My Story New Delhi :
India Paperbacks
A newly single girl. A
tall dark handsome
stranger. What could
go wrong? It's 7 a.m.
on a Monday morning
and Abby Reynolds
isn't where she wants
to be. She wants to be

in her beautiful loft
apartment in
Manhattan, drinking a
coffee with her fiancé.
Instead, she's heading
back to the childhood
home in rural Ireland
she swore she'd never
return to, with some
big old secrets. Namely
that she's suddenly
found herself
unemployed,
homeless, and
absolutely 100%

single. She's feeling all out of luck. Until the first person she meets after she touches down is an absurdly hot guy called Luke, who offers her a lift home. Gazing deep into his sparkling emerald-green eyes, Abby knows instantly that he's exactly what she needs to take her mind off everything. The perfect rebound. It's a flawless plan. Until the next day, when Abby realizes who he actually is. Not just a stranger. He is, in fact, Luke Bailey, aka the boy next door. Luke Bailey who—so help her God—she's pretty sure she once shared baths with, back when they were kids. Not that she can allow herself to imagine him in a bath now, not without blushing from head to foot. And judging by

the smirk on his face, the same Luke Bailey who's known exactly who she was the whole time... And who, like everyone in the village, still thinks she's a high-flying New Yorker... who's getting married next year. Abby is certain getting under Luke will help her get over her ex. But the truth is stopping her. Can she admit to everyone back home that she's single and has lost everything? Because, if she wants the boy next door, she may just have to... The perfect feel-good romantic comedy that will make you laugh until you cry and fall completely in love. Fans of Sophie Kinsella, Marian Keyes, and Emily Henry won't be able to put this down! One of the pioneers of feminist writing in India, Kamala Das is known for her provocative writing on female sexuality and desire. *Padmavati the Harlot and Other Stories* includes some of her very best fiction. In 'A Little Kitten', a

newly married woman finds her life turning dull and insipid as the tedium of marriage begins to settle in. An old woman believes she is a princess and is delighted to be courted by three suitors in 'The Princess of Avanti'. A man realizes, too late, that he is in love with the woman he is breaking up with in 'The Sea Lounge'. In these and other stories, Kamala Das is bold and unflinching in her exploration of themes such as violence, desire, sex, marriage, family, communalism, and death.

Memory, Memoir and Autobiography Europa Editions

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his

dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert.

Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and

alienation.

This unusual volume brings together two disparate voices, of friends who met and conversed over many years, in different cities and at different stages in their life, both of whom turned to poetry in moments both anxious and happy. The poems by Kamala Das include the very last one she wrote before death claimed her, and in many ways Suresh Kohli's work reflects similar concerns, with death and distances, both physical and emotional.

This is an anthology of

short poems, fiction and nonfiction pieces by Kamala Das To the Indian reader of fiction and poetry, Kamala Das (1934-2009) needs no introduction. Her novels, collections of poetry and short stories in English and Malayalam - and indeed her life itself - have both challenged and redefined the boundaries of middle-class morality. Her sensational autobiography, published in English as My Story, created a storm in literary circles and established her as the iconoclast of her generation. Her conversion to Islam in 1999 at the age of sixty-five sent social and literary circles into another tizzy. Wages of Love: Uncollected Writings of Kamala Das brings together stories,

plays, poems and non-fiction writing that have previously not been anthologized. While 'The Fair-Skinned Babu' is the sardonic tale of an author who has become a Muslim searching for a contract killer to commission her own killing, 'Neipayasam' is the poignant story of a father feeding his children the delicious dessert prepared by their mother whose death that morning the children are too young to comprehend. In one of her essays, she writes about contesting the parliamentary election in 1984 and, in another, about Khushwant Singh's allegation that she had manipulated her nomination for the Nobel. Expertly compiled by Suresh Kohli, and including a

heartfelt introduction by him, *Wages of Love* revives the free soul and literary genius that was Kamala Das.

 NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and

becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. *Maid* is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on

food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. *Maid* is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

"An acknowledged classic. Katz has transformed our conception of Jewish

history from the 16th to the 18th century. Because of his work, we now understand that the ghetto was no longer sealed off at that time from outside opinions and that the movement towards modernity had begun long before the Jews were actually legally emancipated. Making this work available again in the revised edition is a service to scholarship and to public enlightenment."

--Arthur Hertzberg

"Since it first appeared in Hebrew in 1958, *Tradition and Crisis* has had a tremendous impact on generations of students and scholars. Katz's innovative use of sources has introduced scholars to new methodologies and opened new vistas for research. This new,

unabridged translation is therefore highly welcome. It will ensure its continued use in the English-speaking world." --Jehuda Reinharz, Richard Koret Professor of Modern Jewish History, Brandeis University

"Like a lovingly restored painting, Bernard Cooperman's new, annotated translation of Jacob Katz's classic portrait of early Jewish modernity can now be fully appreciated for the first time. An admirable achievement." --Ivan G. Marcus

When it first appeared in Hebrew in 1958 and in English in 1961, *Tradition and Crisis*, Jacob Katz's groundbreaking study of Jewish society at the end of the Middle Ages, dramatically changed our perceptions of the

Jewish community prior to the era of modernity. This new, unabridged translation by Bernard Dov Cooperman makes this classic available to new generations of students and scholars, together with Katz's original source notes, and an afterword and an updating bibliographic appendix by Professor Cooperman. Katz revolutionized the field by tapping into a rich and hitherto unexplored source for reconstructing the sociology of a previous era: the responsa literature of the Rabbinic establishment during the Middle Ages. The self-governing communities of Jews in Europe dealt with issues both civil and religious. The questions and answers

addressed to the rabbinic authorities and courts provide an incomparable wealth of insights into life as it was lived in this period and into the social, historical, cultural, and economic issues of the day. How did European Jewry progress from a socially and culturally segregated society to become a component of European society at large? What were Jewish attitudes toward the Gentile world from which Jewry had been secluded for centuries? What were the bridges from the old to the new era? Tradition and Crisis traces the roots of modernity to internal developments within the communities themselves. Katz traces the modern movements of the Haskalah (Enlightenment) in the

West and Hasidism in the East, to an internal breakdown in the structure of these communities and the emergence of an alternative leadership in the wake of the Sabbatian challenge. A dynamic work that has radically changed our view of this history, Tradition and Crisis remains the pivotal text for understanding the revolution in the entire conception of Jewish identity in the modern era.

Ravan and Eddie

Orient Blackswan Ravan and Eddie are the unlikeliest of companions. For one thing, Ravan is Hindu, while Eddie is Catholic. For another, when Ravan was a baby and fell from a balcony, that fall had a dramatic, and very literal, impact on

Eddie's family. But Ravan and Eddie both live in Central Works Department Chawl No. 17—and if you grow up in the crowded Mumbai chawls, you get to participate in your neighbors' lives, whether you like it or not. As we watch the two unlikely heroes of Kiran Nagarkar's acclaimed novel rocket out of the starting blocks of their lives, leaving earth-mothers and absentee fathers, cataclysms and rock 'n' roll in their wake, we're compelled to sit up and take notice. Recently selected by *The Guardian* as one of the ten best novels about Mumbai, *Ravan and Eddie* is a comic masterpiece about two larger- and truer-than-life characters and their bawdy, Rabelaisian adventures

in postcolonial India. It is also a timeless journey of self-discovery, a quest for the meaning of guilt and responsibility, sin and sex, crime and punishment. Kamala Das Atlantic Publishers & Dist
A major poet in English, Kamala Das's taboo-breaking work explores themes of love and betrayal, the corporeal and the spiritual, while celebrating female sexuality and remaining deeply rooted in the poet's ancestral tradition and landscape. A rigorous selection from her oeuvre—six published volumes and other uncollected and previously unpublished poems—this edition offers a unified perspective on her poetic achievement. An

illuminating introduction to her poetry by Devindra Kohli traces the sources of its ferment, and showcases its originality of style and its acts of resistance.

Life Writings/Narratives and studies in gender have been posing critical challenges to fetishizing the manner of canon formations and curriculum propriety. This book engages with these and other challenges turning our customary gaze towards women especially marginal, enabling us to interrogate the established pedagogical practices that accentuates the continuing denial of their agency.
Reproduction of the

cultural modes of narrativization based on memory and experience becomes a mode of reclaiming the agency. These challenge the homogenising singularity of communitarian notions besides dominant gender constructs using visual, textual, popular, historical, cultural and gender modes enabling one to rethink our received theoretical frameworks. This edited volume brings together 21 essays on life writings produced by both well-established and emerging writers in the field of literature written by scholars from countries like India, Pakistan, China, USA, Iran, Yemen and Australia, to name just a few. Many of the

essays in this book focus on how the progress of the self is often impeded by the society it finds itself in. With an enlightening foreword by Dr. E.V. Ramakrishnan and a detailed, critical introduction by Aparna Lanjewar Bose, this anthology is useful for all those who wish to learn more about this genre of writing.

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol

Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen.

Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

Winner of the Restless Books Prize for New Immigrant Writing "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the

inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, starred review In the United Arab Emirates, foreign nationals constitute over 80 percent of the population. Brought in to construct and serve the towering monuments to wealth that punctuate the skylines of Abu Dhabi and Dubai, this labor force is not given the option of citizenship.

Some ride their luck to good fortune. Others suffer different fates. Until now, the humanitarian crisis of the so-called "guest workers" of the Gulf has barely been addressed in fiction. With his stunning, mind-altering debut novel *Temporary People*, Deepak Unnikrishnan delves into their histories, myths, struggles, and triumphs. Combining the linguistic invention of Salman Rushdie and the satirical vision of George Saunders, Unnikrishnan presents twenty-eight linked stories that careen from construction workers who shapeshift into luggage and escape a labor camp, to a woman who stitches back together the bodies of those who've fallen from

buildings in progress, to a man who grows ideal workers designed to live twelve years and then perish—until they don't, and found a rebel community in the desert. With this polyphony of voices, Unnikrishnan maps a new, unruly global English and gives personhood back to the anonymous workers of the Gulf. "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of

the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, Starred Review "Inventive, vigorously empathetic, and brimming with a sparkling, mordant humor, Deepak Unnikrishnan has written a book of Ovidian metamorphoses for our precarious time. These absurdist fables, fluent in the language of exile, immigration, and bureaucracy, will remind you of the raw pleasure of storytelling and the unsettling nearness of the future." —Alexandra Kleeman, author of *You Too Can Have a Body Like Mine* "Inaugural winner of the Restless

Books Prize for New Immigrant Writing, this debut novel employs its own brand of magical realism to propel readers into an understanding and appreciation of the experience of foreign workers in the Arab Gulf States (and beyond). Through a series of almost 30 loosely linked sections, grouped into three parts, we are thrust into a narrative alternating between visceral realism and fantastic satire.... The alternation between satirical fantasy, depicting such things as intelligent cockroaches and evil elevators, and poignant realism, with regards to necessarily illicit sexuality, forms a contrast that gives rise to a broad critique of the plight of those

known euphemistically as 'guest workers.' VERDICT: This first novel challenges readers with a singular inventiveness expressed through a lyrical use of language and a laserlike focus that is at once charming and terrifying. Highly recommended."

—Henry Bankhead, Library Journal, Starred Review "Unnikrishnan's debut novel shines a light on a little known world with compassion and keen insight. The Temporary People are invisible people—but Unnikrishnan brings them to us with compassion, intelligence, and heart. This is why novels matter." —Susan Hans O'Connor, Penguin Bookshop (Sewickley, PA) "Deepak Unnikrishnan uses

linguistic pyrotechnics to tell the story of forced transience in the Arabian Peninsula, where citizenship can never be earned no matter the commitment of blood, sweat, years of life, or brains. The accoutrements of migration—languages, body parts, passports, losses, wounds, communities of strangers—are packed and carried along with ordinary luggage, blurring the real and the unreal with exquisite skill. Unnikrishnan sets before us a feast of absurdity that captures the cruel realities around the borders we cross either by choice or by force. In doing so he has found what most writers miss: the sweet spot between simmering rage at a

set of circumstances, and the circumstances themselves.” —Ru Freeman, author of *On Sal Mal Lane* “Deepak writes brilliant stories with a fresh, passionate energy. Every page feels as if it must have been written, as if the author had no choice. He writes about exile, immigration, deportation, security checks, rage, patience, about the homelessness of living in a foreign land, about historical events so strange that, under his hand, the events become tales, and he writes tales so precisely that they read like history. Important work. Work of the future. This man will not be stopped.” —Deb Olin Unferth, author of *Revolution* “From the strange

Kafka-esque scenarios to the wholly original language, this book is amazing on so many different levels. Unlike anything I've ever read, *Temporary People* is a powerful work of short stories about foreign nationals who populate the new economy in the United Arab Emirates. With inventive language and darkly satirical plot lines, Unnikrishnan provides an important view of relentless nature of a global economy and its brutal consequences for human lives. Prepare to be wowed by the immensely talented new voice." —Hilary Gustafson, Literati Bookstore (Ann Arbor, MI) "Absolutely preposterous! As a debut, author Unnikrishnan shares stories of laborers,

brought to the United Arab Emirates to do menial and everyday jobs. These people have no rights, no fallback if they have problems or health issues in that land. The laborers in *Temporary People* are sewn back together when they fall, are abandoned in the desert if they become inconvenient, and are even grown from seeds. As a collection of short stories, this is fantastical, imaginative, funny, and even more so, scary, powerful, and ferocious." —Becky Milner, Vintage Books (Vancouver WA)

 "I feel a woman is most attractive when she surrenders to her man. She is incomplete without a man,"

averred Kamala Das shortly before her death in May, 2009. One of the most controversial and celebrated Indian authors, she combined in her writings rare honesty and sensitivity, provocation and poignancy. *The Kept Woman and Other Stories* explores the man-woman relationship in all its dimensions. Deprived, deprived, mysterious, mystical and exalted, each character, culled from experience and observation, is an incisive study of love, lust and longing.

My Story *My Story* First published in Malayalam in 1973, *My Story*, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions

and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.
