Rich Dad's Real Estate Advantages RDA Press, LLC
Over the many years that we've been serving real estate investors, one of the most asked questions on our site has been,

"How Do I Get Started in Real Estate Investing?" New investors will love the fundamentals and even experienced investors will appreciate the high-level view of strategies they may have never even considered. Don't let some guru tell you what the right path is for you. Read How to Invest in Real Estate and see all the paths in one place, so you can make the best choice for you, your family, and your financial future. This book will help new investors get a firm foundation to build their investing business upon. With topics ranging from how to gain a solid real estate education, real estate niches, financing, marketing, and more, this book is truly the definitive guide for helping new investors learn the ropes.

ABCs of Buying Rental Property John Wiley & Sons
When Palmer Stroat notices the black pickup truck following him on the highway, he fears his precious Range Rover is about to be

carjacked. But Twilly Spree, the man tailing Stoa, has vengeance, not sport-utility vehicles, on his mind. Idealistic, independently wealthy and pathologically short-tempered, Twilly has dedicated himself to saving Florida's wilderness from runaway destruction. He favors unambiguous political statements -- such as torching Jet-Skis or blowing up banks -- that leave his human targets shaken but re-educated. After watching Stoa blithely dump a trail of fast-food litter out the window, Twilly decides to teach him a lesson. Thus, Stoa's prized Range Rover becomes home to a horde of hungry dung beetles. Which could have been the end to it had Twilly not discovered that Stoa is one of Florida's cockiest and most powerful political fixers, whose latest project is the "mallng" of a pristine Gulf Coast island. Now the real Hiaasen-variety fun begins . . . Dognapping eco-terrorists, bogus big-time hunters, a Republicans-only hooker, an infamous ex-governor who's gone back to nature, thousands of singing toads and a Labrador retriever greater than the sum of his Labrador parts -- these are only some of the denizens of Carl Hiaasen's outrageously funny new novel. Brilliantly twisted entertainment wrapped around a powerful ecological plea, *Sick Puppy* gleefully lives up to its title and gives us Hiaasen at his riotous and muckraking best. **BONUS:** This edition includes an excerpt from Carl Hiaasen's *Bad Monkey*.

Get the confidence and tools to take advantage of this growing method of investing Tax liens sales and tax deed auctions, conducted by governmental agencies for delinquent taxes on real estate, are not new--they have been around for more than 200 years. But until recently, they remained a small niche market for

investors. However, as more people become delinquent on their real estate taxes due to the increased foreclosure market, and local governments look for revenues wherever they can find them, this investing methodology has become increasingly popular - and it can be done from anywhere. *Zero Risk Real Estate* shows readers exactly what to look for, what to avoid, and how to get the biggest return with the smallest amount of risk. Explains how to utilize the internet for research and investing from anywhere in the world! Gives step-by-step advice on how to determine your investment objectives and where to find tax sale listings Details how to take advantage of "over-the-counter" bargains and increase your returns Shows what to do once you have your new tax certificate, and how to "cash in" This is not a get-rich-quick infomercial approach--it is a real investing strategy that is expected to grow over the next several years as an appealing alternative to the stock market and other investments. Using real-life examples and case studies, this book walks you through the process step-by-step to make it easy for beginners, and shares advanced investing techniques for more experienced investors.

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio

Trump Strategies for Real Estate RDA Press, LLC

Learn how to make money wholesaling real estate without having to swing a hammer or deal with tenants. Wholesaling is one of the best ways to get started making money in the world of real estate investing. Think of it as the day trading of real estate except it is simpler and has less risk if you learn how the process works. In fact when you learn how to do it the right way, you can minimize your risk substantially. The Real Estate Wholesaling Bible teaches what you need to know to profit from real estate wholesaling without needing a lot of capital or previous experience. This rapidly expanding business is relatively simple, profitable, and perfect for today's real estate market. Plus it's an

ideal system for making money even in the toughest real estate markets. All you will need to get started is a computer, an Internet connection, this audiobook, some passion, and a lot of curiosity. • Teaches the mechanics of how to wholesale real estate, including exactly how to find, analyze, finance, and sell wholesale deals like clockwork • Explains how actually to build a business and develop systems that are not dependent on you as the business owner • Shows how to develop a turnkey, systems-dependent business that serves as a vehicle for all the people it touches: the owners, the employees, and the community Many real estate investors' ideas of success focus squarely on profitability. Author Than Merrill believes success happens when your real estate investment business is not only profitable but also gives you the time to enjoy your life and fulfill your passions and dreams.

Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of

your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For *The White Coat Investor* "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of *How a Second Grader Beats Wall Street* "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of *The Investor's Manifesto* and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of *Common Sense Investing* "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate

investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling *ABC's of Real Estate Investing*, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

In Real Estate Titans, Erez Cohen shares the advice and learnings of the world's leading real estate experts to create a guide for becoming a savvy real estate player. Cohen draws on his experience as a research and teacher's assistant at Wharton Business School with an investment expert—and his mentor—Dr. Peter Linneman. Throughout his career, Cohen has collected first-hand knowledge from meetings with such real estate titans as Ronald Terwilliger, Sam Zell, Joseph Sitt, and numerous others. Cohen wanted to understand how these real estate giants became so successful, so he refined his quest into three critical

questions: What inspires these titans to work so hard and reach such extraordinary levels of success? What are the main elements and traits inside of them that propel them to be so grandiose? How have these individuals, who had less resources, succeeded on a much bigger scale than so many of their competitors? Real Estate Titans contains the 7 key lessons distilled from interviews with several of the world's greatest real estate investors. These critical lessons offer insight into the mindset, tactics, and habits that each of the interviewed titans possess. Once you implement these key ideas—which you won't find anywhere else—into your business, it will grow exponentially within a matter of months. Real Estate Titans offers an insider's view into several of the most successful investors on the planet. The book's compelling stories and lessons show why real estate is such a wonderful and important business, and it also offers a roadmap for becoming a world class real estate player.
