*The Haunting Story of the English Rose* Penguin  
 Jamie Kelly writes in her diary about her search for inner beauty, her fund raising efforts for the Juvenile Optometry Federation, and her practice strategy for the Jump-Rope-A-Thon.

*Princess Diana* Fourth Estate

A new Little Golden Book all about Ariel from Disney's *The Little Mermaid!* What are the Little Mermaid's favorite things to do? Who are Ariel's best friends? Find out the answers to these questions and much more in this new Little Golden Book all about Disney Princess Ariel, the star of the beloved Disney movie *The Little Mermaid*. This Little Golden Book is beautifully illustrated with a unique art style and features Flounder, Sebastian, Scuttle, Prince Eric, and others from the hit animated film. It is a must-have for children ages 2 to 5, plus all *The Little Mermaid* fans--and collectors--of any age! This Little Golden Book is part of the charming "I Am..." series, which

provides a unique look at favorite Disney characters.

*Fresh Princess* Pioneer Drama Service, Inc.  
 Based on *The Fresh Prince* created by Will Smith, Destiny is the Fresh Princess. Meet Destiny—a cool, energetic, and strong-willed young girl who approaches every day with her own signature style! That is, until she moves to a brand-new neighborhood, where nothing looks quite the same as it did at her old house. Even with new challenges and new friends to make, Destiny always has a plan. With a few reminders from her loving family and after remembering what being the Fresh Princess is all about, she may just take the leap and jump right in! Written by celebrated author, blogger, and editor Denene Millner and illustrated by Gladys Jose, *Fresh Princess* is the perfect book to encourage kids to proudly stand out and be themselves!

**Who Was Princess Diana?** HarperCollins  
 A GUARDIAN BOOK OF THE YEAR \* A TIMES BOOK OF THE YEAR \* A SUNDAY TIMES BOOK OF THE YEAR \* A DAILY MAIL BOOK OF THE YEAR 'An original, memorable and substantial achievement'

TLS'A masterpiece' Mail on Sunday'I honked so loudly the man sitting next to me dropped his sandwich' ObserverShe made John Lennon blush and Marlon Brando clam up. She cold-shouldered Princess Diana and humiliated Elizabeth Taylor. Andy Warhol photographed her. Jack Nicholson offered her cocaine. Gore Vidal revered her. John Fowles hoped to keep her as his sex-slave. Dudley Moore propositioned her. Francis Bacon heckled her. Peter Sellers was in love with her. For Pablo Picasso, she was the object of sexual fantasy. "If they knew what I had done in my dreams with your royal ladies" he confided to a friend, "they would take me to the Tower of London and chop off my head!" Princess Margaret aroused passion and indignation in equal measures. To her friends, she was witty and regal. To her enemies, she was rude and demanding. In her 1950's heyday, she was seen as one of the most glamorous and desirable women in the world. By the time of her death, she had come to personify disappointment. One friend said he had never known an unhappier woman. The

tale of Princess Margaret is pantomime as tragedy, and tragedy as pantomime. It is Cinderella in reverse: hope dashed, happiness mislaid, life mishandled. Combining interviews, parodies, dreams, parallel lives, diaries, announcements, lists, catalogues and essays, Ma'am Darling is a kaleidoscopic experiment in biography, and a witty meditation on fame and art, snobbery and deference, bohemia and high society. 'Brown has been our best parodist and satirist for decades now ... Ma'am Darling is, as you would expect, very funny; also, full of quirky facts and genial footnotes. Brown has managed to ingest huge numbers of royal books and documents without losing either his judgment or his sanity. He adores the spectacle of human vanity' Julian Barnes, Guardian

I Am Brave! An Acorn Book (Princess Truly #5)  
Golden/Disney  
Three Sweet Romance Princess fairytales with a side of danger. Book 1: The Royal Spyl didn't go for him, I went to save our countries. After my mother was assassinated my father wanted to protect me. He wanted

me to grow up the opposite of a weak princess who cared only forilly dresses and trivial things. Tossing aside my birthright, he made me a spy. His best spy. With a life full of fencing and secret identities, I wasn't prepared for my greatest challenge of all. Acting the part of a princess. Instead of lingering in the shadows unseen, I'm having tea with the queen and bantering with a prince. Now that I've seen both sides I can't help but wonder if my life would be better as Katie the princess or Katie the spy? And the time has come to make my choice. Book 2: Lady Al alone know what will save my kingdom, at least I will, the moment I can regain my memories. I am in terrible danger, an unfortunate side effect of my brother's latest scheme. A scheme he swore would not only save our country, but rid us of the mad-man Manic and his riders. Prince James supports his best friend and knight more than me, where this subject is concerned, but I can't help and think they should have listened to me. At least headed my warnings. If my brother can't make it home in time with the information we need I fear for more

than my own life. Our whole country is at stake. The danger grows deeper and I can feel that time is running out for all of us. Book 3: The Prince's Decoy Can two bad situations get fixed by a little lie? Or will it only make things worse for both of them? My life was normal, good even, until my parents were murdered. I thought things might get better after a while but they didn't. I became hunted too. Desperate to steal my inheritance my uncle's family is attempting to take away my life, my home, everything I hold dear. Because they must make my death appear like an accident they have yet to succeed, but I fear they are growing more desperate and will succeed soon enough. I am left with two choices, stay and try to wait it out until my birthday when I can inherit what is mine or run away. A Cinderella meets the Bachelor Princess Tale.

**the princess and the magic pea** Good Press  
New York Times and USA Today bestselling author Alyssa Cole's second Runaway Royals novel is a queer Anastasia retelling, featuring a long-lost princess who finds love with the female

investigator tasked with tracking her down. Makeda Hicks has lost her job and her girlfriend in one fell swoop. The last thing she's in the mood for is to rehash the story of her grandmother's infamous summer fling with a runaway prince from Ibarania, or the investigator from the World Federation of Monarchies tasked with searching for Ibarania's missing heir. Yet when Beznaria Chetchevaliere crashes into her life, the sleek and sexy investigator exudes exactly the kind of chaos that organized and efficient Makeda finds irresistible, even if Bez is determined to drag her into a world of royal duty Makeda wants nothing to do with. When a threat to her grandmother's livelihood pushes Makeda to agree to return to Ibarania, Bez takes her on a transatlantic adventure with a crew of lovable weirdos, a fake marriage, and one-bed hijinks on the high seas. When they finally make it to Ibarania, they realize there's more at stake than just cash and crown, and Makeda must learn what it means to fight for what she desires and not what she feels bound to by duty.

The Water Princess

Scholastic Inc. Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true...or at least as true as it needs to be. Dear Dumb Diary, My social studies teacher, Mr. VanDoy, never smiles. I know that's hard to believe, because everybody smiles about something, right? Isabella smiles when her brothers get in trouble. Angeline smiles when she thinks about how much prettier she is than, like, a waterfall or a unicorn. I smile when I think about a unicorn kicking Angeline over a waterfall. But Mr. VanDoy doesn't smile at all. I wonder if when you become an adult, you can lose your sense of humor the way you lose your teeth or hair or fashion sense.

### **The Princess and the Fangirl** Penguin

One day, a little girl wakes up and decides she wants to be a princess. With the help of Mom and Dad, she gets into the proper princess costume, and together, they go on a royal adventure. It all starts with an enchanted carriage ride, and soon, the little girl walks into her own special castle, welcomed by everyone! In the castle, there's a

fantastic tea party. Later, the little girl finds a magic wand. She wishes for a world where every girl or boy can be happy just as they are--whether that is by being a princess or anything else they can imagine. It's important for children to be showered with love and acceptance in a nurturing environment. The little girl in this story has a Mom and Dad who encourage her to be confident, strong, to do her very best, and to dream big. We don't have to be parents to give this kind of support. If everyone in the world embraces the beauty of dreams, we can all be royalty!

*I Am Princess X*

HarperCollins

Some little ones want to be princesses; others want to be dragons. The message of this book is that you can actually be both! There are lots of things you can be: a little wild, a little sweet. A little polite, a little troublesome. A little dainty, a little dragony. There's nothing stopping you from being just what you want to be . . . so which would you rather be: a princess or a dragon? Here's just the book to help you sort through that difficult question. You might be

surprised at what you decide by its end.  
I Am a Princess Andrews McMeel Publishing  
 Dream big with Princess Truly, an adorable new diverse character who knows she can be anything she wants to be! One of Essence Magazine's Best Books of 2017 Princess Truly is strong and confident, beautiful and brave, bright and brilliant. She can do anything she sets her mind to...I can fly to the moon And dance on the stars. I can tame wild lions...And race fast cars. Brimming with warmth and color, Princess Truly's rhythmic rhyming adventures are a celebration of individuality, girl power, and diversity. A perfect graduation gift, this heartfelt story is a reminder to young girls everywhere that they can achieve anything if they put their minds to it...and dream big!

**Princess Jackie Her Highness the Dogginess**

Golden/Disney  
 Best friends, big fans, a mysterious webcomic, and a long-lost girl collide in this riveting novel, perfect for fans of both Cory Doctorow and Sarah Dessen, & illustrated throughout with comics.

Once upon a time, two best friends created a princess together. Libby drew the pictures, May wrote the tales, and their heroine, Princess X, slayed all the dragons and scaled all the mountains their imaginations could conjure. Once upon a few years later, Libby was in the car with her mom, driving across the Ballard Bridge on a rainy night. When the car went over the side, Libby passed away, and Princess X died with her. Once upon a now: May is sixteen and lonely, wandering the streets of Seattle, when she sees a sticker slapped in a corner window. Princess X? When May looks around, she sees the Princess everywhere: Stickers. Patches. Graffiti. There's an entire underground culture, focused around a webcomic at [IAmPrincessX.com](http://IAmPrincessX.com). The more May explores the webcomic, the more she sees disturbing similarities between Libby's story and Princess X online. And that means that only one person could have started this phenomenon---her best friend, Libby, who lives. A Princess Tale Collection Scholastic Inc. A collection of forty-one fairy tales from the

folklore of Japan, Scandinavia, Sicily, Africa and Spain.  
*The Pink Fairy Book* Xlibris Corporation  
 The Prince and the Pauper gets a Geekerella-style makeover in this witty and heartfelt novel for those who believe in the magic of fandom—now with an excerpt from Ashley Poston's latest, *Bookish and the Beast*. Imogen Lovelace is an ordinary fangirl on an impossible mission: to save her favorite Starfield character, Princess Amara, from being killed off. On the other hand, the actress who plays Amara wouldn't mind being axed. Jessica Stone doesn't even like being part of the Starfield franchise—and she's desperate to leave the intense scrutiny of fandom behind. Though Imogen and Jess have nothing in common, they do look strangely similar to one another—and a case of mistaken identity at ExcelsiCon sets off a chain of events that will change both of their lives. When the script for the Starfield sequel leaks, with all signs pointing to Jess, she and Imogen must trade places to find the person responsible. The deal: Imogen will play Jess at her signings and

panels, and Jess will help Imogen's best friend run their booth. But as these "princesses" race to find the script leaker—in each other's shoes—they're up against more than they bargained for. From the darker side of fandom to unexpected crushes, Imogen and Jess must find a way to rescue themselves from their own expectations...and redefine what it means to live happily ever after.

*How to Find a Princess*

Xist Publishing

Explore the world with Princess Truly! Pick a book. Grow a Reader! This series is part of Scholastic's early reader line, Acorn, aimed at children who are learning to read. With easy-to-read text, a short-story format, plenty of humor, and full-color artwork on every page, these books will boost reading confidence and fluency. Acorn books plant a love of reading and help readers grow! Princess Truly is on a great adventure! With a twinkle from her magical, sparkling curls, she can go anywhere in the world. Whether exploring with her little brother Ty, or her sidekick pug Sir Noodles, she uses her bravery and curiosity to dream BIG. Travel with Truly to swim with

penguins in the South Pole, explore the wonders of the rainforest, and discover the magic of the world all around you!

These rhyming, funny, and empowering stories with full-color artwork and easy-to-read text throughout are perfect for new readers! Praise from Booklist: "An excellent book for any budding reader that encourages the use of imagination, exploration, and discovery."

**Ma'am Darling** Penguin

A heartwarming book about unconditional love and one remarkable family. Dyson loves pink, sparkly things. Sometimes he wears dresses.

Sometimes he wears jeans. He likes to wear his princess tiara, even when climbing trees. He's a Princess Boy. Inspired by the author's son, and by her own initial struggles to understand, this heartwarming book is a call for tolerance and an end to bullying and judgments. The world is a brighter place when we accept everyone for who they are.

**My Princess Boy**

Scholastic Inc.

This new Little Golden Book is about Princess Mulan, star of the Disney classic Mulan—just in time for the live-action film

release on Disney+ in September 2020! Meet Princess Mulan, the brave warrior princess, and her friends Mushu, Cri-Kee, and more in this new Little Golden Book featuring beautiful, retro-style art. Girls and boys ages 2 to 5, as well as Little Golden Book collectors of all ages, will love this new storybook based on the Disney classic Mulan. This Little Golden Book is part of the charming "I Am . . ." series, which provides a unique introduction to favorite Disney characters. Disney Mulan is an animated classic featuring a brave and inspiring princess, an award-winning soundtrack, and a timeless adventure tale.

*I Am Ariel (Disney Princess)* Scholastic Inc.

Love is in the air and causes chaos at the middle school.

*Runaway Royals*  
Golden/Disney
