PAOLA HOLLAND

A Novel of The Toltec Empire Modern Library

Una breve historia de los que se van. Un juego de palabras que se convierte en una adicción. PALABRAS no es una historia de amor. Es una historia de desamor. Cuando Emma cree tener la vida perfecta que desde siempre soñó, Diego, el amor de su vida con el que está a punto de casarse, la deja por otra. Hace las maletas y simplemente se va, como si los sentimientos de Emma no valieran nada. Meses más tarde y aún destrozada sin poder ver una salida a su profunda tristeza, Emma decide acudir a la consulta de Silvia, una psicóloga con muy buena fama en Barcelona y con unos métodos muy distintos a los habituales. Nuestra protagonista necesita volver a vivir y sobre todo, volver a confiar en si misma. Silvia le propone a Emma un juego de nueve palabras. Cada palabra, formará parte de la historia entre Emma y Diego. Cada palabra, hará que Emma, abra los ojos y entienda que su relación, no era el cuento de hadas que creía, ni Diego el hombre perfecto que veía. Cada una de esas NUEVE palabras, serán clave, para que Emma vea

que hay vida más allá de una ruptura y que el destino nos puede llegar a sorprender mucho... Una novela íntima, tierna y muy especial. Otro regalo para el alma que nos ofrece su autora, con esta novela romántica contemporánea, tras el éxito de su antecesora, QUÉDATE CONMIGO, de similar estilo narrativo.

Ya no somos las mismas Harlequin

An entertaining, surprising, and ultimately inspiring look at what happens when we talk to strangers, and why it affects everything from our own health and well-being to the rise and fall of nations in the tradition of Susan Cain’s Quiet and Yuval Noah Harari’s Sapiens “This lively, searching work makes the case that welcoming ‘others’ isn’t just the bedrock of civilization, it’s the surest path to the best of what life has to offer.”—Ayad Akhtar, Pulitzer Prize-winning author of Homeland Elegies In our cities, we stand in silence at the pharmacy and in check-out lines at the grocery store, distracted by our phones, barely acknowledging one another, even as rates of loneliness skyrocket. Online, we retreat into ideological silos reinforced by algorithms designed to serve us only familiar ideas and like-minded users. In our politics, we are increasingly consumed by a fear of people we’ve never met. But what if strangers—so often blamed for our most pressing political, social, and personal problems—are actually the solution? In The Power of Strangers, Joe Keohane sets out on a journey to discover what happens when we bridge the distance between us and people we don’t know. He learns that while we’re wired to sometimes fear, distrust, and even hate strangers, people and societies that have learned to connect with strangers benefit

immensely. Digging into a growing body of cutting-edge research on the surprising social and psychological benefits that come from talking to strangers, Keohane finds that even passing interactions can enhance empathy, happiness, and cognitive development, ease loneliness and isolation, and root us in the world, deepening our sense of belonging. And all the while, Keohane gathers practical tips from experts on how to talk to strangers, and tries them out himself in the wild, to awkward, entertaining, and frequently poignant effect. Warm, witty, erudite, and profound, equal parts sweeping history and self-help journey, this deeply researched book will inspire readers to see everything—from major geopolitical shifts to trips to the corner store—in an entirely new light, showing them that talking to strangers isn't just a way to live; it's a way to survive. [Una Breve Historia de Los Que Se Van](#) Baker Books

¿Todavía hay alguien que piense que las chicas no saben contar chistes? Eso es porque no conocen a Lili y Herrejón (o Lilirrejón), dos jóvenes influencers de redes sociales que son capaces de arrancar 400.000 carcajadas en seis segundos. Lili y Herrejón no pueden ser más distintas. A Herrejón le gustan las películas de acción y a Lili las románticas. Herrejón prefiere la montaña y Lili la playa. A Herrejón le gustan los chicos como vikingos, tatuados y barbudos, y a Lili le gustan los chicos tiernos que tocan la guitarra. Herrejón prefiere salado y Lili, dulce. Sin embargo, son grandes amigas y compañeras de piso. En Todos tenemos un lado (oscuro) rosa hablan de amistad, de relaciones sentimentales, de la experiencia de compartir piso y, por supuesto, de sí mismas: la música que les gusta, sus peores y mejores citas, lo que les hace reír y llorar... Rompen con las ideas preconcebidas del mundo femenino mostrando mujeres que saben reírse de sus defectos y que prefieren quedarse en casa comiendo una pizza a tener una cita. Todo con el toque dulce que le pone Lili y con un poquito de mala leche, como le gusta a Herrejón. Reseñas: «Lili y Herrejón plasman a la perfección lo que es la amistad y la diversión. Hablan sin filtros, siendo como son en su día a día. Demostrando que cada uno tiene gustos diferentes y que eso no es motivo para juzgar.» Libros y literatura GRIJALBO

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Cromos University of Texas Press

When Lany, the daughter of a prosperous Colombian family, is kidnapped and remains in captivity, she becomes a member of a violent drug gang and a lover of women who cannot escape the consequences of her past no matter where she goes.

Ahora ya sabemos que la televisión tiene mejor salud que la diagnosticada por diferentes enterradores y alarmistas. Mientras los espectadores han seguido aumentando en todos los países, la ola tecnológica no ha sofocado a la televisión sino que esta ha sabido aprovechar el impulso de la corriente para adaptarse rápidamente a los nuevos espectadores, plataformas y pantallas. El objetivo principal de este libro es ofrecer una valoración internacional y de conjunto sobre el cambio de modelo de televisión y la convergencia con Internet. Los diversos capítulos de este libro se ocupan principalmente de dos temas que abarcan con una mirada comparativa y de conjunto España, Europa e Iberoamérica. En primer lugar se analiza el definitivo cambio de sistema de financiación de la televisión que coincide con la introducción de la TDT y la crisis económica en Europa, especialmente importante en España. Las expectativas sobre la introducción de la televisión digital se han visto frustradas nada más comenzar la migración. Por otro lado debe tenerse en cuenta la aceleración de la era transmedia que aparece como una verdadera alternativa al modelo tradicional de consumo de la televisión. La potenciación de las redes sociales

ha permitido la aceleración de un nuevo tipo de producción individual y amateur de ficción aplicando una tecnología ligera y una economía mínima. La irrupción de la social televisión que potencia la relación TV-Twitter, junto con las webseries o webnovelas, está teniendo un éxito enorme de fans en las redes sociales; las cuales, además, son utilizadas como dispositivos de pretexto para la comunicación, así como de reconocimiento y de identidad del usuario.

Telenovelas in Pan-Latino Context Fundación Telefónica

De septiembre de 2003 a agosto de 2004, dos dramas compartieron el escenario nacional: el camino hacia el referendo revocatorio del presidente Hugo Chávez y una exitosa telenovela. Resultado de un es estudio que examina a "Cosita Rica" y al país que la produjo, resaltando los resortes políticos, socio-económicos y culturales que movieron a Venezuela durante ese período histórico. Al colocar frente a frente el país y a la telenovela que lo reflejó, Acosta-Alzuru explora discurso y liderazgo políticos más allá de su ámbito tradicional, concentrándose en la cultura popular y en su producto de más alto consumo: la telenovela.

An English-Spanish Version of un Regalo Excepcional Rowman & Littlefield

Ever think Scrooge had it right before the ghosts ruined his life? Meet Aidan O'Conner. At one time he was a world-renowned celebrity who gave freely of himself and his money without wanting anything in return...until those around him took without asking. Now Aidan wants nothing of the world—or anyone who's a part of it. When a stranger appears at his doorstep, Aidan knows he's seen her before...in his dreams. Born on Olympus as a goddess, Leta knows nothing of the human world. But a ruthless enemy has driven her from the world of dreams and into the home of the only man who can help her: Aidan. Her immortal powers are derived from human emotions—and his anger is just the fuel she needs to defend herself... One cold winter's night will change their lives forever... Trapped together in a brutal winter storm, Aidan and Leta must turn to the only power capable of saving them—or destroying them both: trust.

La ficción después de la TDT en Europa e Iberoamérica Createspace Independent Publishing Platform

"I'm no ordinary woman..." Jack is in love with Kitty, Charley with Amy and both need Charley's Aunt to help. But when she doesn't turn up, they coerce their friend and fellow student into posing as the widowed millionaire, so they can confess their feelings to the girls. Things become more complicated when first, Jack's father and then Amy's uncle turn up. Both take a keen interest in Charley's Aunt, "from Brazil - where the nuts come from." One of the most popular comic farces of all time, Charley's Aunt has been loved since its original performances in 1893 and the continuous four year run that followed. The original dialogue is retained in this edition, refreshed with modern stage direction and a new introduction.

LA VIDA QUE NO ELEG, una novela de ficción que ya ha cautivado a cientos de lectores por su MAGIA, HECHIZOS y el intrigante tema de la existencia de MUNDOS PARALELOS.Las decisiones que tomamos, por muy pequeñas que sean, marcan el rumbo de nuestra vida. Cuando Nora Clayton, una imponente vicepresidenta ejecutiva de una importante compañía farmacéutica de Nueva York debe despedir a diez mil trabajadores que serán sustituidos por sofisticadas máquinas, desata la furia de Bonnie Larson, una mujer invisible ante la sociedad que proviene de una larga estirpe de maléficas brujas. Decide después de un largo tiempo sin practicar su magia maldecir a Nora, que verá como su vida da un giro inesperado de 180 grados. Las personas con las que comparte su cómoda existencia no la reconocen, su lujoso apartamento de Upper East Side no le pertenece y la única opción que le queda, es volver a Kutztown (Pennsylvania), el pueblo donde nació, retomar la relación inexistente con su madre y empezar a vivir la vida que no eligió. Una historia sobre mundos paralelos, sobre las decisiones que no tomamos, los recuerdos, la vida, el amor y al fin y al cabo, el destino. Todo un aprendizaje de vida página a página. LA VIDA QUE NO ELEG, es una mágica novela que te enganchará de principio a fin.

Josh Parker, one of the creative geniuses of the renowned advertising agency, where he works with Paula Hawkins, is brutally murdered. Paula is the last person to see him alive and together with inspector Paul Tischmann will try to solve the mysterious crime. Paula and Paul's voices intertwine to create a troubling, chilling thriller with a secret even the protagonists aren't ready for.

The Altogether Unexpected Disappearance of Atticus Craftsman Simon and Schuster

Los ensayos del libro analizan el éxito de la serie Narcos desde una perspectiva crítica. Explican la popularización de la misma, su estrategia de publicidad retorcida o su poco éxito en Colombia. Y también su juego entre el realismo mágico y los «retazos» de la realidad colombiana. El libro se cierra con una entrevista realizada a Sebastián Marroquín (Juan Pablo Escobar Hena) en la que el hijo de Pablo Escobar comparte su visión sobre Narcos como serie de ficción, sobre el problema de las drogas en Colombia y sobre su lucha constante en contra de la heroización de su padre. Es el cierre perfecto para un libro crítico sobre el fenómeno de la narcocicción en el siglo XXI.

Aproximación a los valores y estilos de vida de los jóvenes de 13 y 14 años en la provincia de A Coruña. Lulu.com

Presents a series of essays which examine the impact of telenovelas and their portrayals of racism, sexism, immigration, and classism.

Una extraordinaria novela de ficción y fantasía, que trata el tema de LOS VIAJES EN EL TIEMPO desde una perspectiva mágica. Su bonita e inolvidable historia de amor, ya ha conquistado a cientos de lectores en todo el mundo.En 1930, la pequeña Emily Stuart de diez años, desaparece misteriosamente sin dejar rastro. Sesenta y dos años más tarde, la joven Amy Thompson de once años, es salvada por un extraño hombre con medio rostro desfigurado, de ser atropellada por un coche en las calles de Brooklyn. Por otro lado, el gran amigo de Emily desde la infancia, Paul Lee, jamás dejó de buscarla aunque para eso, tuviera que traspasar los límites del tiempo a través de un fortuito encuentro en la buhardilla donde compartió momentos inolvidables de juegos infantiles con la niña desaparecida.Una mágica e inolvidable historia de amor, fantasía, intriga, acción y venganza, en la que se entrelazan vidas y sucesos a lo largo de los años en un escenario común: Clinton Hill (Brooklyn, Nueva York). Historias paralelas e intrigantes sucesos, en los que nada ni nadie son lo que parecen. Saltos en el tiempo con una recurrente pregunta que se ha formulado el ser humano desde el principio de los tiempos... ¿Es posible viajar en el tiempo? *Y aquí sigue la guerra* Babelcube Inc.

Sports debates are the foundation of every fan's night out. But it's not enough merely to have these inebriated arguments—you must win them, too. Enter *The Barstool Book Of Sports*: a disorderly debate bible that's jam-packed with hilarious lists, irreverent sidebars, and edgy illustrations that will help you transform your sports knowledge and sound smarter and more confident than everyone else in drunken trivia duels—even when you can't see straight. Forget boring “Player X vs. Player Y” fights. This book tackles the hard-hitting stuff: Who are the best fat athletes of all time? Where's the saddest fan base in America? What are the dumbest athlete injuries ever? Which nonsensical sports conspiracy is just plausible enough to actually be true? Which NFL player should star alongside CGI animals in the football version of Space Jam? Consider it the ultimate toast to every intoxicated argument you've ever had.

Upon The Midnight Clear Anchor

"The Wall Street Journal's popular columnist Jason Gay delivers a hilarious and heartfelt guide to modern living. Four times a week, millions of men and women turn to Jason Gay's column in *The Wall Street Journal*. Why is Gay so celebrated? It starts with his amusing, fan's-eye-view of the sports world, which he loves but doesn't take too seriously. But his most celebrated features are his "Rules" columns, which provide untraditional, highly amusing but useful advice for navigating the minefields of everyday life. In this, his first book, Gay provides witty and wise advice on the Big Questions. Such as how to behave at work: "If you are excited about the company holiday party, this is likely an early-warning signal from the lighthouse to cancel, because you may fit the profile of the person who winds up kissing four co-workers, then stands on the coach at 2:00 a.m. railing against the company healthcare plan before passing out, then waking up twenty minutes later and demanding everyone take a taxi to Atlantic City for breakfast." Gay makes the case that it is not the grand accomplishments like climbing Mt. Everest (which, as he points out, is expensive and stressful) that make life sweet but conquering the small everyday challenges, like putting pants on before 2:00 p.m. on a Saturday. *Little Victories* is a life guide for people who hate life guides. Whether the subject is rules for raising the perfect child without infuriating all of your friends, rules

for how to be cool (related: Why do you want to be cool?) or rules of thumb to tell the difference between real depression and just eating five cupcakes in a row, Gay's essays--whimsical, practical, and occasionally poignant--will make you laugh and then think, "You know, he's kind of right."-- Provided by publisher.

A Novel PLAZA & JANÉS

A fiendishly fun and charming novel with the quirky appeal of a Pedro Almodóvar film—this feel-good read follows a tightly wound Englishman whose trip to Madrid takes an unexpected turn when

he encounters a group of strong-minded women who will do anything to keep the jobs they love. Atticus Craftsman never travels without a supply of Earl Grey, an electric kettle, and a teacup—so he makes sure he has packed all three after his father, distinguished publishers of Craftsman & Co., sends him to Madrid to shut down a failing literary magazine, *Librarte*. But when nobody has heard from Atticus in three months, his father knows something must be very wrong. Fortunately, Inspector Manchego is on the case. Manchego gets to work unraveling the mystery of the Englishman's disappearance, but there to block him at every turn are the five fiery and close-knit

Spanish women who run *Librarte* and must devise a plan to save the magazine. A botched kidnapping and the rumored discovery of a trove of long-lost Federico García Lorca poems propel Atticus—with Manchego hot on his trail—on a madcap journey through the narrow streets of Madrid and down to the bohemian heart of Andalucía. Sánchez spellbinds us with larger-than-life characters and heartfelt emotions in this charming tale of clashing cultures and unlikely romance. *The Altogether Unexpected Disappearance of Atticus Craftsman* is at once a humorous, literary caper and a touching love story, marking for an altogether clever and delightfully different read.
