate

destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

The Terrifying Shark Attacks of 1916
St. Martin's Press

"A first-rate storyteller who creates believable, sympathetic characters who seem as familiar as your neighbors," (The Boston Globe), Barbara Delinsky presents a captivating new novel about a woman whose unexpected reunion with her estranged family forces her to confront a devastating past in *A Week at the Shore*. One phone call is all it takes to lure Mallory Aldiss back to her family's Rhode Island beach home. It's been twenty years since she's been gone—running from the scandal that destroyed her parents' marriage, drove her and her two sisters apart, and crushed her relationship with the love of her life, Jack Sabathian. Twenty years during which she lived in New York, building her career as a photographer and raising her now teenage daughter Joy. But that phone call makes it clear that something has brought the past forward again—something involving Mallory's father. Compelled by concern for her family and by Joy's wish to visit her

mother's childhood home, Mallory returns to Bay Bluff, where conflicting loyalties will be faced and painful truths revealed. In just seven watershed days at the Rhode Island shore, she will test the bonds of friendship and family—and discover the role that love plays in defining their lives. *Why Smart People Make Bad Decisions* Penguin

Contemporary / British English Amity is a quiet town near New York. One night a woman goes for a swim in the sea. The next morning somebody finds her body on the beach. Brody is the Amity policeman. He thinks there's a killer shark out there. But the important people don't listen to

him.

How We Keep Each Other Close

Houghton Mifflin Harcourt

LONGLISTED FOR THE GUARDIAN FIRST BOOK AWARD 2015 LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION 2015 *The Shore*. A collection of small islands sticking out from the coast of Virginia into the Atlantic Ocean that has been home to generations of fierce and resilient women. Sanctuary to some but nightmare to others, it's a place they've inhabited, fled, and returned to for hundreds of years. From a brave girl's determination to protect her younger sister as methamphetamine ravages their family, to a lesson in

summoning storm clouds to help end a drought, these women struggle against domestic violence, savage wilderness, and the corrosive effects of poverty and addiction to secure a sense of well-being for themselves and for those they love. Their interconnecting stories form a deeply affecting legacy of two island families, illuminating the small miracles and miseries of a community of outsiders, and the bonds of blood and fate that connect them all. Dreamlike and yet impossibly real, profound and playful, *The Shore* is a richly unique, breathtakingly ambitious and accomplished debut novel by a young writer of astonishing gifts.
