How could the top quality handsome Tang Zixuan be turned into an extraordinary Martial Arts Master by a refined clothing designer in a month? The petite and beautiful girlfriend whom he had loved for many years suddenly threw herself into the arms of a rich second generation; the beautiful woman, who was filled with love, was being forced into the forest of a foreign country; the beautiful woman, who was passionate and wise, was being pursued relentlessly; the beautiful woman, who was also beautiful, where was she to go? Was it a fortuitous encounter or a calamity? The plot was thrilling and confusing.

*Beautiful Boss Falls in Love with Me* Harlequin

Marrying for the baby's sake Prince Dominic Sancho has always lived up to his family's royal expectations. Until one irresistibly spontaneous night with teacher Ginny Jones has dramatic repercussions—she's now carrying the next heir to Xaviera's throne! There's only one solution—a royal wedding... A marriage of convenience is Ginny's worst nightmare, but for their baby's sake, she says "I do." And as the royal couple jet off on their honeymoon, she begins to realize that beneath the royal etiquette, Dominic is a daddy—and loving husband—in the making!

*Boss Babes* Funstory

The boss who saw her beauty... Paris might be the city of love, but it makes trainee chef Piper Rush feel lonely! It's only the tentative bond she forges with her boss, brooding billionaire Frederic Lafontaine, that gives her the sense of

belonging she's always craved... Gradually losing his sight, Frederic keeps everyone at arm's length. But as Piper brings laughter and light back into his heart, she also opens his eyes to what life could be like...together. Can Piper convince Frederic that she is the missing ingredient to his happily-ever-after?

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-

determined life. In *Boundary Boss*, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say How to manage "Boundary Destroyers"—including emotional manipulators, narcissists, and other toxic personalities Where you fall on the spectrum of codependency and how to create healthy, balanced relationships This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you're getting it all done but at the expense of yourself, give yourself the gift of *Boundary Boss*.

*Conquer the Beautiful Boss* Funstory  
Researcher Maggie Donovan has no luck with men, and it doesn't help that she can't keep her eyes off of her sexy boss - the one everyone else in the office calls The Beast. Relationships in the office are forbidden. So no one is more surprised than Maggie when she pretends to be his fiancée to save him during a difficult situation. Not only has she put her job on the line, but the future of the company. Billionaire Benjamin Gale III doesn't believe in love or romance, but the look on his mother's face when Maggie tells her that she's his fiancée is worth millions. Instead of firing her for her insubordination, he goes along with the ruse. In his arms—and in his bed—she'd be everything he could ever want...which is why he can't have her. But if he doesn't let her go, they'll lose everything... Each book in the Modern Fairytales series is STANDALONE: \* *Beauty and the Boss* \* *The Prince's Bride*

Funstory

When I met my sister, who was driving a red Hummer, I didn't expect her to be the elegant, cool female boss of the new concept fashion brand I was going to be in. That night, when I was obliged to send her home, there was a series of unexpected and extreme temptations. This was a grand emotional drama about human nature, madness, thinking, reality, and

flashy feelings. It was a huge drama about love and emotion, and it was a fashion show in real life. The curtain was about to open ...

#### *Wonderful Boss* Sounds True

Though the definition itself is somewhat derogatory, that author has dispelled this notion through this book. As a believer in the law of averages, and quoting from his own experience of around forty years, the author says that there would be more good guys in organizational corridors of power than bad ones. Yet there is big room for improvement for the good guys too. A leader has a much larger role to play which affects performance and progress of the entire organization. At the core of leadership lies vision, mission, direction, wisdom, sacrifice and also a moralistic stance. In contrast, the role of a boss is more 'hands on' and largely revolves around and is focused towards 'people management' and interpersonal relations with the employees of the organization. The boss subordinate relationship becomes very personal and that is why one would say 'He is my boss, and you will seldom get to hear anything like, 'he is my leader.' It is the softer part of leadership which is the hardest to manage! Putting it in another way, a boss is in your immediate vicinity with whom you deal on a daily basis, whereas a leader may be visible only from a distance. During the Gilded Age, in the 19th century in the United States, bossism was a system of political control centering around a single powerful figure—the boss. The central figure had tremendous clout and influence in terms of political control. In that context also, boss was to do more with "control" and perhaps nothing to do with leadership. In the modern environment, bossism is about 'atmospherics', which has a direct impact on a subordinate's performance as well his personal life and happiness too. Therefore, bossism is skewed more towards emotional intelligence rather than the IQ of a boss.

The ninth work in the New York Times and #1 internationally bestselling series that started with Beautiful Bastard. In this novella, Will Sumner and Hanna Bergstrom (from Beautiful Player) find that a wedding and everlasting love were just the beginning. One Player tamed. One nerd girl satisfied. And one more major life decision to make. When Will fell for Hanna, her quirky sense of humor and fierce dedication to her career were part of the attraction. (Not to mention her coy newbie attitude toward sex and her willingness to let him teach her everything.) But when

the job offers start rolling in for her—and oh, they do—Hanna has trouble deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...getting on the same page is quite another altogether.

#### *Boss Up!* Independently Published

Josh Maxwell is a senator in Sammamish, Washington. He's good looking, brash and extremely outspoken. He's the sort of guy that you either love or hate, but never anything in between. When a scandal breaks out involving another senator, a public relations officer is hired for damage control. She's also asked to help rein in Josh and help smooth out his rough edges so that he can become better received by more of the public. She's a pretty, no-nonsense sort of woman who doesn't find Josh intimidating in the least, a point that Josh finds both frustrating and intriguing all at the same time. She's the first woman he's met who hasn't shown any interest in him, and it's driving him insane... Will he be able to get her?
