This detailed primary source reader focuses on political, diplomatic, and social history, presenting documents that include travel literature, religious sermons, newspaper articles, court testimony, and diary entries. An ideal companion for THE AMERICAN PAGEANT, the text can be used with any U.S. history survey text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A History of the Republic, Volume II Routledge

The second edition of Dr. Gary A. Donaldson's highly successful textbook *The Making of Modern America*, introduces students to the cultural, social and political paths the United States has traveled from the end of WWII to the present day. While deftly cataloguing the sweeping changes and major events in America from Dewey Defeats Truman through the election of our first

black President, this newly updated edition never loses touch with that American history taking place at the level of the people. This edition details not just the United States rich cultural history, but elegantly repositions it as integral to our understanding of any portion of this country's past. Donaldson provides a factual foundation for students and then pushes them to interpret those facts, framing the discussions essential to any complete study of American history. *The Making of Modern America, Second Edition* is updated to include: An expanded chapter titled *America After the New Millennium* which more retrospectively and completely details the 21st century's first decade. A new chapter titled *The Second Bush and Obama: From the War on Terrorism to the Audacity of Hope* updating readers on the calamitous end to President George W. Bush's second term, the Obama administration's first term challenges and the Great Recession. Newly revised readings each profiling an historical event, speech or figure Lee Harvey Oswald to Bill Gates to Condoleezza Rice at the conclusion of each chapter."

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

American Pageant W. W. Norton & Company

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis.

Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Making of Modern America Houghton Mifflin College Division

For this twelfth edition of *The American Pageant*, we have worked together closely to incorporate the most recent scholarship about American history, and to preserve the readability that has long been the Pageant's hallmark. We are often told that the Pageant is the sole American history text that has a distinctive personality -- defined by clarity, concreteness, a consistent chronological narrative, strong emphasis on major themes, avoidance of clutter, access to a variety of interpretive perspectives, and a colorful writing style leavened, as appropriate, with wit. - Preface. *American Pageant, Volume 2 + American Pageant Guidebook Volume 2 12th Ed* Cengage Learning

Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features "flexibility designed to use in a one-semester or one-year course" "divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the

Board's effort to focus on trends rather than isolated facts "each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework "each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test "each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways "the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events "chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions "period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016

Written by professors with 40+ combined years' experience teaching the course, *Speak Up!* connects with students through lively writing, compelling real-life examples, practical guidance, and hundreds of custom-drawn illustrations that bring public speaking concepts to life. Instructors appreciate the book's serious coverage of concepts and theories, fascinating examples, and unique and often humorous illustrations that help students understand and retain concepts from the text. The new edition features a brand new case study feature that guides students through all steps of the public speaking process. The Speech Choices boxes follow Mia and Jacob as they make choices that affect the final outcome of their speech—and show students what to do, and what not to do. They culminate in two brand-new, full-length speech videos on cutting edge topics. The feature expands further online in LaunchPad with video clips from the speeches, case study questions, and case study activities that instructors can use in the classroom or assign as homework. *Speak Up!* contains other powerful digital tools accessible through LaunchPad, a learning platform that contains hundreds of videos, LearningCurve (our adaptive quizzing program), various assessment options, video assignment tools, instructor

supplements, and a full e-book.

Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of THE AMERICAN PAGEANT, Fifteenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help you understand and master the content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Standard and Guide Houghton Mifflin College Division

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Corpus Linguistics for ELT St. Martin's Press

This book condemns slavery, by appealed to whites' rational self-interest, rather than any altruism towards blacks. Helper claimed that slavery hurt the Southern economy by preventing economic development and industrialization, and that it was the main reason why the South had progressed so much less than the North since the late 18th century.

[AP Us Hist 2016](#) Cengage Learning

Based on expert review and research, this book provides an innovative standard and guide to social studies textbooks used in kindergarten through 12th grade classrooms for content, style, and design. The standards provide a foundation for individuals to select satisfactory textbooks and to help educators and school boards in the adoption of instructional materials. Chapter 1 addresses the problems of textbook content and style. Chapter 2 discusses the vast business of social studies publishing and the increased complexity of textbook packaging with the movement away from state-level adoption of textbooks. Chapter 3 focuses on the content of social studies textbooks with a comparison of past and present textbooks, a discussion of revisionism and reality, and a look at religion in textbooks. Chapter 4 examines the style and story of textbooks and finds that although the content of past textbooks may be flawed, the prose is superior to recent textbooks. Ideas on narrative, readability, vocabulary, instructional design, history, and style provide ways for textbooks to improve. Chapter 5 addresses the issue of format and proposes clarity and simplicity in technical design of books. Chapter 6 provides an outline to review textbooks for content and style and instructional activities and teacher guidance materials for usefulness. Chapter 7 includes an annotated list of the major U.S. and world history textbooks. (CK)

Compendium of the Impending Crisis of the South Routledge

The United States, 1865–1920: Reuniting a Nation explores how the U.S. attempted to heal Civil War-era divisions, as well as maintain and strengthen its unity as new rifts developed in the conflict's aftermath. Taking a broadly thematic approach to the period, Adam Burns examines the development of the United States from political, social, and foreign relations perspectives. Concise and accessible, the volume uses a variety of primary source documents to help stimulate discussion and encourage the use of historical evidence as support for different interpretations of the era. By exploring controversies over issues such as citizenship, ethnicity, regionalism, and economic

disparity, all of which resonate strongly in the nation's political discourse today, the book will be an important staple for undergraduate students of American History and the period that followed the Civil War, as well as general enthusiasts.

The American Pageant Perfection Learning

THE BRIEF AMERICAN PAGEANT presents a concise and vivid chronological narrative, focusing on the central themes and great public debates that have dominated American history. Colorful anecdotes, first-person quotations, and the text's trademark wit are all evident throughout. The strong historical narrative is highlighted by focus questions, chapter outlines and summaries, marginal glossaries, and special features such as "Makers of America", "Examining the Evidence", and "Thinking Globally". Also available in the following split options: Volume I: To 1877 (Chapters 1-22), ISBN: 9781285193304; Volume II: Since 1865 (Chapters 22-41), ISBN: 9781285193311. Corpus Linguistics for ELT provides a practical guide to undertaking ELT-related corpus research. Aimed at researchers, advanced undergraduate and postgraduate students of ELT and TESOL, and English language teachers, this volume: covers corpus research in the main areas of language study relevant to ELT: grammar, lexis, ESP, spoken grammar and discourse; presents a review of relevant corpus research in these areas, and discusses the implications of this research for ELT; suggests potential ELT-focused corpus research projects, and equips the reader with all the required tools and techniques to carry them out; deals with the growing area of learner corpora and direct classroom application of corpus material. Corpus Linguistics for ELT empowers and inspires readers to carry out their own ELT corpus research, and will allow them in turn to make a significant contribution to corpus-informed ELT pedagogy.
