Was Canada immune to the racist
currents of thought that swept central
Europe in the 1920's and 1930's? In this

landmark book Angus McLaren, co-author of *The Bedroom and the State*, examines the pervasiveness in Canada of the eugenic notion of "race betterment" and demonstrates that many Canadians believed that radical measures were justified to protect the community from the "degenerate." The sterilization of the feeble-minded in Alberta and British Columbia was merely the most dramatic attempt to limit the numbers of the "unfit." But in the decades prior to World War Two, eugenic preoccupations were to colour discussions of immigration restriction, birth control, mental testing, family allowances, and a host of similar social policies. Doctors, psychiatrists, geneticists, social workers, and mental hygienists provided an anxious Canadian

middle class with the reassuring argument that poverty, crime, prostitution, and mental retardation were primarily the products of defective genes, not a defective social system. In explaining why biological solutions were sought for social problems McLaren not only provides a provocative reappraisal of the ideas and activities of a generation of feminists, political progressives, and public health propagandists but he also explores some of the roots of our not-so-latent racist tendencies.

The Dark Side of the Nation Legare Street Press

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Fall One World

In the past 31 years, there has been a lot of ink—actual and virtual—spilled on the subject of the Necronomicon. Some have derided it as a clumsy hoax; others have praised it as a powerful grimoire. As the decades have passed, more information has come to light both on the book's origins and discovery, and on the information contained within its pages. The Necronomicon has been found to contain formula for spiritual transformation, consistent with some of the most ancient mystical processes in the world, processes that were not public

knowledge when the book was first published, processes that involve communion with the stars. In spite of all the controversy, the first edition sold out before it was published. And it has never been out of print since then. This year, the original designer of the 1977 edition and the original editor have joined forces to present a new, deluxe hardcover edition of the most feared, most reviled, and most desired occult book on the planet.

Our Own Master Race Testify Books

“A thoughtful, entertaining history of obsessed music collectors and their quest for rare early 78 rpm records” (Los Angeles Times), *Do Not Sell at Any Price* is a fascinating, complex story of preservation, loss, obsession, and art. Before MP3s, CDs, and cassette tapes,

even before LPs or 45s, the world listened to music on fragile, 10-inch shellac discs that spun at 78 revolutions per minute. While vinyl has enjoyed a renaissance in recent years, rare and noteworthy 78rpm records are exponentially harder to come by. The most sought-after sides now command tens of thousands of dollars, when they're found at all. *Do Not Sell at Any Price* is the untold story of a fixated coterie of record collectors working to ensure those songs aren't lost forever. Music critic and author Amanda Petrusich considers the particular world of the 78—from its heyday to its near extinction—and examines how a cabal of competitive, quirky individuals have been frantically lining their shelves with some of the rarest records in the world.

Besides the mania of collecting, Petrusich also explores the history of the lost backwoods blues artists from the 1920s and 30s whose work has barely survived and introduces the oddball fraternity of men—including Joe Bussard, Chris King, John Tefteller, and others—who are helping to save and digitize the blues, country, jazz, and gospel records that ultimately gave seed to the rock, pop, and hip-hop we hear today. From Thomas Edison to Jack White, *Do Not Sell at Any Price* is an untold, intriguing story of the evolution of the recording formats that have changed the ways we listen to (and create) music. “Whether you’re already a 78 aficionado, a casual record collector, a crate-digger, or just someone...who enjoys listening to music,

you're going to love this book" (Slate).

Public Enemy • The Roots • Run-DMC •
Wu-Tang Clan • and twenty-five more
hip-hop immortals It's a sad fact: hip-hop
album liners have always been reduced
to a list of producer and sample credits,
a publicity photo or two, and some
hastily composed shout-outs. That's a
damn shame, because few outside the
game know about the true creative
forces behind influential masterpieces
like PE's *It Takes a Nation of Millions*. . . ,
De La's *3 Feet High and Rising*, and Wu-
Tang's *Enter the Wu-Tang* (36
Chambers). A longtime scribe for the hip-

hop nation, Brian Coleman fills this void,
and delivers a thrilling, knockout oral
history of the albums that define this
dynamic and iconoclastic art form. The
format: One chapter, one artist, one
album, blow-by-blow and track-by-track,
delivered straight from the original
sources. Performers, producers, DJs, and
b-boys—including Big Daddy Kane, Muggs
and B-Real, Biz Markie, RZA, Ice-T, and
Wyclef—step to the mic to talk about the
influences, environment, equipment,
samples, beats, beefs, and surprises that
went into making each classic record.
Studio craft and street smarts, sonic
inspiration and skate ramps, triumph,
tragedy, and take-out food—all played
their part in creating these essential
albums of the hip-hop canon. Insightful,
raucous, and addictive, Check the

Technique transports you back to hip-hop's golden age with the greatest artists of the '80s and '90s. This is the book that belongs on the stacks next to your wax. "Brian Coleman's writing is a lot like the albums he covers: direct, uproarious, and more than six-fifths genius." –Jeff Chang, author of *Can't Stop Won't Stop* "All producers and hip-hop fans must read this book. It really shows how these albums were made and touches the music fiend in everyone."

–DJ Evil Dee of Black Moon and Da Beatminerz "A rarity in mainstream publishing: a truly essential rap history."

–Ronin Ro, author of *Have Gun Will Travel*

I Could Chew on This Simon and Schuster

Dr Masters here answers the arguments

used by healers in support of their methods. He explains Bible teaching on what demons can and cannot do, and how James 5 should be implemented in churches today. He also proves that the conscious mind should always be switched on for spiritual activities. Included is a brilliant assessment of miraculous healing by a leading British medical professor.

Do Not Sell At Any Price Candlewick Press

New York Puerto Ricans have been an integral part of hip hop culture since day one: from 1970s pioneers like Rock Steady Crew's Jo-Jo, to recent rap megastars Big Punisher (R.I.P.) and Angie Martinez. Yet, Puerto Rican participation and contributions to hip hop have often been downplayed and even completely

ignored. And when their presence has been acknowledged, it has frequently been misinterpreted as a defection from Puerto Rican culture and identity, into the African American camp. But nothing could be further from the truth. Through hip hop, Puerto Ricans have simply stretched the boundaries of Puerto Ricanness and latinidad.

Jesus Christ, Sun of God Faber & Faber
Explore the groundbreaking performances and creative collaborations of iconic Scottish dancer and choreographer Michael Clark. Hailed as "British dance's true iconoclast," Michael Clark is a defining cultural figure in the contemporary dance world. Since emerging in the early 1980s as a prodigy at London's Royal Ballet School, Clark has remained at the forefront of

innovation in dance, working in close collaboration with a broad range of pioneering artists such as Sarah Lucas, Leigh Bowery, Charles Atlas, Cerith Wyn Evans, Peter Doig, Elizabeth Peyton, Wolfgang Tillmans and musicians such as Mark E. Smith, Wire, Scritti Politti, and Relaxed Muscle. As a young choreographer, Clark brought together his classical ballet training with London's club culture, fashion, and punk rock to establish himself as one of the most innovative artists working in modern dance. His work--variously referencing punk, rock, and pop--is marked by a mixture of technical rigor and experimentation in a way that disrupts and reimagines our understanding of dance. This book features a series of enlightening essays and vivid

illustrations of Clark's best-known performances, alongside archival material. Loosely tracing the chronological evolution of his career, a variety of cultural figures--ranging from Jarvis Cocker to Charles Atlas--write about the countercultural undercurrents with which Clark's work connects.

Where'd You Get Those? Springer Nature
 After losing his first and last volleyball match against Tobio Kageyama, "the King of the Court," Shoyo Hinata swears to become his rival after graduating middle school. But what happens when the guy he wants to defeat ends up being his teammate?! -- VIZ Media
When Bad Things Happen to Good People Sphere

The treatise *De mundo* offers a cosmology in the Peripatetic tradition

which subordinates what happens in the cosmos to the might of an omnipotent god. Thus the work is paradigmatic for the philosophical and religious concepts of the early imperial age, which offer points of contact with nascent Christianity.

Totally Wired Faber & Faber
 Cocoa, tan, rose, and almond—people come in lots of shades, even in the same family. A celebration of the diversity of everyday life, this exploration of one of our most noticeable physical traits pairs simple text with vibrant photographs. At school, at the beach, and in the city, diverse groups of children invite young readers both to take notice and to look beyond the obvious. Combining lively action shots and candid portraits, Shelley Rotner's photographs showcase

a wide variety of kids and families—many shades, and many bright smiles. For even younger readers, this title has also been adapted as a board book, *All Kinds of People*. An ALA Notable Book.

The Necronomicon Harper Collins
This collection of witty and amusing observations on the English language is guaranteed to make you laugh. The author covers everything from grammar and pronunciation, to idioms and wordplay, with a playful and irreverent style. This is the perfect book for anyone who loves language and enjoys a good chuckle. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States

of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Cosmic Order and Divine Power

Canadian Scholars' Press

A collection of poems, stories, and essays written by girls twelve to eighteen years of age and revealing the secrets which enabled them to overcome the challenges they faced.

A Dispensational Theology Simon and Schuster

Chronicles the rise of the Wu-Tang Clan from an underground supergroup to a globally recognized musical conglomerate. Enhanced by the author's one-on-one interviews with group members, this book covers the entire Wu-Tang Clan catalog of studio albums, as well as albums that were produced or heavily influenced by producer/rapper RZA.

Haikyu!!, Vol. 1 National Geographic Books

These feminist Marxist and anti-racist essays speak to important political issues. Though they begin from experiences of non-white people living in Canada, they provide a critical theoretical perspective capable of

exploring similar issues in other western and also third world countries. This reading of 'difference' includes but extends beyond the cultural and the discursive into political economy, state, and ideology. It cuts through conventional paradigms of current debates on multiculturalism. In particular, these essays take up the notion of 'Canada' - as the nation and the state - as an unsettled ground of contested hegemonies. They particularly draw attention to how the state of Canada is an unfinished one, and how the discourse of culture helps it to advance the legitimation claim which is needed by any state, especially one arising in a colonial context, with unsolved nationality problems. The myth of the 'two founding peoples', anglos and

francophones, has always conveniently ignored the reality of First Nations. who may have a history of being indentured and politically marginalised and only begin struggling for political enfranchisement in their new homeland.

Hip Hop Coloring Book Springer

The third book in the Joseph O'Loughlin series, from the multi-million-copy bestselling author. Don't miss Michael Robotham's new thriller *When She Was Good*, out now. Can you hear it? The sound of a mind breaking? A naked woman in red high-heeled shoes is perched on the edge of Clifton Suspension Bridge with her back pressed to the safety fence, weeping into a mobile phone. Clinical psychologist Joseph O'Loughlin is only feet away, desperately trying to talk her down. She

whispers, 'you don't understand,' and jumps. Later, Joe has a visitor - the woman's teenage daughter, a runaway from boarding school. She refuses to believe that her mother would have jumped off the bridge - not only would she not commit suicide, she is terrified of heights. Joe wants to believe her, but what would drive a woman to such a desperate act? Whose voice? What evil? Praise for Michael Robotham's thrillers: 'I love this guy's books' Lee Child 'Will have you turning the pages compulsively' *The Times* 'An absolute master' Stephen King 'He writes in a voice with a haunting sense of soul' Peter James 'Heart-stopping and heart-breaking' Val McDermid 'The real deal' David Baldacci 'Superbly exciting . . . a terrific read' *Guardian*

My Map Book Mohr Siebeck

The Billboard Clarion Books

NOW AN ORIGINAL SERIES ON ABC • “Just may be the best new comedy of [the year] . . . based on restaurateur Eddie Huang’s memoir of the same name . . . [a] classic fresh-out-of-water comedy.”—People “Bawdy and frequently hilarious . . . a surprisingly sophisticated memoir about race and assimilation in America . . . as much James Baldwin and Jay-Z as Amy Tan . . .

rowdy [and] vital . . . It’s a book about fitting in by not fitting in at all.”—Dwight Garner, The New York Times NATIONAL BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS Assimilating ain’t easy. Eddie Huang was raised by a wild family of FOB (“fresh off the boat”) immigrants—his father a cocksure restaurateur with a dark past back in Taiwan, his mother a fierce protector and constant threat. Young Eddie tried his hand at everything mainstream America threw his way, from white Jesus to macaroni and cheese, but finally found his home as leader of a rainbow coalition of lost boys up to no good: skate punks, dealers, hip-hop junkies, and sneaker freaks. This is the story of a Chinese-American kid in a could-be-

anywhere cul-de-sac blazing his way through America's deviant subcultures, trying to find himself, ten thousand miles from his legacy and anchored only by his conflicted love for his family and his passion for food. Funny, moving, and stylistically inventive, *Fresh Off the Boat* is more than a radical reimagining of the immigrant memoir—it's the exhilarating story of every American outsider who finds his destiny in the margins. Praise for *Fresh Off the Boat* "Brash and funny . . . outrageous, courageous, moving, ironic and true."—New York Times Book Review "Mercilessly funny and provocative, *Fresh Off the Boat* is also a serious piece of work. Eddie Huang is hunting nothing less than *Big Game* here. He does everything with style."—Anthony Bourdain "Uproariously

funny . . . emotionally honest."—Chicago Tribune "Huang is a fearless raconteur. [His] writing is at once hilarious and provocative; his incisive wit pulls through like a perfect plate of dan dan noodles."—Interview "Although writing a memoir is an audacious act for a thirty-year-old, it is not nearly as audacious as some of the things Huang did and survived even earlier. . . . Whatever he ends up doing, you can be sure it won't look or sound like anything that's come before. A single, kinetic passage from *Fresh Off the Boat* . . . is all you need to get that straight."—Bookforum

Fashion Victims Gospel Advocate Company

The mighty powers invoked by this eldritch tome are really long-forgotten psychic abilities, able to affect the most

basic needs and desires, including Love, Wealth, Peace of Mind, and Protection Against Enemies. But now comes a guide that enables anyone to pick up the book and use its ineluctable power "without fear or risk" according to editor Simon.
