A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a

broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

There's unrequited love, lust (lots of it), bad romantic poetry, too many essays, and plenty of crisps. But the seventeen-year-old boy in this story has something extra to contend with. His older brother has learning difficulties and is languishing in a care home. Listening to his heart rather than his head, the boy knows he must get his brother, nicknamed Simple, out. But as their father is entirely preoccupied with his new wife, it's up to the boy to liberate Simple, and that means finding somewhere for them to live in the city. Funny, thought-provoking and clever, this French bestseller won the Prix SNCF du Livre de Jeunesse and was dramatised for French television; in Germany it won the prestigious Deutscher Jugendliteraturpreis.

He's the boy next door and my brother's best friend, the one I could be my geeky self with all the time. But when I wake up in his bed the morning after his company party, there are two things I suddenly can't ignore: 1) Campbell Murphy is all grown up in more ways than one, and 2) I no longer want to just be his best friend's sister. But is a fling worth sacrificing a lifetime of trust between our families? Or is it worth a shot at something that had always been there all along? Each book in A Different Kind of Love series can be read on its own with NO cliffhanger and a guaranteed HEA. Some are angsty and emotional while some are fun, lighthearted, and set during the holiday season... like this one!

It started off as a dare...a harmless one-night-stand with a complete stranger. He was just another badboy I met in a bar, a harmless fling to start my summer vacation. One unbelievable night of sex, and I'd never have to see him again. But the next morning as I pull up to the lake house my mom has

rented for the summer, I get the feeling my world is about to crumble...it was just supposed to be us girls-me, my two sisters, and Mom...but we're not alone...Apparently my mom's old high school sweetheart John owns the house, and he has three sons, all around the same age as me and my sisters. And they thought it would be a great idea to put us all together under the same roof for four weeks. We'll have to share bedroom walls, sit down for family dinners, and suffer through a million other forced, awkward, sexually confusing family activities I'm sure...And then I realize my mom's new boyfriend has a son a little older than me. I see him barreling toward me on a 4-wheeler, a lit cigarette between his lips, strangely familiar tattoos on his muscular forearms and chest...as he gets closer I'm filled with dread as I begin to realize who he is...but he isn't slowing down. The f*cking prick nearly runs into me. As he takes off his helmet I'm instantly filled with horror and an undeniable twinge of excitement between my legs. It's him. The man who took me last night, used me every which way, stretched me more than any man I've ever been with before...and now he's ignoring me, acting like he's never seen me before in his life. I have a feeling it's going to be a fun summer. This Contemporary New Adult Stepbrother Romance Novel is the first book in the three book Hawthorne Brothers series. The ending is HFN. The book contains harsh language, sexual content, and adult situations that may offend some readers.

A classic. Fraternity Gang Rape is a fascinating analysis of how all-male groups such as fraternities or athletic teams may create a rape culture where behavior occurs that few individuals acting alone would perpetrate. The new Introduction and Afterword shed light on how this pernicious problem continues today, insightfully illuminating the complicity of society in the failure of accountability for acquaintance rape."--Mary P. Koss, co-editor of No Safe Haven: Male Violence Against Women at Home, at Work, and in the Community Praise for the First Edition "A powerful and important book.--Contemporary Psychology" Full of insights an important contribution written in accessible prose and ideal for course use.--Women's Review of Books. "Powerfully moving and analytically provocative...If the college or university at which AJS readers teach has a fraternity or sorority system, this book will be useful in understanding the way those organizations not only construct the gender relations between women and men on campus but also provide a map of male domination that members can take with them for the rest of their lives."--Michael S. Kimmel, American Journal of Sociology. "Sanday draws a chilling picture of fraternity society, its debasement of women and the

way it creates a looking-glass world in which gang rape can be considered normal behavior and the pressure of group-think it powerful. "--The Philadelphia Inquirer."An important book Ÿthat" should be read by everyone in higher education - faculty, administrators, and students."--Contemporary Sociology."Very accessible...Sanday's book explores the vulnerability of college women, and of young men seeking to prove their manhood. Why are men so afraid of showing their feelings? What scares men about commitment? Blackboard bestselling author William July II tackles these age-old questions, revealing secrets that every woman wants to know about her man, and every man needs to know about himself. He explains how boys are conditioned to become emotionally closed off, leaving them incapable of sharing their feelings or participating fully in relationships--they are like the Tin Man in The Wizard of Oz. Taking a realistic, down-to-earth approach, July goes on to provide a step-by-step program for men who want to change, and for women who want to help the men in their lives overcome the Tin Man syndrome. Reading his words is as comforting as talking to your best friend, as enlightening as listening to a wise teacher. His book will help you to: Recognize a Tin Man Understand the real reasons why a man

fears intimacy See through the tactics men use to avoid commitment and relationships Discover a man's biggest worries about relationships Identify the five situations in which even the most emotionally numb man will share his feelings Help a Tin Man change his life At the end of each chapter you'll find thought-provoking questions and self-improvement exercises for both men and women. Understanding the Tin Man is a much-needed voice of reason on the battlefield of the sexes. *Parkour Strength Training* Harry N. Abrams
