Discipleship is in a state of crisis today! Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. Sadly, what discipleship meant in the time of Christ is vastly different than what it means today. Moreover, the importance Christ and the apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bible regularly. Unlike Christ's disciples who were

"Fishers of Men," 61% of believers today haven't shared their faith in the past six months. And sadly, unlike Christ and the apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling. This book hopes to change that! Chapter 1 focuses on the state of discipleship in the lives of Christians and churches today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 14 key factors contributing to the lack of discipleship today and how they're affecting our lives. Chapter 3 defines biblical discipleship based upon central phrases Christ used in His ministry. Chapter 4 unfolds 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical help on how to grow in each of the

essential components of discipleship. It contains encouraging news and functional steps on how to grow in Christ. It also includes self-assessment tests to measure our level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas on taking steps toward spiritual maturity.

DON T read this book if you want to remain comfortable! Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did. Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be, rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city. This book is soundly Biblical, challenging and practical. This book is about building disciples not programs. Roger Hershey, Campus Crusade For Christ It is a joy to highly commend to all Discipleship Defined, for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness. "Discipleship Defined has carefully described, yet without programming it into a rigid system, how to go about this challenging task. Walter C. Kaiser, Jr., President Emeritus Gordon-Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship, a topic widely misunderstood and undervalued. Moving away from piety-driven discipleship, Russ points us toward a holistic, Christ-centered way of following Jesus. Jonathan Dodson, Lead Pastor Austin City Life, Austin, TX. Eric has

a healthy obsession about strong discipleship, and it shows in a gracious way in this guidebook for muscular commitment. Can you be obsessed and still have a gracious spirit? Eric does, and so does this book! Knute Larson, Senior Pastor The Chapel, Akron, OH (1983-2009) Eric Russ is lead pastor of Mack Avenue Community Church in Detroit, Michigan. He is married to Sara and has four children. For more information visit www.discipleshipdefined.com or www.mackave.com.

The Missed Mission of the Great Commission is discipleship, or as Jesus puts it: "teaching them to observe all that I have commanded you" (Matthew 28:20). Thousands upon thousands of people have come to a personal relationship with Jesus Christ over the last four decades. Yet during the same period of time, the influence of Christianity on the American society has greatly diminished. There have been many converts but far fewer have become disciples whose lives testify the presence of Jesus. As Pastor Eberly shares about his years of ministry, he calls the church back to a New Testament paradigm of discipleship. He focuses on biblical principles, rather than programs because one size does not fit all. His book also points to practical ways in which these principles can be applied in whatever situation.

"Take time and trouble to keep yourself spiritually fit." — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue

their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

Have we over complicated, over systematized, and over formalized making disciples? When our hearts are changed by Christ, it's natural that we should want to help others come to know Him too. And while Scripture clearly sets forth how to do so, modern Western society has formalized, professionalized, and systemized discipling to a point that it seems too complicated to practice. What happened to the simple, heart-to-heart ministries of the New Testament? In *Walk with Me*, you'll return to the essential biblical practices that help people grow as Christ-followers in simple, slow, and deep ways. Learn how you can connect with your neighbors, coworkers, or anyone you want to reach with the gospel in ways that are relational and Spirit-led. You'll learn five kingdom principles that will reshape how you can pass on the faith: In heart-to-heart ways By keeping it simple By

 Following a period of great revival, Charles Finney reached a point of physical exhaustion which resulted in his writing a series of articles on various subjects to continue the work of discipleship in the new believers scattered throughout the regions of revival. These practical instructions were published in the Oberlin Evangelist periodical and took the form of letters addressed to specific themes. They now are collected and edited by Pastor L.G. Parkhurst to appear for the first time in book form. As well as letters concerning sanctification, major themes include Finney's letters: • To New Christians • To Ministers • To Parents • To Christians

 In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, "because it was well built" (Luke 6:48). The Purple Book will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. What is God like? Answering this is the great quest of human existence. Because God is so different from us, we struggle to describe him. While doctrinal statements about God certainly have their place in Christian understanding, the Bible more often uses God's actions and roles to help us know him better. Indeed, some of the most helpful insights in Scripture arise when God is compared to something else: a rock, an eagle or a tower. And many "human" metaphors--metaphors taken from the world of actions and relationships--bring us even closer to understanding of God. In *Portraits of God*, Allan Coppedge suggests we look carefully at God as our Father, Redeemer, King, Judge, Priest and Creator. These portraits taken together give us an understanding of the Holy One for which no single category is adequate. These images work their way through the whole of Scripture. They are the doorway allowing us into the mysteries of God's very being. In *Portraits of God*, Coppedge offers a comprehensive survey, picturing a God who wants to be known personally and who has profoundly communicated himself. Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles. Approaching God in this way transforms us, as churches and individuals, to reflect God's own holy character. This is a book for students, pastors and churchgoers alike. Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth.

The purpose of this manual is to teach you how to examine yourself biblically so you can live in a manner that pleases the Lord and help others to do the same. The material in this manual also has been used in Bible studies for youth and adults, classes for Christian students (junior high, high school, college, and seminary level), courses of study designed to prepare missionaries for their ministry, evangelism training, discipleship training in prison ministries, Sunday school classes, home group studies, personal devotional studies, and Scripture memorization programs. In addition, it has proved valuable as a resource for pastors, counselors, health care professionals, personnel managers, educators, social workers and other professionals who are responsible to deal with personal and interpersonal problems.

As you progress through this manual, you will discover many other uses for this material in your life and personal ministry. Please do not be intimidated by the volume of Scripture references contained in this manual. A new believer in Jesus Christ can find great comfort and help from looking up only one verse out of many that are listed on a particular subject. On the other hand, the Bible scholar or seminary student may desire to research many of the Scripture references from the original languages of the Bible. No matter how proficient you are in using Scripture, this manual encourages you to rely on the Word of God to discover God's sufficiency for every aspect of your life.

David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the prevailing opinion, always considering what Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, *The Disciple-Making Minister* is helping Christian leader around the world be more effective in fulfilling the Great Commission.

Discipleship Baker Books

In the beginning, they were called disciples, and the early believers knew what the word meant. Disciples were those who trusted the Lord, knew His voice, followed Him wherever He led them, and were obedient to everything He told them to do. Then a Roman government official in Antioch invented a new name. He called the disciples in this church, Christianoi. Christian and the identity of disciples slowly began to disappear. Today, only one, the term, Christian, is widely used in churches round the world. But even this name has been interpreted in as many ways as there are church denominations. In his book, Dr. Brian has examined each of the six names for disciples that the scriptures use: sinner, saint, child of God, Christian, disciple, bond slave. He treats each of the six names, not merely as useful information but as teachings that can profoundly influence the lives of those who long to be the Lord's disciples. In his final chapters, Dr. Brian takes a careful look at what the cross means for disciples. He presents a number of valuable biblical principles that both inform and challenge those who long to follow the Lord as His disciples in the twenty-first century.

This book presupposes that pastors and seminarians deeply desire to answer the question of all questions: how do I make

disciples of Jesus Christ? The Great Commission is a practical guide that will be helpful for pastors in the field, yet “meaty” enough for seminarians in the classroom.

The Missed Mission of The Great Commission Christian Faith Publishing, Inc.

The purpose of this present study is to look at the larger biblical and theological framework that surrounds discipleship. Of necessity, we will also examine certain specific methods as a part of this process. The book grew out of a conviction that discipleship, properly understood, must be seen within the larger context of God's purposes. Discipleship is a means, not merely an end in itself. It is essential for the church to understand what these means were designed to produce. What are God's purposes, and how are these objectives spelled out in His Word? Once we understand what God is after, it will be possible to see the process of discipleship in its rightful place. One of the major concerns from our perspective is that so many books on discipleship seem to imply that its primary (and perhaps only) purpose is evangelism. The church must understand that God's objectives are far broader than outreach. All that Christians do should be designed to glorify God, and the Lord has made it clear that certain specific things glorify Him. Three that bring special glory are 1) a growing relationship between believers and God, 2) development of Christlikeness in character, and 3) fruitful service for the Lord. Regarding service for God, the holy Scriptures teach that believers have a twofold responsibility for ministry. The first area of responsibility is the building up of the body of Christ, and the other is outreach to the world. One of the ways in which Christians touch the world is through evangelism, but it is not the

only one. This means that evangelism is a significant part of God's objectives, but only one part of one's total service for God. At the same time, service for God is only a sample of the several ways in which God is glorified by those who belong to Him. Accordingly, one of the purposes of this book is to address the larger issue of God's objectives for His people and then to see how the process of discipleship serves as a means to accomplish God's ends. We cannot adequately understand God's purposes for mankind if our range of information is limited to the New Testament. The New Testament makes it clear that Jesus and the early church understood that His appearance and ministry were the fulfillment of God's plan that He gradually unfolded over many centuries. Thus we must first consider the Old Testament in our investigation. The structural relationship between the Old and New Testaments is that of promise and fulfillment. Thus there is no understanding of what is happening in the New Testament without significant appreciation for what God did in the Old Testament. It is particularly important to identify what God was after when He established a people for Himself at Sinai. At that crucial point in Israel's history, God made known what He wants. He described the people who were to be His and began to reveal the process by which they were to become that people. Trinitarian summary of the basic biblical principles of discipleship. By beginning with the Old Testament and then working through the New Testament, we will get a perspective on the purposes of God that run throughout the Bible. It is a proper task of Christian theology to collect and synthesize as much biblical data as possible. It will not do to isolate a single passage, a single book, or even a single Testament. The whole Bible is the Word of God

and must be taken seriously in our effort to understand what God has done in the world and what He wants us to do. This book is particularly concerned with examining how discipleship is for

God's glory. Therefore, we cannot escape the responsibility of discovering more adequately who God is and what He wants us to be and do.
