"An absolutely mesmerizing read. . . .

Tana French is simply this: a truly great writer." —Gillian Flynn Read the New York Times bestseller by Tana French, author of the forthcoming novel *The Hunter* and

"the most important crime novelist to emerge in the past 10 years" (The Washington Post). A year ago a boy was found murdered at a girls' boarding school, and the case was never solved. Detective Stephen Moran has been waiting for his chance to join Dublin's Murder Squad when sixteen-year-old Holly Mackey arrives in his office with a photo of the boy with the caption: "I KNOW WHO KILLED HIM." Stephen joins with Detective Antoinette Conway to reopen the case—beneath the watchful eye of Holly's father, fellow detective Frank Mackey.

With the clues leading back to Holly's close-knit group of friends, to their rival clique, and to the tangle of relationships that bound them all to the murdered boy, the private underworld of teenage girls turns out to be more mysterious and more dangerous than the detectives imagined.

The Secret Place Simon and Schuster Prix Goncourt Winner: A “superb” novel of a Syrian immigrant in France and his two sons (The New York Times Book Review). *Older Brother* is the poignant story of a Franco-Syrian family whose father and two sons try to integrate themselves into a society that doesn’t offer them many opportunities. The father, an atheist communist who moved from Syria to France for his studies and stayed for love,

has worked for decades driving a taxi to support his family. The eldest son is a driver for an app-based car service, which comically puts him at odds with his father, whose very livelihood is threatened by this new generation of disruptors. The younger son, shy and serious, works as a nurse in a French hospital. Jaded by the regular rejections he encounters in French society, he decides to join a Muslim humanitarian organization to help wounded civilians in the war in Syria. But when he stops sending news home, the silence begins to eat away at his father and brother, who wonder what his real motivations were. And when the younger brother returns home, he has changed . . . “A masterpiece of a first novel.” —The Guardian “A striking debut that reveals the breadth of emotional disconnection that prejudice can stoke within a family.” —Kirkus Reviews
