It's been ten years since open data first broke onto the global stage. Over the past decade, thousands of programmes and projects around the world have worked to open data and use it to address a myriad of social and economic challenges. Meanwhile, issues related to data rights and privacy have moved to the centre of public and political discourse. As the open data movement enters a new phase in its evolution, shifting to target real-world problems and embed open data thinking into other existing or emerging communities of practice, big questions still remain. How will open data initiatives respond to new concerns about privacy, inclusion, and artificial intelligence? And what can we learn from the last decade in order to deliver impact where it is most needed? The State of Open Data brings together over 60 authors from around the world to address these questions and to take stock of the real progress made to date across sectors and around the world, uncovering the issues that will shape the future of open data in the years to come.

**Porn Star Brothers Book 1** ReadHowYouWant.com

The best-selling photo book with the hottest Bel Ami boys by star photographer Joan Crisol now as softcover edition.The stars of the European adult entertainment studio Bel Ami usually look a little more like Love Me Tender than Rebel Yell. ♦The new softcover edition of the photo book by Spanish celebrity photographer Joan Crisol is proof that they can switch modes at any time. He portrays the handsome boys in bold poses and puts the spotlight on their wild side. ♦The resulting works are extremely hot and absolutely convincing. With aplomb and appeal, these ever-so-sweet guys show that they have plenty of raw and rampant energy in them after all.

**Amateur College Men** Standard Ebooks

Dylan Rosser focuses on the purity and sensuality of the male form, often showing not much more than a smooth, sexy male body using light and shadow to accentuate the athletic curves and shapes of the models. The key idea of 'x-posed' is to keep it all nude, because as soon as items of clothing are added, one inevitably ends up with an image dated in time. Rosser's aim is to keep his pictures timeless, sensual and classic.

**Teleny, Or, The Reverse of the Medal** Gay PornographyRepresentations of Sexuality and Masculinity First published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

**Men of the World** Createspace Independent Publishing Platform

No Straight Lines showcases major names such as Alison Bechdel, Howard Cruse, and Ralf Koenig (one of Europe's most popular cartoonists), as well as high-profile, crossover creators who have dabbled in LGBT cartooning, like legendary NYC artist David Wojnarowicz and media darling and advice columnist Dan Savage. No Straight Lines also spotlights many talented creators who never made it out of the queer comics ghetto, but produced amazing work that deserves wider attention. Queer cartooning encompasses some of the best and most interesting comics of the last four decades, with creators tackling complex issues of identity and a changing society with intelligence, humor, and imagination. This book celebrates this vibrant artistic underground by gathering together a collection of excellent stories that can be enjoyed by all. Until recently, queer cartooning existed in a parallel universe to the rest of comics, appearing only in gay newspapers and gay bookstores and not in comic book stores, mainstream bookstores or newspapers. The insular nature of the world of queer cartooning, however, created a fascinating artistic scene. LGBT comics have been an uncensored, internal conversation within the queer community, and thus provide a unique window into the hopes, fears, and fantasies of queer people for the last four decades. These comics have forged their aesthetics from the influences of underground comix, gay erotic art, punk zines,

and the biting commentaries of drag queens, bull dykes, and other marginalized queers. They have analyzed their own communities, and their relationship with the broader society. They are smart, funny, and profound. No Straight Lines has been heralded by people interested in comics history, and people invested in LGBT culture will embrace it as a unique and invaluable collection.

By looking in every corner of every room in your house, from the kitchen to the closet, and by considering the needs of every member of your family, from your toddler to your dog, 397 Ways to Save Money will help you find thousands of dollars in savings without changing your lifestyle.

*Think Skinny, Feel Fit* Harper Collins

The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first Crisis, which reads "These are the times that try men's souls." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**Bettie!** Chances

"A touching, compassionate, passion-filled romance" that dances from Victorian England to Texas from the author of A Christmas Scandal (RT Book Reviews). To Lady Amelia Wellesley, it seems utterly romantic to surprise her dashing fiancé at his home in Texas so the two can marry by Christmas. But Amelia's surprise goes awry when Carson Kitteridge calls off their wedding as soon as she arrives, leaving Amelia in disgrace . . . With nowhere to turn, Amelia finds an unlikely savior in Carson's brother, Dr. Boone Kitteridge. Boone offers to marry Amelia, sparing her the shame of returning to England unwed. But Boone isn't just protecting Amelia's honor; secretly, he finds her irresistible, and the thought of indulging his desire for her is too tempting to ignore. As Boone and Amelia forge a fragile bond, something goes terribly wrong—and it will take nothing less than a Christmas miracle for Amelia to discover who she is destined to love . . . "[Goodger] once again delights her fans with the wonderfully descriptive narrative that is filled with humor and sensuality." —Fresh Fiction Praise for A Christmas Scandal "Gentle humor, witty banter, and attractive characters." —Library Journal "Simply a pleasant way to pass an evening." —Romantic Times

**Male Nude Photography- the Body Guards** Springer Science & Business Media

The Satyricon is a Latin work of fiction in a mixture of prose and poetry. It is believed to have been written by Gaius Petronius Arbiter, though the manuscript tradition identifies the author as a certain Titus Petronius. As with the Metamorphoses of Apuleius, classical scholars often describe it as a "Roman novel", without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome

sixteen-year-old boy named Giton. Throughout the novel, Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character. Of the many masterpieces which classical antiquity has bequeathed to modern times, few have attained, at intervals, to such popularity; few have so gripped the interest of scholars and men of letters, as has this scintillating miscellany known as the *Satyricon*, ascribed by tradition to that Petronius who, at the court of Nero, acted as arbiter of elegance and dictator of fashion. The flashing, wit, the masterly touches which bring out the characters with all the detail of a fine old copper etching; the marvelous use of realism by this, its first prophet; the sure knowledge of the perspective and background best adapted to each episode; the racy style, so smooth, so elegant, so simple when the educated are speaking, beguile the reader and blind him, at first, to the many discrepancies and incoherences with which the text, as we have it, is marred. The more one concentrates upon this author, the more apparent these faults become and the more one regrets the lacunae in the text. Notwithstanding numerous articles which deal with this work, some from the pens of the most profound scholars, its author is still shrouded in the mists of uncertainty and conjecture. He is as impersonal as Shakespeare, as aloof as Flaubert, in the opinion of Charles Whibley, and, it may be added, as genial as Rabelais; an enigmatic genius whose secret will never be laid bare with the resources at our present command.

**Readings in Ethnic Psychology** Bruno Gmunder Verlag

In this provocative book, retired porn star Scott O'Hara (known as "Spunk" by many of his fans from an early punk photospread) gives a backstage look at the world of pornography, revealing why he loved it, what he got out of it, and why he left it. In an autobiographical style, he considers and poses answers to some fascinating questions: What is sex? What makes a porn star? And why does pornography really upset people? You'll really get to know this noted gay porn star as you get a firsthand look at his life experiences and sexual journeys from his boyhood days of locker room fantasies and sexual experimentation to his years as a porn star and then to his experiences as an individual facing the realities of being HIV-positive. As O'Hara puts it in his Introduction: "This book was written as a last-ditch effort: a way to open up all my closets, let you in on all the dark corners of my life, and give you a better picture of what goes into the making of a porn star. Because if there's one profession that arouses people's curiosity, it's that one." As you read through the pages of Autopornography, you'll see how O'Hara's personality reflects his sexuality, that is, how they have melded into one. His vivid descriptions of personal relationships (with family, friends, lovers, and casual acquaintances) and his many sexual encounters as he traveled the world reveal his love of sex and his desire to live without inhibitions, secrets, or sexual constraints. Reading Autopornography may cause you to reexamine your own sexual boundaries, realize new sexual potential, and discover sexual desires not previously aroused. Listed #14 on Books Bought Mainly by Men 1997 Top 100 Bestsellers as rated by A Different Light Bookstore!

**Histories and Horizons** Bruno Gmunder Verlag

In the tradition of the bonkbustingly good Jackie Collins, comes L.J. Diva's Porn Star Brothers series. Follow the meteoric rise of '70s Porn Star, Carlo Stefan, and the rocky path he took to find the life and love he craved in the Porn Star Brothers series. Carlos Stephanopoulos is the eldest of three brothers. Australian born and Greek Island raised, he loves women, sex, and money, and not necessarily in that order. He lives the good life, screwing women of all ages morning, noon and night until one night the good life comes to a screeching halt. On the run with only a suitcase and money, he winds up in Hollywood working in porn, only to become the biggest star of the 70s. But the drama has followed him from home and leads to a dramatic kidnapping and car chase across the country. And it all comes down to one person? One person who's out to end the life of Carlos Stephanopoulos? Carlos is the first novella in the Porn Star Brothers contemporary romance series featuring the sizzingly sexy elder Greek Australian bad boy brother. If you like family sagas, heartfelt romances and dancing to '70s disco, then you'll love L.J. Diva's page-turning series. Unlock The Porn Star Brothers Series to start the love affair today!

**2,500 Years of History Unzipped** Bloomsbury Publishing

This groundbreaking collection of essays on the sex industry contains original studies on sex work, its risks and benefits, and its political implications. Sex for Sale covers areas not commonly

researched, including gay and lesbian pornography, telephone sex workers, customers of prostitutes, male and female escorts who work independently, street prostitution, sex tourism, legal prostitution, and strip clubs that cater to women. Sex for Sale also tracks various trends during the past decade, including the mainstreaming and growing acceptance of some types of sexual commerce and the growing criminalization of other types, such as sex trafficking. Sex for Sale offers a window into the lived experiences of sex workers as well as an analysis of the larger gender arrangements and political structures that shape the experiences of workers and their clients. This book contributes greatly to a growing research literature that documents the rich variation, nuances, and complexities in the exchange of sexual services, performances, and products. This book will change the way we understand sex work.

**First Things First** Bruno Gmunder

Kristen Bjorn knows how to capture the eroticism and the machismo of Latin men. Virile sensuality, splendid locations, opulent coloring and technical brilliance are just some of the attributes which describe the three-dimensional language of Bjorn's images. The men in this book hold readers spellbound - and not just by the fervour of their passions. A reissue of a Bruno Gmunder classic title, now available in a handy format.

**The Incomparable Bettie Page Archives of Irving Klaw** Simon and Schuster

The New York Times-bestselling time management book from the author of *The 7 Habits of Highly Effective People*. Stephen R. Covey's *First Things First* is the gold standard for time management books. His principle-centered approach for prioritizing gives you time management tips that enable you to make changes and sacrifices needed in order to obtain happiness and retain a feeling of security. *First Things First: The Interactive Edition* takes Dr. Covey's philosophy and remasters the entire text to include easy-to-understand infographics, analysis, and more. This time-saving version of *First Things First* is the efficient way to apply Dr. Covey's tested and validated time management tips, while retaining his core message. This guide will help you: • Get more done in less time • Develop and retain rich relationships • Attain inner peace • Create balance in your life • And, put first things first "Covey is the hottest self-improvement consultant to hit US business since Dale Carnegie." —USA Today "Covey has reached the apex with *First Things First*. This is an important work. I can't think of anyone who wouldn't be helped by reading it." —Larry King, CNN "These goals embody a perfect balance of the mental, the physical, the spiritual, and the social." —Booklist

**The American Crisis** Bruno Gmunder Verlag

In a critique of recent declarations of an AIDS epidemic, the author argues that AIDS is not a heterosexual disease and contends that homosexuals and IV drug users are still the highest risk groups. By the author of *Science Under Siege*. Original.

**A Christmas Waltz** African Minds

Hardcore porn - both the straight and gay varieties - entered mainstream American culture in the 1970s as the sexual revolution swept away many of the cultural inhibitions and legal restraints on explicit sexual expression. The first porn movie ever to be reviewed by *Variety*, the entertainment industry's leading trade journal, was Wakefield Poole's *Boys in the Sand* (1971), a sexually-explicit gay movie shot on Fire Island with a budget of \$4000. Moviegoers, celebrities and critics - both gay and straight - flocked to see *Boys in the Sand* when it opened in mainstream movie theaters in New York, Los Angeles and San Francisco. Within a year, *Deep Throat*, a heterosexual hardcore feature opened to rave reviews and a huge box office - exceeding that of many mainstream Hollywood features. Almost all of those involved in making "commercial" gay pornographic movies began as amateurs in a field that had virtually never existed before, either as art or commerce. Many of their "underground" predecessors had repeatedly suffered arrest and other forms of legal harassment. There was no developed gay market and any films made commercially were shown in adult x-rated theaters. After the Stonewall riots and the emergence of the gay liberation movement in 1969, a number of entrepreneurs began to make gay adult movies for the new mail order market. The gay porn film industry grew dramatically during the next thirty years and transformed the way men - gay men in particular - conceived of masculinity and their sexuality. *Bigger Than Life* tells that story.
