There have been many interpretations and predictions about the year 2012, known as the Mayan End Time--touted in everything from books to television commercials. But what do the Mayans themselves have to say about these prophecies? In The Mayan Ouroboros, the muchanticipated followup to his bestselling Serpent of Light, spiritual researcher Drunvalo Melchizedek reveals for the first time what Mayan elders have told him about this period. In this book he explains how to prepare for this transition to a new 13,000year cycle by learning how to move out of our brain and into our hearts. He shares the Mayan insight of the importance of our heart connection to our survival and ability to thrive during these times. Plus The Mayan Ouroboros reveals: The untold positive side of the Mayan prophecies The Mayan End Timea sevenyear period of transition which began in 2007 The magnetic pole shift that is currently affecting humans around the world The new ways in which humans will begin to perceive and communicate in the world. "Faith" gets its most powerful definition from the New Testament book of Hebrews. Yet this anonymous treatise tantalizes with both

its lack of contemporary precision about faith's definition and its shrouded original context. There are, however, sufficient clues in Hebrew's text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel, the attractive moral character of first-century Jews in Rome, a crowd of disaffected righteous Romans, and a purported Palestinian messiah converge to produce one of the world's most thoughtful, courageous, and brilliant calls to martyrdom. In this careful pilgrimage along the author's meticulous development of a holy challenge to remain faithful to Jesus (precisely because there are no meaningful alternatives), Brouwer helps us find an inspiring and ever-relevant call to faith--we become the persons we are through the daily choices we make about Jesus and others.

Echoing the Mystery is a catechetical resource specializing in sharing the doctrines of the Faith. After the culmination of many years of catechetical teaching and engaging all ages to share these truths, the Dominican Sisters of Mary, Mother of the Eucharist joyfully present this beautiful master resource Echoing the Mystery. In a shared desire to compile and supply an all-encompassing source for 'echoing' the doctrines of the Faith, the Sisters have accomplished their long-held desire to transmit the catechetical teaching approach from reputable catechist, Barbara Morgan, finally presenting in one place, her decades-long teaching method of the keys to the doctrines. "Were not our hearts burning [within us] while he spoke to us on the way and opened the scriptures to us?" Luke 24:32 Echoing the Mystery, Unlocking the Deposit of Faith in Catechesis, aims to open the mysteries God has revealed to us. Through His Son, Jesus Christ, He has communicated to us His loving plan of salvation. In order for these Truths to be echoed down, they must first be studied and contemplated. This publication makes them accessible to anyone desiring to evangelize and catechize.

While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter-day Saints, the historical influence of Freemasonry on this religious tradition cannot be refuted. Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period, but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted. The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize, let alone fully grasp, the relevant issues. Even those with both Mormon and Masonic experience may not be versed in the nineteenth-century versions of Masonry's rituals, legends, and practices. Without this specialized background, it is easy to miss the Masonic significance of numerous early Mormon ordinances, scripture, and doctrines. Method Infinite: Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days. Smith's firsthand knowledge of and experience with both Masonry and anti-Masonic currents contributed to the theology, structure, culture, tradition, history, literature, and ritual of the religion he founded.

Emmanuelle Chalelet's A Balancing Act is a godsend to performing artists of any sort. Do you feel like you just don't fit in? Are you crippled by feelings of discontent? Do you know within that there is another way of being? Are you ready to begin your journey to truth with courage, determination, faith, and trust? Like you, author Amenti Marakita knew that she wasn't living her ultimate life. Restricted by feelings of dissatisfaction and a general sense that she just didn't fit in, she knew that something had to change. She needed strength and motivation to create happiness as an adult. Motherhood was her foundation, and secretarial work was her bread and butter, but she wasn't satisfied. She knew that it would take a leap of faith for things to really change. She took her first step to a new life by opening herself up to the world of natural therapies. She valued the process of working through challenges with various modalities and enjoying the rewards on the other side. She accepted the invitation to explore her reality and experience her true potential as a woman. In *Close Your Eyes and Wake Up*, Marakita, a Kinergetics practitioner and instructor, shares her guidance with those who are ready to leave the status quo behind and venture boldly into the unknown. Kinergetics opened her heart to a world of happiness within herself by allowing her programmed self to fall away. By learning to trust synchronicity, signs, and inner and outer guidance, she was reborn.

The "ORDER" of "MELCHIZEDEK." In this explosive teaching Dr. Francis Myles will show you: God's enduring agenda to station on earth a functional body of Kings and Priests who can represent the Kingdom of God accurately. How the Order of Melchizedek will Unleash a "Fathering spirit" in the church and the marketplace, for community transformation. How the Order of Melchizedek saved Abraham's life and gave him an everlasting inheritance in the Kingdom of God. How Jesus Christ's eternal priesthood affects us today and beyond. How you can enter into the dimension of real Kingdom wealth by understanding the Order of Melchizedek. How to grow your spiritual influence beyond the four walls of your Church. How to combat the growing seductive influence of the King of Sodom (the devil) in corporate "board rooms" and in the "corridors" of government. How the Order of Melchizedek can help you "Break Free" of "Generation curses" once and for all. Why the devil and religious institutions do not want you to discover the Order of Melchizedek.... And he will also answer questions such as: Are New Testament Kingdom citizens expected to give "Tithes and Offerings?" Why do so many Kingdom citizens live below their God given "Kingdom rights and privileges?" How can present day Kingdom business men and women walk in a true "Joseph type of anointing and mandate?" Can the Kingdom of God be advanced through a Political process? How can the Church become a breeding ground of Daniel-type Politicians, who can represent the Kingdom of God faithfully in the corridors of human government?

Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have been used. If you read this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.
