CB4 Addison-Wesley Professional
A revised and updated edition of the career advancement guide that advocates working smarter, not harder, from one of America's premier career consultants. Do your job, do it well, and you'll be rewarded, right? Actually, probably not. According to career guru Donald Asher, advancement at work is less about skillsets and more about strategy. The revised and expanded edition of WHO GETS PROMOTED, WHO DOESN'T, AND WHY details exactly what puts one employee on the fast track to an exceptional career, while another stays on the treadmill to mediocrity. Whether you're new to the workforce, repairing a recession-damaged career, or feeling stagnant and overlooked at work, this book is your ticket to advancement. Learn: • why timing is more important than talent • how corporations actually make promotion

decisions • how to avoid career mistakes you don't even know you're making • what women in the workforce particularly need to know • and the twelve proven strategies for promotion regardless of your industry and experience If you want to know how to control your career destiny, the solution is to work smarter, not harder. WHO GETS PROMOTED, WHO DOESN'T, AND WHY will help you do just that.

Cracking The Hidden Job Market McGraw Hill Professional

Can't find a job? Maybe you're seeing only half the picture! Half the job market is invisible Are you spending all your time applying to posted job openings—postings that draw hundreds, and in some cases, thousands of applications? No matter how perfect you are for the job, there is always someone else who's a little more qualified, more experienced. The key to success in the current job market is breaking through to the hidden job market. Over half of all jobs go to someone who did not apply to a posted opening at all. What are they doing and how are they doing it? They're finding new jobs before the posting hits the Internet. Career guru Donald Asher offers proven strategies for finding great opportunities in any industry. With *Cracking the Hidden Job Market* you'll stop wasting time and effort and beat the job-search odds by learning how to:

- find jobs that are never posted anywhere
- get complete strangers to help you find a job
- convince potential employers to give you an interview—even when they're "not hiring"
- find—and land—the new jobs in this, or any, economy

Every page of *Cracking the Hidden Job Market* is packed with no-frills fundamentals to change the way you look for a job, this time—and forever!
