* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will discover the principles and best practices for profitable investments. You will also discover that : to succeed as an investor, you need method, patience and composure; it is impossible to predict market fluctuations; stock market crises occur regularly and represent an opportunity rather than a danger for the well-prepared investor; passive funds are generally much more profitable than active funds; the worst enemies of investors are taxation, overly high or non-transparent fees and advisors of questionable independence. Investment, especially stock market investment, evokes for many a world apart, difficult to access and risky. However, the markets obey stable principles, allowing the definition of long-term strategies, and their upheavals are not always synonymous with ruin for an investor who has secured his own back. To do without them is even to miss out on valuable financial opportunities. In his book "Unshakeable", the coach and entrepreneur Tony Robbins gives the basic rules to enable everyone to access markets, including young people. He provides the weapons to enter the world of investment in a rational and uncomplicated way. *Buy now the summary of this book for the modest price of a cup of coffee!

Accelerate your journey to financial freedom with the tools, strategies, and mindset of money mastery. Regardless of your stage of life and your current financial picture, the quest for financial freedom can indeed be conquered. The journey will demand the right tools and strategies along with the mindset of money mastery. With decades of collective wisdom and hands-on experience, your guides for this expedition are Peter Mallouk, the only man in history to be ranked the #1 Financial Advisor in the U.S. for three consecutive years by Barron's (2013, 2014, 2015), and Tony Robbins, the world-renowned life and business strategist. Mallouk and Robbins take the seemingly daunting goal of financial freedom and simplify it into a step-by-step process that anyone can achieve. The pages of this book are filled with real-life success stories and vital lessons, such as... • Why the future is better than you think and why there is no greater time in history to be an investor • How to chart your personally tailored course for financial security • How markets behave and how to achieve peace of mind during volatility • What the financial services industry doesn't want you to know • How to select a financial advisor that puts your interests first • How to navigate, select, or reject the many types of investments available • Success without fulfillment is the ultimate failure! Financial freedom is not only about money—it's about feeling deeply fulfilled in your own personal journey "Want an eye-opening guide to money management—one that tells it like it is and will make you laugh along the way? Peter Mallouk's tour of the financial world is a tour de force that'll change the way you think about money." —Jonathan Clements, Former Columnist for The Wall Street Journal "Robbins is the best economic moderator that I've ever worked with. His mission to bring insights from the world's greatest financial minds to the average investor is truly inspiring." —Alan Greenspan, Former Federal Reserve Chairman "Tony is a force of nature." —Jack Bogle, Founder of Vanguard

Most of us live our lives by accident - we live as it happens. Fulfillment comes when we live our lives on purpose. 'What are you going to do with your life? What are you doing with your life now?' 'Do you have goals? A vision? A clear sense of why you do what you do?' Almost everyone knows someone who has grappled with at least one of these questions. The answers can often seem elusive or uncertain. Though there are many paths to follow into the unknown future, there is one way that dramatically increases the chances we will enjoy the journey. To travel with someone we trust. We can try to build a successful career or a happy life alone, but why would we? Together is better. This unique and delightful little book makes the point that together is better in a quite unexpected way. Simon Sinek, bestselling author of *Start With Why* and *Leaders Eat Last*, blends the wisdom he has gathered from around the world with a heartwarming, richly illustrated original fable. Working hard for something we don't care about is called stress. Working hard for something we love is called passion.
