Holy Bible Collins

The Ultimate Resource Review and
Herald Pub Assoc

This is a completely new typeset of the monumental 1957 classic, containing an extensive historical and theological introduction and detailed in-text notations by George R. Knight. Originally produced by the Ministerial Association of the General Conference of Seventh-day Adventists, *Questions on Doctrine* was widely acclaimed and distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation. As part of the Adventist Classic Library, Knight's essays provide the background for how the book came about and describes the interaction of the principal players involved in the crisis that shelved this classic work for more than a generation.

Genesis Review and Herald Pub Assoc
In a time of so many distractions from television, to the internet, movies, and more Bible study is fast becoming obsolete. Who in the world has time to open the Book? Yet God promises huge blessings for those who daily receive His bread of truth. In this inspiring booklet, Pastor Doug shows you the power of God's Word to change your life and the tremendous need to return to the source of our faith.

Luke Ivan R. Dee

Here are 14 complete scripts and 20 program starters to help you present

spiritually rewarding Sabbath school programs that get people involved! These programs have been tested in large and small Sabbath schools across the country and will help make your Sabbath school a refreshing time of worship.

The Great Hope Review and Herald Pub Assoc

A foundational text in the Seventh Day Adventist church, *The Great Controversy* is a vision White had of the great battle between Christ and Satan throughout the ages of the early and modern church. Although the book is not held with as high esteem in Protestant circles, it still is able to outline a way of impactful theological thinking.

Seventh-Day Adventists Answer Questions on Doctrine Collins

"This is a commentary on the Biblical books of Daniel and Revelation"--
The Sanctified Life Amazing Facts

The Book of Acts Review and Herald Pub Assoc

"How to Interpret Scripture reviews the subject of hermeneutics. It discusses a proper approach to Scripture and the use of principles of interpretation that will lead to sound conclusions"--

Steps to Christ Lulu.com

Thirty years-that's all it took. In those 30

years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people. And it all began with a dozen men, a handful of women, ... and the Holy Spirit. Acts is their story. While it's tempting to think of the early Christian church as the pinnacle of unity, purity, and perfection, this is misleading. Author Wilson Paroschi writes, "We find the early believers, including the apostles, entangled with misconceptions, personal conflicts, prejudice, and several other difficulties typical of human nature. They were not infallible. What they were able to accomplish in such a short period of time, however, is a perpetual testimony of how powerfully God can work when men and women, despite their limitations and failures, humble their hearts in prayer and submit their lives to the control of the Holy Spirit." We should not look at Acts as a retelling of the missionary successes of the apostles but, rather, as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself. Book jacket.
