The Night of the Rape HarperCollins
Both devastating and funny, *The Lonely Londoners* is an unforgettable account of immigrant experience - and one of the great twentieth-century London novels. This Penguin Modern Classics edition includes an introduction by Susheila Nasta. At Waterloo Station, hopeful new

arrivals from the West Indies step off the boat train, ready to start afresh in 1950s London. There, homesick Moses Aloetta, who has already lived in the city for years, meets Henry 'Sir Galahad' Oliver and shows him the ropes. In this strange, cold and foggy city where the natives can be less than friendly at the sight of a black face, has Galahad met his Waterloo? But the irrepressible newcomer cannot be cast down. He and all the other lonely new Londoners - from shiftless Cap to Tolroy,

whose family has descended on him from Jamaica - must try to create a new life for themselves. As pessimistic 'old veteran' Moses watches their attempts, they gradually learn to survive and come to love the heady excitements of London. Sam Selvon (b. 1923) was born in San Fernando, Trinidad. In 1950 Selvon left Trinidad for the UK where after hard times of survival he established himself as a writer with *A Brighter Sun* (1952), *An Island is a World* (1955), *The Lonely*

Londoners (1956), Ways of Sunlight (1957), Turn Again Tiger (1958), I Hear Thunder (1963), The Housing Lark (1965), The Plains of Caroni (1970), Moses Ascending (1975) and Moses Migrating (1983). If you enjoyed The Lonely Londoners, you might like Jean Rhys's Voyage in the Dark or Shiva Naipaul's Fireflies, also available in Penguin Modern Classics. 'His Lonely Londoners has acquired a classics status since it appeared in 1956 as the definitive novel about London's West Indians' Financial Times 'The unforgettable picaresque ... a vernacular comedy of pathos' Guardian Tarzan and the Ant-Men (Serapis Classics) Simon and Schuster

The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working

class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

ABOUT THE L-I-T GUIDE SERIES: These excellent teaching aids integrate the reading of outstanding works of children's literature with important reading-comprehension, speaking, writing, and

listening skills. Each 40- to 56-page (Sounder is 32 pages) L-I-T Guide includes learning experiences that provide opportunities for group dynamics as well as activities to challenge students' abilities in critical and creative thinking. Each L-I-T Guide includes Story Summary, About the Author, Preparing to Read, Cooperative-Learning Projects, Vocabulary Skills, Chapter-by-Chapter Critical-Thinking Questions, Spotlight Literary Skills*, Creative-Thinking Activities, Glossary of Literary Terms, and Post-Reading Activities.

Kaffir Boy BoD – Books on Demand
Chained to the hold of a slave ship bound for the Caribbean, a terrified young girl's only comfort is the voice of a woman she can't see. She is told 'Anansi stories', tales of the crafty spider whose cunning and humorous tricks give the girl the resilience and wit she needs to survive. Moving and funny at the same time, Anansi carefully juxtaposes the savagery of the slave trade with the exuberance of traditional story telling. SuperScripts are tried and tested plays that will appeal to 11 - 16 year olds. Mostly written by professional playwrights and performed in public to popular

acclaim, these plays are ideal for the English classroom and drama studio and are accompanied by an extensive range of original activities.

To Kill a Mockingbird University Press of Kentucky

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, *To Kill a Mockingbird*.

Originally written in the mid-1950s, *Go Set a Watchman* was the novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Assumed to have been lost, the manuscript was discovered in late 2014. *Go Set a Watchman* features many of the characters from *To Kill a Mockingbird* some twenty years later.

Returning home to Maycomb to visit her father, Jean Louise

Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from *To Kill a Mockingbird* are adjusting to the turbulent events transforming mid-1950s America, *Go Set a Watchman* casts a fascinating new light on Harper

Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.

Bringing Words to Life *To Kill a Mockingbird*

Anton Pavlovich Chekhov, (29 January 1860 – 15 July 1904) was a Russian physician, dramaturge and author who is considered to be among the greatest writers of short stories in history. His career as a dramatist produced four classics and his best short stories are held in high esteem by writers and critics. Chekhov practised as a medical doctor throughout most of his literary career: "Medicine is my lawful wife", he once said, "and literature is my mistress." Chekhov renounced the theatre after the disastrous reception of *The Seagull* in 1896, but the play was revived to acclaim in 1898 by Constantin Stanislavski's Moscow Art Theatre, which subsequently also produced Chekhov's *Uncle Vanya* and premiered his last two plays, *Three Sisters* and *The Cherry Orchard*. These four works present a challenge to the acting ensemble as well as to audiences, because in place of conventional action Chekhov offers a "theatre of mood" and a

"submerged life in the text." Chekhov had at first written stories only for financial gain, but as his artistic ambition grew, he made formal innovations which have influenced the evolution of the modern short story. His originality consists in an early use of the stream-of-consciousness technique, later adopted by James Joyce and other modernists, combined with a disavowal of the moral finality of traditional story structure. He made no apologies for the difficulties this posed to readers, insisting that the role of an artist was to ask questions, not to answer them. Always modest, Chekhov could hardly have imagined the extent of his posthumous reputation. The ovations for the play, *The Cherry Orchard*, in the year of his death showed him how high he had risen in the affection of the Russian public—by then he was second in literary celebrity only to Tolstoy, who outlived him by six years—but after his death, Chekhov's fame soon spread further afield. Constance Garnett's translations won him an English-language readership and the admiration of writers such as James Joyce, Virginia Woolf, and Katherine Mansfield. The issues surrounding the close

similarities between Mansfield's 1910 story "The Child Who Was Tired" and Chekhov's "Sleepy" are summarised in William H. New's *Reading Mansfield and Metaphors of Reform*. The Russian critic D.S. Mirsky, who lived in England, explained Chekhov's popularity in that country by his "unusually complete rejection of what we may call the heroic values." In Russia itself, Chekhov's drama fell out of fashion after the revolution but was later adapted to the Soviet agenda, with the character Lopakhin, for example, reinvented as a hero of the new order, taking an axe to the cherry orchard. One of the first non-Russians to praise Chekhov's plays was George Bernard Shaw, who subtitled his *Heartbreak House* "A Fantasia in the Russian Manner on English Themes" and noted similarities between the predicament of the British landed class and that of their Russian counterparts as depicted by Chekhov: "the same nice people, the same utter futility."

New Essays HarperCollins

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth

on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A "majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

Go Set a Watchman Algonquin Books
A spine-tingling collection of ghost stories. When a boy finds himself drawn into an empty house one cold night, he enters a room in which twelve unusual-looking people sit around a table. And the thirteenth chair is pulled out for him. One by one, each of those assembled tells their own ghost story: tales of doom and death; of ghostly creatures and malevolent spirits; of revenge and reward. It is only at the end of the night that the boy starts to understand what story he must tell . . .

The Lonely Londoners CreateSpace

"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the

earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

Warning: This is an independent addition to Luckiest Girl Alive, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle. She is the teller of her brother's secrets, letting readers look in on the changing morality and maturation of a young person growing up in a southern town in 1935, giving an insight into what the adults of Maycomb will look like fifteen years later. With her childlike spite and

surprising wit, we can trust Scout Finch to tell the whole truth and nothing but. The lessons of *To Kill a Mockingbird* are for Atticus Finch to teach and for us, through his littlest daughter's eyes, to learn.

Southern Horrors: Lynch Law in All Its Phases Youcanprint

The newest Oprah's Book Club 2.0 selection: this special eBook edition of *The Invention of Wings* by Sue Monk Kidd features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece of hope, daring, the quest for freedom, and the desire to have a voice in the world. Hetty "Handful"

Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke's daughter, Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the limits imposed on women. Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the early pioneers in the abolition and women's rights movements. Inspired by the historical figure of Sarah Grimke, Kidd

goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful's cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved. Please note there is another digital edition available without Oprah's notes. Go to Oprah.com/bookclub for more OBC 2.0 content

The Children's Walk Nelson Thornes
Presents a brief biography of the engineer, Confederate general, and college president, remembered as an excellent military leader and a great American.
Summary & Analysis Teacher Created Materials

What the Children Know is about a woman whose been devastated by the infidelity of her husband. Picking up the pieces of her life, our heroine goes on to overcome betrayal through the power of forgiveness.

What the Children Know Penguin
In 1960, *To Kill a Mockingbird* was

published to critical acclaim. To commemorate *To Kill a Mockingbird*'s 50th anniversary, Michael J. Meyer has assembled a collection of new essays that celebrate this enduring work of American literature. These essays approach the novel from educational, legal, social, and thematic perspectives. Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch. An American classic that frequently appears in middle school and high school curriculums, the novel has been subjected to criticism for its subject matter and language. Still relevant and meaningful, *To Kill a Mockingbird* has nonetheless been under-appreciated by many critics. There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students. These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today. Intended for high school and undergraduate usage, as well

as for teachers planning to use *To Kill a Mockingbird* in their classrooms, this collection will be a valuable resource for all teachers of American literature.

A Black writer describes his childhood in South Africa under apartheid and recounts how Arthur Ashe and Stan Smith helped him leave for America on a tennis scholarship

L-I-T Guide Penguin

Scout Goes to School is a true story about a therapy dog named Scout who loves going to school each day. Scout might get into a little mischief, but the students sure love having her at school. Scout makes everyone's day a little more fun!

The Gray Ghost Scholastic Inc.

A beautifully crafted graphic novel adaptation of Harper Lee's beloved, Pulitzer prize-winning American classic. "Shoot all the bluejays you want, if you can hit 'em, but remember it's a sin to kill a mockingbird." A haunting portrait of race and class, innocence and injustice, hypocrisy and heroism, tradition and transformation in the Deep South of the 1930s, Harper Lee's *To Kill a Mockingbird*

remains as important today as it was upon its initial publication in 1960, during the turbulent years of the Civil Rights movement. Now, this most beloved and acclaimed novel is reborn for a new age as a gorgeous graphic novel. Scout, Gem,

Boo Radley, Atticus Finch, and the small town of Maycomb, Alabama, are all captured in vivid and moving illustrations by artist Fred Fordham. Enduring in vision, Harper Lee's timeless novel illuminates the complexities of human nature and the depths of the human heart with humor,

unwavering honesty, and a tender, nostalgic beauty. Lifetime admirers and new readers alike will be touched by this special visual edition that joins the ranks of the graphic novel adaptations of *A Wrinkle in Time* and *The Alchemist*.
