DEVIN RHETT

Trends and Developments for the Future of Language Education in Higher Education OUP Oxford

This book combines insights from language assessment literacy and critical language testing through critical analyses and research about challenges in language assessment around the world. It investigates problematic practices in language testing which are relevant to language test users such as language program directors, testing centers, and language teachers, as well as teachers-in-training in Graduate Diploma and Master of Arts in Applied Linguistics programs. These issues involve aspects of language testing such as test development, test administration, scoring, and interpretation/use of test results. Chapters in this volume discuss insights about language testing policy, testing world languages, developing program-level language tests and tests of specific language skills, and language assessment literacy. In addition, this book identifies two needs in language testing for further examination: the need for collaboration between language test developers, language test users, and language users, and the need to base language tests on real-world language use.

Test Your English Idioms Oxford University Press, USA

Spotlight on Writing offers teachers a wide variety of topics and activities to stimulate, engage, challenge, entertain and extend all pupils' writing skills. This extremely practical resource provides busy teachers and teaching assistants with a collection of worksheets that can be used as instant, educationally appropriate learning activities written specifically with the inclusive classroom in mind. The wide variety of exercises encourages pupils to think about writing and to develop skills in writing facts and information, creative writing and editing, whilst building confidence and motivation. Teachers can use this book to develop a flexible inclusive approach, comprising individualised materials and opportunities for extended practice. All the books in this series: Promote effective intervention and inclusion strategies for teachers and teaching assistants Provide materials that are solidly grounded in an understanding of how children learn and the particular difficulties of children with special needs. Stimulate discussion and interaction Can be used as part of an individual or small group learning programme for a child with special needs Provide 'whole class' materials that can also engage older children or those with a higher level of achievement Offer teachers quick, fun activities that never require additional resources, special materials or preparation. Spotlight on Writing is an essential tool for any teacher striving to offer every pupil opportunities to maximise their own potential and develop strong writing skills.

Four-skills American English course with a communicative methodology, engaging texts, and a strong pronunciation syllabus - designed to get students speaking. With texts and topics that make learners want to speak, American English File is the course that gets students talking. It gives you full skills coverage with a clear focus on pronunciation, plus wide-ranging support and resources too. Resources include Test Generator CD-ROMs, DVDs, Multi-ROMs, and websites. The highly popular teacher's site has extra lesson ideas and resources for you to download.

[English File: Intermediate. Teacher's Guide with Teacher's Resource Centre](#) OUP Oxford

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Headstart and Headway Springer Nature

The English File fourth edition Students Book is packed full of interesting content to keep students of all abilities fully engaged and motivated. The English File fourth edition Workbook reinforces what is learned in each English File lesson, and can be used as extra practice during class, or set as homework.

Market Leader Elementary Test File New Edition OUP Oxford

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace.

Spotlight on Spelling OUP Oxford

A new course with a strong focus on student motivation and communicative outcomes. The package includes DVDs and interactive whiteboard resources.

Microbiology Routledge

"Microbiology covers the scope and sequence requirements for a single-semester microbiology course for non-majors. The book presents the core concepts of microbiology with a focus on applications for careers in allied health. The pedagogical features of the text make the material interesting and accessible while maintaining the career-application focus and scientific rigor inherent in the subject matter. Microbiology's art program enhances students' understanding of concepts through clear and effective illustrations, diagrams, and photographs. Microbiology is produced through a collaborative publishing agreement between OpenStax and the American Society for Microbiology Press. The book aligns with the curriculum guidelines of the American Society for Microbiology."--BC Campus website.
