Occupational ... Manual Of
Laboratory Safety
Chemical Health and
Safety (EHS) has designed
this Laboratory Safety
Manual (LSM) based on
OSHA Occupational
Exposure to Hazardous
Chemicals in Laboratories:
Final Rule commonly
referred to as OSHA's
Laboratory Standards (29
CFR 1910.1450) and

Prudent LABORATORY
SAFETY MANUAL Purpose
of This Manual The
purpose of this manual is
to meet the basic
regulatory requirements
of the OSHA Laboratory
Standard for the
development of a
Chemical Hygiene Plan
and to provide
laboratories with useful
recommendations that

can help achieve compliance with the intent of the OSHA Lab Standard. Laboratory Safety Manual and Chemical Hygiene Plan ...Welcome to the UW Laboratory Safety Manual (LSM). Please bookmark this page electronically or print a copy of the complete LSM and make it available to laboratory staff. Staff in UW laboratories using hazardous chemicals must have access to a copy of the manual and the supplemental laboratory specific information. Laboratory Safety Manual | EHSAs a component of the EHSMS, the Chemical & Laboratory Safety Manual provides detailed guidance and procedures outlining the safe operation of all research, teaching, and public service laboratories on the University of Georgia campuses. Chemical and Laboratory Safety Manual - Office of Research Chemical Safety Manual 5/9/01 12:38 PM Page c. Preface. Educators in grades 7-12 often have the privilege of introducing students to the chemical laboratory. Chemistry and chemicals have a central place in science, and safe chemical practices are the

most basic and fundamental parts of any lesson. Chemical Safety Manual - American Chemical Society The Chemical Safety Manual at UBC is of foremost importance and this manual is provided as a starting point for the development of safe and best management practices in UBC laboratories where hazardous CHEMICAL SAFETY MANUAL laundry them. The laboratory coats need to be laundered on site or by a commercial company as stated in the University Biosafety Manual and Chemical Hygiene Plan. The Occupational Safety and Health Administration (OSHA) bloodborne pathogen standard prohibits laundering laboratory coats at home for work.
