WILLIAMS MAY

Morgawr Larousse Kingfisher Chambers
Originally published in 1978 *Sea Serpents, Sailors and Sceptics* looks at stories of folklore and mythology which have fascinated sailors from antiquity to the modern day. From stories of large unauthenticated sea creatures to the Loch Ness Monster, documented sightings are vast and the book provides a concise survey and review of the subject of ocean folklore. It shows how

some large sea creatures, such as the giant squid, have been established and addresses some of the explanations of sea serpents and other sea creatures as now known, categorised species and offers a classification of these species that have formulated the mythologies of the sea throughout time. The book discusses how relatively little is known about the sea still and offers a practical look at the possibility that these mythological creatures, might in fact be, as yet undiscovered species. This book provides a unique interdisciplinary volume, crossing between the area of

literature and folklore, and natural historians alike, and will appeal to academics working in the field of natural history and folklore alike.

Monsters of the Deep Morgawr The New York Times bestselling author of the classic Shannara epic, Terry Brooks, has proven himself one of the modern masters of fantasy, brilliantly creating breathtaking worlds of magic, adventure, and intrigue. Now, for the first time in one marvelous collector's edition hardcover, here's the complete trilogy of the Voyage of the Jerle Shannara: *Ilse Witch*, *Antrax*, and *Morgawr*. In these enchanting novels, a colorful contingent of characters takes to the skies aboard a magnificent airship—the Jerle Shannara—on a quest fraught with wonder and danger. *Ilse*

Witch A half-drowned elf carries a map covered with cryptic symbols—and Walker Boh, the last of the Druids, has the skill to decipher them. But someone else understands the map's significance: the ruthless *Ilse Witch*, who will stop at nothing to possess it—and the powerful magic it leads to. *Antrax* While in search of the elusive magic, Walker Boh is lured into a trap—caught in a dark maze beneath a ruined city, stalked by a hungry, unseen enemy. It is *Antrax*: a spirit that feeds off enchantment and traps the souls of men. Now the fate of the Four Lands hangs in the balance. *Morgawr* The intrepid heroes aboard the Jerle Shannara have reached their breaking point. A centuries-old sorcerer, the *Morgawr*, vows to find and control the fabled ancient books of magic—and

he is an adversary of awesome might with a fleet of airships and a crew of walking dead men at his command. In *The Voyage of the Jerle Shannara*, Terry Brooks weaves together high adventure, vividly wrought characters, and a spellbinding world into an irresistible story of heroism and sacrifice, love and honor.

Morgawr Ekstasis Editions

Welcome to the weird and wonderful world of Cornwall, or as it is sometimes obscurely referred to, Merry Jack. Though this isn't the usual side of the county the tourists, travellers and residents see. This is the real Cornwall, the strange and twisted nooks and crannies of the county's bizarre history past, present and future. Following on from the bestselling Portico Strangest

titles now comes a book devoted to England's gloriously coastal, yet most haunted, region. Located in the toes of the outstretched legs of Britain's old man, Cornwall is a county with more strangeness than you can shake a Cornish pasty at. Cornwall is an area of outstanding natural beauty, as well as outstanding strangeness from ye olde tales of plundering pirates to foulish ghosts drinking in local pubs right through to the most famous of all myths the bizarre beast that forever stalks Bodmin Moor. Spooky. Cornwall's Strangest Tales is a treasure trove of the hilarious, the odd and the baffling an alternative travel guide to some of the county's best-kept secrets. Read on, if you dare! You have been warned. Word count: 35,000

The Voyage of the Jerle Shannara

Crossroad Press

Sink into the depths ...The great oceans of the world have long been considered alien environments said to harbor strange creatures and unfathomable mysteries. This new book from full-time monster hunter Neil Arnold examines the maritime-rich heritage surrounding the coastline of Britain and the mysterious activity said to take place there.

Shadows on the Sea explores eerie stories of phantom ships upon frothing waves, sailor's stories, fishermen's tales and impossible monsters said to hide within the inky depths, not forgetting weird tales of USOs - unidentified submarine-type objects - and other mysterious lights witnessed out at sea. Compiling hundreds of stories and many

eyewitness accounts, from the spine-chilling to the utterly bizarre, this volume is an exploration of the unknown that takes the reader on a voyage through strange tales and roaring seas.

The Adventures of Austin the Cornish Miner Visible Ink Press

The first book of the triumphant and epic four-part conclusion to the Shannara series, from one of the all-time masters of fantasy. Across the Four Lands, peace has reigned for generations. But now, in the far north, an unknown enemy is massing. More troubling than the carnage is the strange and wondrous power wielded by the attackers—a breed of magic unfamiliar even to the Druid order. Fearing the worst, the High Druid dispatches a diplomatic party under the protection of the order's sworn guardian,

Dar Leah, to confront the mysterious, encroaching force and discover its purpose. But another crucial journey is being undertaken. Exiled onetime High Druid Drisker Arc has been living in quiet seclusion, far from the politics and power struggles of his former life, until two brutal attacks by would-be assassins force him to seek out an infamous murder-for-hire guild—and find the hidden enemy who has marked him for death. At his side is Tarsha Kaynin, a young woman gifted with the wishsong and eager to be schooled in its formidable power by a master. She, too, is pursuing a mission: to locate her wayward brother, whose own magic has driven him to deadly madness and kindled his rage for vengeance . . . against his sister. In their darkest hours,

facing dangerous adversaries, the lives and quests of Dar Leah, Drisker Arc, and Tarsha Kaynin will be inextricably drawn together. And the challenges each confronts will have resounding consequences for the future of the Four Lands. Praise for *The Black Elfstone* “Epic scope, heroic characters, and so much heart . . . proof that the Shannara series can still reach new heights.”—Tordotcom “A strong opening book . . . The Four Lands face a new threat.”—Fantasy Book Review “Fantastic . . . one of the best books in this saga.”—SFRevu *Armageddon, the Musical* Gale Cengage The second in the Jerle Shannara trilogy. Led by the last Druid, Walker Boh, brave explorers travel across unknown seas in search of an elusive magic. But now it

seems Walker and his team have been lured there for sinister reasons. Soon, they are separated but must each face the Antrax, a spirit that feeds off enchantment and traps the souls of men. *Morgawr* Llewellyn Worldwide Limited Walker Boh, the last of the Druids, and his friends embark on a journey into a mysterious land in search of forbidden magic and encounter an incredibly powerful force known as "Antrax." Reprint.

Fortean Times Random House Digital, Inc.

Na série 'A Viagem', Terry Brooks levou sua legião de leitores literalmente a novas alturas, com um variado contingente de personagens açando vôo na magnífica aeronave Jerle Shannara em uma aventura repleta de maravilhas

e perigos. Agora, em 'Morgawr, o Bruxo', a saga finalmente chega ao seu clímax, quando as forças do bem e do mal, que competem pela posse de uma magia ancestral, entram num confronto explosivo e vislumbram o destino que aguarda o vencedor... e o derrotado. Angustiantes conflitos entre a impiedosa bruxa Ilse e o monstruoso Antrax já fizeram com que os intrépidos heróis das Quatro Terras tivessem que pagar um preço alto demais. Porém, o mais temível adversário está agora em seu encaço, na forma de Morgawr - mestre da bruxa Ilse, feiticeiro de inimaginável poder, que há séculos se alimenta da alma de seus inimigos.

comes this collection of unusual True stories about the oceans' depths, including water monsters, ghostly vessels, shipwrecks, and other oddities. The secrets about everything from the Titanic to the Bermuda Triangle; the Loch Ness Monster to giant jellyfish are revealed.

An Imagination-Defying Exploration of our World's Strangest Secrets Routledge
The long-lost conclusion to *The Once and Future King*, in which King Arthur faces his final battle against his son. This magical account of King Arthur's last night on earth, rediscovered in a collection of T. H. White's papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While

preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White's books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become *The Once and Future King*. *The Book of Merlyn* has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. "Arriving from beyond the curve of time and apparently from the grave, *The Book of Merlyn* stirs its own pages, saying, wait: you didn't get the whole story. . . . It gives us a final glimpse of those two immortal

characters, Wart and Merlyn, up close, slo-mo, with a considered and affectionate scrutiny. The book is an elegiac posting from a master storyteller of the twentieth century. Its reissue in our next century is just as welcome as when it first arrived forty years ago. . . . Certainly the moral questions about the military use of force perplex the world still. . . . The efficacy of treaties, the trading of insults among the potentates of the day, the testing of weapons, the weaponizing of trade—these strategies are still front and center. Rather terrifyingly so. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility.”
—Gregory Maguire, bestselling author of *Wicked*, from the foreword “Such a small

thing, *The Book of Merlyn*, to hold so much. Joyful and despairing, heartbreaking, yet full of hope. As wonderful and fearful to read today as it was when I first found it in 1978. And the world has as much need of it today as it did then—more, perhaps. But will the world be ready to listen?” —Mercedes Lackey, New York Times–bestselling author of the *Valdemar* and *Elves on the Road* series

The History Press

Shocking revelations challenge the beliefs of the Druids and their comrades as they continue to battle the unspeakable forces of darkness that threaten to engulf them.

The Book of Merlyn Del Rey

From the master of fantasy, Terry Brooks, and in honor of the 25th anniversary of his Shannara epic, this is the thrilling conclusion of his bestselling "Voyage of the Jerle Shannara Trilogy."

The Conclusion to the Once and Future King Arcturus Publishing

"New York Times" bestselling author Terry Brooks became the master of epic fantasy with the publication of his legendary debut, "The Sword of

Shannara." Since then, each new novel in the Shannara saga has brilliantly built upon and deepened the world of breathtaking magic, adventure, and intrigue he created. In "The Voyage of the" Jerle Shannara--his third enchanting series--he literally took his legions of loyal readers soaring to new heights as a colorful contingent of characters took to the skies aboard a magnificent airship on a quest fraught with wonder and danger. Now in "Morgawr," the quest at last draws to its climactic conclusion, as the forces of good and evil vying against each other to possess an ancient magic race towards an explosive clash--and whatever fate awaits the victor . . . and the vanquished. Harrowing confrontations with the merciless Ilse Witch and the monstrous Antrax have

already taken their toll on the intrepid heroes of the Four Lands. But their darkest adversary now snaps at their heels, in the form of the Morgawr--master of the Ilse Witch, feeder upon the souls of his enemies, and centuries-old sorcerer of unimaginable might. With a fleet of airships and a crew of walking dead men at his command, the Morgawr is in relentless pursuit of the "Jerle Shannara" and the crew that mans her. For the Morgawr, the goal is two fold: to find and control the fabled ancient books of magic, and to destroy the dark disciple who betrayed him--the Ilse Witch. But the Ilse Witch is already a prisoner . . . of herself. Exposed to the awesome power of the Sword of Shannara, and forced to confront the truth of her horrifying deeds, she has

fled deep into her own mind. Now at the mercy of those who seek vengeance against her, her only protector is her long-lost brother, Bek Ohmsford, who is determined to redeem his beloved sister . . . and deliver her to the destiny predicted for her by the Druid Walker Boh. Once again, Terry Brooks weaves together high adventure, vividly wrought characters, and a spellbinding world into an irresistible story of heroism and sacrifice, love and honor. In "Morgawr," fans of the Shannara mythos will find both a satisfying finale and the promise of new wonders yet to come. "From the Hardcover edition."

High Druid of Shannara: Tanequil
Dundurn

For fans of Graceling and The Mists of Avalon, Kristina Pérez's Sweet Black

Waves is a lush fantasy about warring countries and forbidden romance that will have readers entranced. As best friend and lady-in-waiting to the princess, Branwen is guided by two principles: devotion to her homeland and hatred for the raiders who killed her parents. When she unknowingly saves the life of her enemy, he awakens her ancient healing magic and opens her heart. Branwen begins to dream of peace, but the princess she serves is not so easily convinced. Fighting for what's right, even as her powers grow, will set Branwen against her best friend and the

only man she's ever loved. Kristina Pérez's debut features star-crossed lovers who change the fate of two nations. Inspired by the legend of Tristan and Iseult, this is the story of the legend's true heroine: Branwen. And don't miss the spellbinding sequel, *Wild Savage Stars!* An Imprint Book "Fans of Joan Wolf's *Dark Ages of Britain* trilogy and Tessa Gratton's *The Queens of Innis Lear* will enjoy this dreamy tale, which is carried along with vibrant descriptions and intense emotion." —RT Reviews "Devastating... will leave readers eager for a sequel." —Publishers Weekly
