The Iron Hand of Mars Kodansha America LLC

Quirky and utterly captivating, *A Wild Sheep Chase* is Murakami at his astounding best. An advertising executive receives a postcard from a friend and casually appropriates the image for an advertisement. What he doesn't realize is that included in the scene is a mutant sheep with a star on its back, and in using this photo he has unwittingly captured the attention of a man who offers a menacing ultimatum: find the sheep or face dire consequences. Thus begins a surreal and elaborate quest that takes readers from Tokyo to the remote mountains of northern Japan, where the unnamed protagonist has a surprising confrontation with his demons.

Lady Catherine, the Earl, and the Real Downton Abbey tells the story behind Highclere Castle, the setting for Julian Fellowes's Emmy Award-winning PBS show *Downton Abbey*, and the life of one of its most famous inhabitants, Catherine Wendell. In this transporting companion piece to the New York Times bestseller *Lady Almina* and the Real Downton Abbey, Catherine, a beautiful and spirited American woman who married Lady Almina's son, the man who would become the 6th Earl of Carnarvon, presides over the grand estate during a tumultuous time for the British aristocracy. Following the First World War, many of the great houses of England faded as their owners fortunes

declined in the new political and social world of the 1920s and 1930s. As war loomed, Highclere's survival as the family home of the Carnarvons was again in the balance—as was peace between the nations of Europe. Using copious materials—including diaries and scrapbooks—from the castle's archives, the current Countess of Carnarvon brings alive a very modern story in a beautiful and fabled setting, paying particular attention to the staff who provide Highclere Castle with continuity between generations.

When Germanic troops in the service of the Empire begin to rebel, and a Roman general disappears, Emperor Vespasian turns to the one man he can trust: Marcus Didius Falco, a private informer whose rates are low enough that even the stingy Vespasian is willing to pay them. To Falco, an undercover tour of Germania is an assignment from Hades. On a journey that only a stoic could survive, Falco meets with disarray, torture, and murder. His one hope: in the northern forest lives a powerful Druid priestess who perhaps can be persuaded to cease her anti-Rome activities and work for peace. Which Falco is eagerly hoping for as, back in Rome, the Titus Caesar is busy trying to make time with Helena Justina, a senator's daughter and Falco's girlfriend. Lindsey Davis' historical mystery *Iron Hand of Mars* is a "Seamless blending of humor, history and adventure" (Publishers Weekly).
